# GAVE UP WORK BECAUSE OF HIS WEAKENED CONDITION

Mr. Earl McCoy, living at 1506 So. Branson Street, Marion, Ind., has passed through an experience that is being duplicated every day in every town and city of any consequence in the United States. It furnishes abundant proof of the correctness of L. T. Cooper's theory in regard to the degeneracy of the human stomach, and shows conclusively the merit possessed by his New Discovery medicine to restore the weakened system to full strength and vigor.

Mr. McCoy says: "For a long time I have been a sufferer from stomach trouble. I was unable to retain any food, and became so weak and run down that I was compelled to stop work. My system was nearly a wreck, and I had tried so many remedies and spent so much money without deriving any benefit, that I became discouraged and gave up hope of ever being well again.

"I heard a great deal of Mr. Cooper's theory and medicine, and after much hesitation decided to try it. The result was a pleasant surprise. Before I had taken half of the first bottle I was able to retain all food eaten, and my strength began to return. I have taken six or seven bottles, and am feeling fine. I eat and sleep well, do not cough at night, and am able to perform a hard day's work. I can cheerfully recommend Cooper's New Discovery, for it has done wonders for me."

The Cooper remedies are meeting with remarkable success wherever they are introduced. They are without a rival in toning up a weakened and run-down system. We sell them.

## FEMALE TRAMP BLOWS INTO STAID SALEM

WALKS RIGHT IN AND LOOKS AROUND, WALKS ON SOUTH AGAIN—PORTLAND IS SLOW

Salem, Or., May 6.—A female vag, a bleached blonde, with a full kit of curling irons, rouge and other articles for making a complete toilet, hove into Salem late yesterday afternoon. Her approach was heralded by trainmen who had passed her at Gervais and her entry was a triumphal one, for the deputy sheriff met her at Chemawa.

Dressed in dark outer garments and wearing a long cloak with a cap, and with her small satchel containing the beauty outfit, the woman hobo was swinging down the track from the north when she was first detected by Deputy Sheriff William Esch. She gladly accepted the proffered hospitality of the officer.

"Hello there, sister," said the sheriff; "where are you bound for?"

"I'm looking for work. Got anything for me to do?"

"Have you any money?"

"A little," the female "vag" responded. "Wouldn't refuse the price of a meal, though. I'd give most anything for a cup of tea."

"How would a jolt of rye strike you?"

"That sounds about right. That would be bully. Hand her over, pard."

When asked how she was treated a the "grit" she said other hobos paid little attention to her and she paid little attention to them. She said she had started from Portland, as that city was a slow place: She was escorted to the city by the deputy, where he left her to get a meal. She loitered about for a while, and then started again, southward.

When the sheriff was first notified he thought he had found Wolff's murderer in disguise, but was soon satisfied that he had found a real female vag, the first he had ever encountered.

## MUST KEEP OFF RAILROAD LANDS

Washington, May 6.—There will be no further action this session relative to the Oregon & Califronia land grant. Chairman Mondell, of the public lands committee, today received a letter from the attorney-general expressing the opinion that no additional legislation is necessary, and as this view coincides with the view of the committee, there will be no addition to the Fulton resolution. In his letter the attorney-general makes it very plain that, pending termination of the suits, no person should go upon or even undertake to purchase land involved in the contemplated litigation. Those who disregard this advice are likely to lose what money they invest and will obtain no color of title to the land.

The attorney-general also makes it plain that mills now operating on land bought from the railroads will not be disturbed as long as they operate along reasonable and proper lines.

### GRANGES SUPPORT BOWERMAN'S RIVAL

Condon, Or., May 6.—Great interest is again being taken throughout this district, comprising the counties of Wheeler, Gilliam and Sherman, over the political situation, as several independent candidates have just announced themselves for the offices of joint senator, district attorney and representative. The great fight over the senatorship, in which Jay Bowerman was victorious over George B. Bourhill at the primaries will be continued, and Senator Bowerman will be opposed by J. N. Edwards, of Mayville, who comes out on Statement No. 1. Although Mr. Edwards is a Democrat, he comes out as an independent candidate, and will have the backing of all the granges of the three counties, thus insuring hom an enormous vote.

James E. Burdett of Arlington has also announced himself as an independent candidate for the office of district attorney for the 11th judicial district, thus opposing John A. Collier, of Fossil, who won at the primaries over D. R. Parker, of Condon, by the small majority of 12 votes.

W. F. Jackson, of Sherman county, has announced himself as an independent candidate for joint representative of the 28th representative district, comprising Sherman, Wheeler and Gilliam counties. He is a strong Statement No. 1 man, and will run against W. J. Mariner, of Blalock, and the present representatives, Pike, of Sherman, and Donnelly, of Wheeler.

# University of Oregon News

In a speech before the student body last Wednesday President Campbell said that he believed that the University would win its referendum fight by a good majority, which might run in the state as high as 20,000. Reports from all over are encouraging the work being done by the Alumni, covering every portion of the state.

On election day, the Alumni directing the fight, plan to have a man at every polling place in the state to hand out literature, briefly summarizing the situation, and asking for the vote of each citizen. Pamphlets have been sent to nearly every voter already, besides the documents sent from the secretary of state's office. Nearly every newspaper in Oregon is offering its columns freely to the University advocates. The letter writing committee also reports that their part of the work is improving in the number of missives dispatched.

President Campbell asked the students to be as careful as possible about doing anything which the opponents to the bill could use as a handle against the appropriation. He said that the larger the majority the better for the University and for the other institutions of an educational nature in Oregon, for with a big victory the enemies of higher education would be compelled to give up future opposition.

Various lists have been dispatched over the state to be filled out by the opinions of the people in each section. On an average, out of every fifteen names, about ten will be in favor of the appropriation and five against, with frequently two or three non-committal.

**Medical School Graduates.**

President Campbell went to Portland Monday to attend the graduating exercise of the medical department of the university. The class this year was the best in the history of the department. Eighty-eight students are registered in the medical school.

**Student Body Meeting.**

Wednesday nominations were made for student body officers. The election takes place next Wednesday. Those nominated are as follows:

For president of the Student Body, Thos. R. Townsend, '09; Jesse H. Bond, '09. For vice-president, LeRoy Wood, '09. For secretary, Nieta Harding, '09, Frances Nelson, '09.

Members of the executive committee (2), Ormond Bean, '09; Mac C. Snow, '09; Harvard Moore, '09.

Members of the athletic council, (3), Fred Moullen, '09; Wm. Wood, '09; Ralph Dodson, '10; Walter McIntyre, '09; Paul Reid, '09.

For editor-in-chief of the Oregon Weekly, Earl F. Kilpatrick.

For associates of the Oregon Weekly, Harriet Lane, '09; Oliver Huston, '10.

For business manager of the Oregon Weekly, Dean Goodman, '10.

For assistant manager of Oregon Weekly, Fritz Dean, '11.

For editor-in-chief of the Oregon Monthly, Jennie Lilley, '10; Powers, '11; Miss Bartlett, '11; Gerald Eastham, '11; Cornelia Pinkham, '11.

For business manager of Oregon Monthly, Wm. Cake, '10.

For assistant manager of Oregon Monthly, Cecil Espey, '11.

**Track Team Trip.**

The track team leaves next Monday for Eastern Washington to meet Whitman at Walla Walla on May 14, and Washington State at Pullman on the Saturday following. The team will return home about the 18th of May. The tryouts for the trip will be held this afternoon and tomorrow.

While Whitman beat the W. S. C. team, the general opinion prevails here, that the latter will be the harder to win from, for the reason that the meet comes after Whitman and because some of the W. S. C. men, usually able to make points could not qualify in the Whitman W. S. C. meet.

**O. A. C. President.**

President W. J. Kerr of O. A. C. will speak next Wednesday at the regular assembly hour to the students of the University. President Ker is a man that stands high in the educational world and is said to be an interesting talker. President Campbell spoke at Corvallis last week.

**Girls Best Students**

According to statistics compiled in the Registrar's office the organizations of club girls at the University outrank the boys' organizations' standing. In fact, it is said, that the girls are better students in the University as well as in the high schools. The Kloshe Tilacum club took first place in the ranking, the other organizations coming closely bunched just behind. The dormitory, it is said, will rank, probably only as an average, though the grades for that group have not been compiled.

**Failing-Beekman Candidates.**

Last Saturday the following competitors were selected for the candidates for the Failing-Beekman prizes offered during commencement for orations. Miss Miriam Van Waters, Emily Muhr, Cora Cameron, Messrs. Dell McCarty, Bert Prescott and Wesly Wire.

The Failing prize is for $150, the Beekman $100, the winner gets the first, the second best the Beekman. Only seniors are permitted to try for the coveted places.

**High School Debates May 15.**

The final debate of the High School Debating League will be held in Villard Hall on May 15. Lebanon, which defeated Grants Pass on April 17, will debate Astoria, recently victor over Baker City. The prize will be the championship of Oregon, memorialized by a splendid silver cup donated by the Regents of the University as individuals. This cup will probably become the property of the team winning it twice consecutively.

Astoria will affirm and Lebanon deny the question: Resolved, that the members of the legislature of the state of Oregon should be chosen by a system of proportional representation. State Superintendent Ackerman will preside. The Astoria team will consist of Miss Birdie Wise, leader; Carl Thomas and Lelia Page, colleagues. The leader of the Lebanon team is Miss Anna McCormick; her colleagues will be Ralph Thon and Elsie Lillard. The debaters will be guests of the University.

**Campus Items.**

The Glee Club will give its spring concert one week from tomorrow night in the Eugene theatre. The club has been working for the last week hard, and should be better than last fall when new men had to be broken into the chorus.

Herbert Condon returned this week to his duties as registrar of the University of Washington after a visit here with relatives and in California. He is a graduate of the Oregon.

John C. Veatch has accepted the position as booster at McMinnville for Yamhill county. Veatch has received flattering press notices.

Miss Gertrude Johnson, a graduate of last year, was in the city this week.

Mrs. W. C. Noon of Portland is visiting her son William.

Miss Blanche Huston who has been visiting at her home in Portland returned Saturday evening.

Manager Mount has recently done a great deal of work at improving the baseball practice diamond and erecting batting cages. The ground was rolled Wednesday by the steam paving roller.

Dr. F. G. G. Schmidt and Dr. H. D. Sheldon are having residences built on paper by Y. D. Hensil, the architect. The contractors' structures will probably be built next summer.

Mrs. Stephanie Shuecker made a trip to Alsea last week on timber business.

Miss Grace Parker has been ill at the dormitory.

Charles Erskine has recovered from a severe blow on the head received in baseball practice.

Rev. Arthur C. Waltz, a graduate of 1900 is a Baptist minister at University Park, Portland. His wife is a Portland girl, Daisy Alliway, who graduated the same year.

### MI-O-NA MEANS STOMACH COMFORT.

**It's of Special Value to Many Here in Eugene**

A notable discovery, and one that appeals especially to many Eugene people, is the combination of stomach help in Mi-o-na treatment. This preparation works wonders in cases of indigestion or weak stomach.

It acts directly upon the walls of the stomach and bowels, strengthening and stimulating them so that they readily take care of the food that is eaten without distress or suffering.

So positive are the good effects following the use of Mi-o-na that the remedy is sold by Hull's Red Cross Drug Store under an absolute guarantee to refund the money if it fails to cure. A 50 cent box of Mi-o-na will do the good the stomach needs, which is simply to make it do its own work.
