"Gentlemen of the Cooper Medi- Co., Dayton, Ohio: It is with pleasure I recommend your New Discovery medicine, of which I have taken the contents of three bottles, and can today eat anything without inconveniencing myself. For a number of years I had suffered intensely with severe headaches, sour stomach, indigestion, pains in my side, and complications which made it exceedingly hard for me to accomplish even my household work. Physicians had given me dozens of prescriptions, which failed to accomplish a cure or even relief. Your New Discovery medicine advertisement attracted my attention, and I purchased a bottle of the medicine, which I took according to directions and before it was half gone, I felt very much better; when I had taken the contents of two bottles I gained courage to eat many things which for years I had denied myself, and found they caused me no ill effects. Today, after having used three bottles of the New Discovery, I can eat anything and feel that I am a well woman once more, and therefore would advise anyone to take Cooper's New Discovery, for I feel sure it will cure them." —Mrs. Frederick Harvey, Hallowell, Me.

THREE CURES OF SEVERE ECZEMA

Michigan Woman Tells of Her Brother's Terrible Suffering with the Disease—Grandchild and Another Baby also Permanently Cured.

CUTICURA REMEDIES PROVED INVALUABLE

"My brother had eczema three different summers. About the same time each summer it came out between his shoulders and down his back, and he said his suffering was terrible. He used different kinds of medicines that were said to be good for that disease, but nothing seemed to do him much good. When it came on the third summer, he bought a box of Cuticura Ointment and gave it a faithful trial. Soon he began to feel better and he cured himself entirely with Cuticura and has never been bothered with eczema since. He also used Cuticura to cure a bunch over his eye and a terrible corn which was so bad that he could not wear his shoe. A lady in Indiana heard of how my daughter, Mrs. Miller, had cured her little son of terrible eczema by the Cuticura Remedies. This lady's little one had the eczema so badly that they thought they would lose it. She used Cuticura Soap and Cuticura Ointment and it cured her child entirely, and the disease never came back. BARNARD MUST SERVE SENTENCE IN PRISON

San Francisco, May 4.—In the case of D. Barnard against the United States, on appeal from the district of Oregon in a perjury indictment growing out of the alleged in the homestead application of Charles A. Watson, the decision was affirmed.

Coe D. Barnard was convicted in the United States court in Portland August 11, 1906, on a charge of perjury in having made a false affidavit as witness in the final homestead proof of Charles A. Watson. The jury reported a recommendation of clemency, and Barnard was sentenced to two years at McNeil's Island and fined $2000. The maximum penalty for the crime is five years and a fine of $2000. Judge A. S. Bennett, counsel for Barnard, appealed the case to the circuit court of appeals. Barnard will now have to serve the sentence of the court. W. C. Bristol, who was United States attorney at the time, secured Barnard's conviction, and argued the case on appeal for the government.

Watson, in whose behalf Barnard committed perjury, was also indicted for the same crime. He pleaded guilty August 8, 1906, and because of his physical condition sentence was suspended.
