

ATLANTIC FLEET IS ORDERED TO ANCHOR OFF NEWPORT

John H. Hartog, manager of the Commercial Club, this afternoon received a message from W. H. Jenness, traveling passenger agent of the Northern Pacific Company, stating that word had just been received from the secretary of the navy at Washington that he had ordered the Atlantic fleet, now in California waters, to stop off Yaquina bay on its way north during the latter part of the present month. The exact date is not yet known and that will be decided upon later.

The Southern Pacific Company will have excursions on all its lines to the north on that date, and it is expected that many thousands of people will take advantage of the occasion to see the fleet.

This is the only point in Oregon where the entire fleet will stop, only

a small portion of it having been ordered to Portland. Many Eugene people who were intending to go to San Francisco to see the squadron will now change their plans and go to Yaquina Bay. Others were planning on going to Seattle for that purpose later on, and they, too, no doubt, will prefer to go to the Oregon coast.

Smithson Trains at O. A. C.
Oregon Agricultural College, Corvallis, April 29.—Forrest Smithson, who has been pursuing his training at O. A. C. for the California athletic meet, left this morning for Portland and will leave in two days for the south. He will return to O. A. C. between the 15th and 20th of May.

He has been assisting Physical Director Heister at odd hours in the work of developing the O. A. C. track men.

DOG AIDED MASTER WHO WANTED TO DIE

Harrisburg, May 1.—After two unsuccessful attempts to commit suicide by jumping into the Pennsylvania canal, Henry T. Turpin, aged 32, succeeded in drowning himself. A vicious bulldog, the companion of Turpin, fought the rescuers at the first two attempts, biting savagely, but the rescuers finally got Turpin out of the water. At the third attempt one of the rescuers managed to fight past the dog and jumped into the stream to save Turpin, but the dog jumped in and again attacked his rescuer, who had to fight the dog to save his own life.

Finally a policeman opened up a fusillade at the dog with a revolver, and drove him from the canal, but it was too late.

PRESIDENT SIGNS FULTON RESOLUTION

Washington, April 30.—The president today signed the Fulton land grant resolution.

The house public lands committee today discussed Mondell's latest land grant resolution, which was intended to follow the Fulton resolution. In view of the bad faith of the lumbermen, the committee was overwhelmingly opposed to reporting the measure, especially if the same end can be accomplished without legislation.

The committee instructed Chairman Mondell to confer with the attorney-general as to the advisability of issuing an official statement proclaiming it to be the purpose of the government to allow the present holders of granted lands to continue in possession of them and use them pending the determination of legislation, and also as to the advisability of warning all intending settlers that the land is not open to settlement, for filing, while suit is pending.

HE WON'T BE HAPPY TILL HE'S SHOWN.

FRUIT GROWERS WILL OPERATE BOX FACTORY

LANE COUNTY FRUIT AND VEGETABLE GROWERS' ASSOCIATION WILL ESTABLISH PLANT IN BUILDING AT EAST NINTH AND OAK STREETS—CAR OF SHOOPS ARRIVES

The Lane County Fruit and Vegetable Growers' Association today received a carload of box shooks, this being the second carload to arrive from Portland within the week. The shooks are being hauled to the building occupied in front of Irish's grocery store at the corner of East Ninth and Oak streets, where the association has installed machinery for the manufacture of all the boxes needed by the members this year. One stapling machine has already been installed and another is expected to arrive in a short time. The association will soon begin to make the boxes and will employ a number of hands during the season. It is said the association will be able to save \$1 on every thousand boxes by making them here, and this means considerable when the number of boxes used by local fruit growers is taken into consideration.

ATTELL OUTCLASSED TOMMY SULLIVAN

Coliseum, San Francisco, April 30. Hopelessly outclassed, Brooklyn Tommy Sullivan, of St. Louis, made a error showing tonight against the American featherweight champion, Albe Attell. Sullivan succumbed in the fourth round, when he was floored three times, and the police jumped into the ring and stopped the fight. Sullivan was completely knocked out.

Attell took the lead at the very start, and after the first round, in which Attell landed as often as and whenever he pleased, it was easy to be seen that the contest was of short duration.

SEVERAL DEFENDANTS WILL BE TRIED IN OREGON

Los Angeles, May 1.—By the decision of Commissioner William M. Van Dyke, of the United States district court today, the three defendants who resisted removal to Oregon, charged with complicity in land frauds involving the Pacific Forestry and Land Company, were held guilty of no offense to warrant their removal for trial. They are: Warren Gillilan, president of the Broadway Bank and Trust Company; R. W. Kenney, cashier of the same institution, and Will D. Gould, the bank's attorney.

The defendants who will have to go to Oregon under the decision are David M. Goodwin, Leo R. Myers, George Stearns, A. L. Reddery and Richard Hynes.

MABELLE WILL TRY GRAND OPERA SO SHE SAYS

New York, April 29.—Before sailing yesterday on the Hamburg-American liner Deutschland, Mrs. W. F. Corey, formerly Mabelle Gilman, the actress, said she intended to go to Paris to study for the operatic stage under Jean de Reszke.

"I have several roles entirely learned," said Mrs. Corey, "which I have to finish with Dr. DeReszke, with whom I shall appear in grand opera this season. I am not doing this with any desire to appear again before the public, but simply for the sake of the

work. I have always been used to an active life and cannot remain idle. I shall appear in opera, and hope to be able to do something for a phase of music in this country which should be developed."

NORTH GERMAN LINER CRIPPLED IN COLLISION

Bremen, May 1.—The North German Lloyd steamer "Kuehn", which left here yesterday for Baltimore and Galveston, collided last night in a fog with the tank steamer Emperor Nicholas II nine miles off Norderoy. The Nicholas struck the Kuehn and was crippled.

The steamer Goldmarshall responded to signals of distress and took off 820 passengers in safety.

QUIET MAY DAY WITNESSED BY NEW ENGLAND

Boston, May 1.—May day in New England, which is usually a day of industrial disturbance, was this year one of the most peaceful on record.

About one hundred thousand textile operatives are idle or working on short time, and about forty per cent of the machinery is idle. Business has improved about fifteen per cent since January, but the cotton cloth business continues poor. About forty per cent of the spindles are stopped.

MANY ACCEPTANCES NOT YET ON FILE

Salem, April 30.—Although the time for filing acceptances of nominations expires tomorrow, very few of the candidates on either ticket have complied with the law in this respect, but it is presumed they will do so before the secretary of state's office closes tomorrow afternoon.

Willis C. Hawley, Republican candidate for re-election to congress in the First district, and John A. Jeffrey, of Portland, Democratic candidate for congressman in the second district, filed their acceptances today.

Chief Justice R. S. Bean accepts both the Republican and Democratic nominations for re-election to the supreme bench, and Governor Chamberlain accepts the Democratic nomination for United States senator.

Oglesby Young, Democratic nominee for railroad commissioner in the Second district, has also filed his acceptance, but Commissioner T. K. Campbell has no opposition for re-election in the First district, although R. Robertson, who ran against Campbell for the Republican nomination, secured the highest number of Democratic votes for the nomination. He has notified the secretary of state that he "has had enough," and will not accept. Practically all the nominees, both Democratic and Republican, for county offices, have filed their acceptances with the county clerk.

LEGISLATIVE POINTS

Maine and Maryland Republicans have instructed their delegates for Taft.

That between 300 and 400 letters are received daily at the White House urging President Roosevelt to run again is asserted on good authority.

These letters come from all parts of the country. It is said from members of all political parties, and in them various arguments are used by the writers to induce Mr. Roosevelt to accept a second term.

ASQUITH SQUIRMS OVER PLEDGES OF IRISH HOME RULE

London, April 30.—Speaking in the house of commons this afternoon Premier Asquith rectified his omission to mention home rule in his speech at the Liberal meeting at the Reform Club this morning, and gave practical adhesion to the home rule pledges given by Winston Churchill during the recent electoral campaign at Manchester.

The subject was brought up by Walter Long, Conservative, who asked

HERBERT H. ASQUITH. New premier of Great Britain, who succeeded Sir Henry Campbell-Bannerman.

of the premier if Mr. Churchill's pledges had his sanction and authority, and if so, whether he could give the house an opportunity at discussing this change in the government's policy. Mr. Asquith replied:

"There has been no change in the policy of the government, which was fully explained by the chief secretary for Ireland and myself in this house on March 29. I did not authorize Mr. Churchill to make, and am satisfied that he has not made any statements inconsistent with the previous declarations of the government. He did not say anything which I have not said expressly or by plain implication in my speeches, and therefore his statements represent what I said."

Premier to explain why, if this were so, the speeches of himself and Chief Secretary for Ireland Birrell had failed to satisfy the Irish party, while Mr. Churchill's utterances had been quite satisfactory to them. Mr. Asquith gave a somewhat halting and unconvincing answer. He said that he had a dozen questions to submit to the speaker, and was provoked by the question with logical force.
