### BABY'S EYESIGHT WAS THREATENED

By Terrible Eczema—Head Became a Mass of Itching Rash and Sores—Would Scratch Till Blood Came—Much Money Wasted in Fruitless Treatments—Disease Was Soon

### CURED AT SLIGHT COST BY CUTICURA REMEDIES

"Our little girl was two months old when she got a rash on her face and within five days her face and head were all one sore. We used different remedies but it got worse instead of better and we thought she would turn blind and that her ears would fall off. She suffered terribly, and would scratch until the blood came. At night we had to pin her hands down. This went on until she was five months old, then I had her under our family doctor's care, but she continued to grow worse. He said it was eczema. When she was seven months old I started to use Cuticura Soap, Cuticura Ointment, and Cuticura Resolvent, and in three weeks—what a change! I kept using the Cuticura Remedies for two months and our baby was a different girl. You could not see a sign of a sore and she was as fair as a new-born baby, and all for the small cost of a dollar and seventy-five cents where we had spent ten times the money for doctoring. She is now two years old and has not had a sign of the eczema since. Mrs. H. F. Budke, R. F. D. 4, LeSueur, Minn., Apr. 15 and May 2, 1907."

### SLEEP KILLED

By an Itching Humor. Another Cure by Cuticura Remedies.

"I broke out with a humor which spread all over my body. The itching would get worse on retiring, so I could not sleep. I tried several remedies but it grew worse until I got some Cuticura Soap and Cuticura Pills which began to relieve me at once. By the time I had used one vial of the Pills, the humor was entirely gone. I wish every sufferer could secure the Cuticura Remedies. Travis Bates, Hamburg, Ark., April 26, 1907."

### PEOPLE WILL VOTE ON COUNTY HIGH SCHOOL

### COUNTY COURT MAKES ORDER PLACING QUESTION ON BALLOT FOR JUNE ELECTION

### MATTER WILL BE SUBMITTED TO VOTERS OF COUNTY—ORDER MADE UPON PETITION OF OVER ONE HUNDRED QUALIFIED ELECTORS AND TAXPAYERS

The Lane county commissioners' court today made an order directing that the question of whether or not a county high school shall be established and maintained, be placed on the ballots at the general election on June 1. The order as made by the court is as follows: In the County Court of the State of Oregon for Lane County.

In the matter of the establishment of the county high school.

This matter coming regularly to be heard upon the petition of more than one hundred qualified electors and taxpayers of Lane county, Oregon, petitioning this court to submit the question of establishing and maintaining a county high school to the qualified electors of said county at the regular election to be held in said county on the first day of June, 1908, and said petition further requesting that said county high school be established and maintained as provided in the last paragraph of Section 3434 of Bellinger and Cotton's annotated code and statutes of Oregon, which reads as follows:

"Provided further, that said board may contract with the board of directors of any district in the county that now maintains or may hereafter maintain a school of high school grades to teach all county high school pupils at such a rate per capita or in the aggregate as they may deem right and just, and shall pay for the same out of the high school fund."

And appearing to the court that said petition is in due form and is signed by more than one hundred qualified electors and taxpayers of Lane county, Oregon, it is therefore ordered and adjudged that the question of establishing and maintaining a county high school as prayed for in said petition be submitted to the qualified electors of Lane county at the regular election to be held in Lane county on the first day of June.

It is further ordered that the county clerk shall print upon the ballot for said election the following: "For county high school—Yes." "For county high school—No."

It is further ordered that in case it shall be determined by said election that a county high school be established and maintained the board may proceed as provided in the last paragraph of Bellinger and Cotton's annotated codes and statutes of Oregon.

### HARRISBURG NOTES LOCAL AND PERSONAL

Miss Elsie Widener is visiting with numerous friends at Eugene this week. Mrs. George E. McCulloch visited with her sister, Mrs. Long, at Eugene Friday last. James Willoughby, Sr., was at Eugene Friday last, visiting with his daughter, Mrs. Long, and looking after some business matters. Mr. and Mrs. Wm. Widener and family, visited over Sunday with her friends in Eugene, and also took in the circus at that city Saturday afternoon.

Quite a number form here went to Junction Sunday last to witness the game of base ball which was played there between the Junction boys and Coburg nine. Some good playing was done by both teams, but the Coburg boys were winners by a score of five to nothing. Chas. Morris of this city pitched the game for the Coburg team.

Last Wednesday afternoon little Dorothy Bucknum, youngest daughter of Mr. and Mrs. W. N. Bucknum, of Coburg, in company with some of her children, built a small fire in the yard, and while playing around it, he clothing caught fire, and before help could reach her she was so badly burned that she died the following morning about 4 o'clock. Mrs. Herbert Bucknum received some pretty severe burns in extinguishing the flames in the little one's clothing.

The publisher of this paper, in company with James Douglas, has been at work for some time past, building a gasoline motor boat, and the work on it is just about completed, and by the last of the week, it will be in the water ready for business. The craft is a little over twenty feet in length, over all, and will have a five and one-half horse power Ferro motor, which will drive it through the water at the rate of about ten miles per hour. In building this boat we have been greatly assisted by Lyman Lassel, who has proven by his work that he is a pretty good boat builder. When it comes to holding iron and clinching nails we do not think he has an equal.—Bulletin.

## S.S.S. MADE FROM ROOTS AND HERBS A SAFE AND RELIABLE BLOOD PURIFIER

In the time of our forefathers the forests and fields were the only laboratories from which they could procure their medicines. They searched out and compounded the different roots, herbs and barks into remedies, many of which have been handed down to succeeding generations, and conscientiously used with satisfactory results. Among the very best of these old time preparations is S. S. S., a medicine made entirely from roots, herbs and barks, in such combination as to make it the greatest of all blood purifiers. This absolute vegetable purity of S. S. S. makes it the one medicine that may be used without fear of harmful results in any way. Most blood medicines on the market contain mercury, potash, or some other strong mineral. These act with bad effect on the system, upsetting the stomach, interfering with the digestion, affecting the bowels, and when used for a prolonged period of time often cause salivation. No such effects ever result from the use of S. S. S., and it may be taken by children as safely as by older people. For Rheumatism, Catarrh, Sores and Ulcers, Malaria, Scrofula, Skin Diseases, and all other troubles caused by impure or poisoned blood, S. S. S. is a perfect remedy. It goes down into the circulation and removes all poisons, impurities, humors or unhealthy matter, and makes the blood pure and rich. It eliminates every particle of the taint of inherited blood trouble, purifies and strengthens the weak, deteriorated blood, and establishes the foundation for good health. S. S. S. is Nature's Blood Purifier, and its many years of successful service, with a steadily increasing demand for it, is the best evidence of its value in all blood troubles. Book on the blood and any medical advice free of charge. THE SWIFT SPECIFIC CO., ATLANTA, GA.

### Would you look like the man who IS or the man who WAS?

If the former, you'll make it a rule to wear only tailored-to-order clothes, such as we will have made for you by Ed. V. Price & Co., exclusive merchant tailors, of Chicago.

These famous tailors manufacture no ready-made clothing—but produce only garments made to the individual measure of the man who wears them, garments that are never surpassed and but rarely equalled in all that counts for quality, style, shape and workmanship.

The cost to you is but \$25 to \$40 the suit or overcoat, according to the cloth you select from 500 elegant fabrics, many of which are exclusive. At the price, therefore, you have no excuse for wearing unsatisfactory store clothing.

You'll find much help in studying designs 485, 486, 489, 490, 491, 493 on our new fashion plates, and fabrics Nos. 4404 L, 4389 J, 4361 J, 4358 J, 4320 I, 4306 I, 4276 HH in our Spring line. Come in today and learn what's what.

### GENERAL WILLIAM BOOTH AT SEVENTY-NINE.

This picture of General Booth and his two little grandchildren was taken on the occasion of the seventy-ninth birthday of the founder of the Salvation Army. General Booth laid the beginnings of his army in 1865. He began by preaching in the stumps of English towns and rendering material as well as spiritual aid to those he drew about him. This has since been the unswerving policy of the Salvation Army—to feed the hungry and comfort the despairing. General Booth is a strict vegetarian and a model of frugality in his manner of living.
