ANOTHER BUSINESS BLOCK TO GO UP ON WILLAMETTE

COUNCILMAN GARRETT, ATTORNEY WELLS AND M. D. MITCHELL WILL ERECT TWO-STORY BRICK OR CONCRETE BUILDING TO COST \$10,000 OR \$12,000

Councilman T. H. Garrett, Attorney J. G. Wells and M. D. Mitchell, who jointly own the vacant lot on Willamette street, between the building occupied by Harry Dunn's bakery and a real estate office and the alley, have definitely decided to erect a two-story business block there this summer. It will either be constructed of reinforced concrete or brick, the material not yet having been decided upon, although brick is favored if it can be secured.
The building will be 52x120 feet in dimensions, and will cost between \$10,000 and \$12,000. The lower floor will be divided into business rooms and the upper floor into offices. Tenants have been secured for the lower floor, but the Guard is not at present authorized to reveal their identity.
The small brick building which was used as a smokehouse for the residence that formerly stood on the lot is being torn down, and excavation for the new building will begin in a short time. An architect is now drawing plans for the building and they will be ready for the contractors to figure on in a few weeks.
It is expected to have the building ready for occupancy early in the fall.

Beginning the first of June the Red Cross Drug Company (Hull's) will conduct an ice cream parlor and confectionery store in the room where Lee Hoselton's cigar store and Geo. Sovern's barber shop are now located, one door north of the Red Cross company's Willamette street entrance, the company having purchased Hoselton's stock of goods, most of which will be shipped to Marcola to be placed in the company's store there.
At present the ice cream and confectionery department of Hull's is located in the room occupied by the drug department on East Eighth street. The soda fountain and other fixtures of this department will all be moved to the new room, which will be exclusively devoted to that branch of the business. It will be fitted up in modern shape and will doubtless become one of the popular resorts of the city.

HULL WILL OPEN NEW ICE CREAM PARLORS

BUYS OUT HOSELTON'S CIGAR STORE AND WILL OCCUPY THAT ROOM WITH HIS CONFECTIONERY DEPARTMENT

Mr. Sovern has a new location in view for his barber shop, but is not yet ready to announce where it will be, as the lease has not been signed. There will be a number of other changes of location in this connection, announcement of which will be made when all arrangements have been completed.
Mr. Hoselton will retire from business in Eugene and thinks of going to California, although he has not fully decided.
