CITY NEWS

Strawberries are now selling two boxes for a quarter.

There will be a dance at the Underwood rink Saturday night, May 9. Dancing will begin at 9 o'clock.

All next week Dr. Lowe, the physician, will be in his Eugene office. Consult him about your eyes.

The flock of pigeons last loose Tuesday morning at 7:06 arrived in Portland at 9:45 the same evening.

Geo. W. Taylor has sent to San Francisco for new drills, in order to be able to put the I. F. Circle well down to 500 feet.

Bishop Scadding returned this morning to Portland. A supplementary class of thirteen joined the Episcopal church last night.

Chief Farrington had one inmate in the jail this morning—an Indian going to California. He was the first of his kind in a Lane county jail for years.

The school board will hold another meeting next Monday night. It is not unlikely that choice among the new applications for positions will then be made.

Geo. Smith, the genial fisherman.

took a couple of friends from San Francisco up to Major Forrest's place on the McKenzie at noon today and will drift down tomorrow.

Work is progressing rapidly on the new Divinity School building in the eastern part of the city. The new addition will be a handsome structure of beautiful gray stone.

M. D. Heals and family, of South Dakota, have purchased the property at the corner of Mill and Thirtieth streets. His son and daughter will enter the University.

The telephone poles on Willamette street are being painted today. Citizens are cautioned to keep a respectful distance in passing until the paint becomes part of the pole.

J. M. Glass, of Pasadena, Cal., will deliver a temperance address to a union meeting of the churches and temperance people of Eugene at the M. E. church at 3 p. m. tomorrow.

Woman's Club of Cottage Grove have passed resolutions favoring the University of Oregon appropriation. They declared themselves aggressively in favor of the bill, which means more than a simple passive assent.

In a very fast game yesterday the Salem high beat the Eugene high 2 to 0. The Salem pitcher struck out 12 men and it was due to his splendid delivery backed up by good fielding that Capital city laid came out victorious.

Drain Nonpareil: Henry Hohl, of

Eugene, an experienced meat cutter, who was in the employ of the Drain Meat Company for a few weeks last summer, is here again in the same position. He will move his family to Drain.

The Children's Medal Contest was won by Margaret Hettich for the best essay, Miss Miller for second. The first prize was \$2, the second \$1. The recitation medal was awarded to Woodson Maddox, and the best big triangular meet.

The University of Oregon second team beat the Albany college nine yesterday afternoon at Albany, in a rather slow game 11 to 7. They play the Salem high team this afternoon. The second team beat the Eugene high several weeks ago, 4 to 0.

Workmen are busy today stringing lights on Willamette—red, white and blue lights, that will make a very pretty effect when the work is completed. It is the intention to string them every half block or so from the depot to the 11th street corner.

The Orpheum theatre last night held an amateur evening. Fourteen University students decked out as minstrels made their appearance, showing what they had learned of negro life and ways in college. The impersonator of Little Eva weighed two hundred and forty pounds.

Wels Felver, of Leaburg, requests that all those who subscribed to the improvements on the cemetery a couple of miles above Leaburg will pay up as soon as possible. The building has been erected, and unless those owing pay the committee in charge of the work will be personally responsible.

Albany Democrat: Mayor J. D. Matlock, the able and fearless executive of the Eugene government, will spend two weeks in Linn county in the interest of local option. He is a practical man and has made a thorough study of the subject. It has been a big thing for Eugene and he knows it.

L. R. Alderman, accompanied by R. Steelquist, Don Lewis, H. R. Davies, and B. W. Prescott, University students, as singers, left this morning for Harrisburg to speak on the University question. Prof. Howe also speaks this evening in Deady hall upon the same question. The public is invited to the latter.

One of the Pollock Transfer wagons, loaded with hardware and

plumbers' fixtures, collapsed in front of the Smeede hotel this morning and windmills, bathtubs and hot water tanks were scattered all around. No damage was done to the stock, but the wagon will probably be in the hands of a physician for a couple of days.

Drain Nonpareil: The ball game here Saturday between the Lorane and Normal teams resulted in a disastrous defeat for the visitors, by a score of 26 to 6. The Drain boys expect to go up to Lorane tomorrow to play the return game. The other game played here Saturday by the Oakland and Drain second teams resulted in a victory for the Oakland boys by the score of 19 to 7.

Herbert C. Thompson, born and raised in Eugene, and who has many relatives and friends here, accompanied the American fleet through the Golden Gate as a representative of the Bulletin, of San Francisco. The assignment is one that is only given to star reporters on a big daily, and the write-up that Thompson gave the naval maneuvers in his papers sufficiently proves his ability. He is a University of Oregon production.

Fifteen men are working on the grading from where the street railway will cross the railroad track to Judkins' Point. L. N. Roney has started to put in the piling, and as soon as the special "frogs" to cross the Southern Pacific arrive the track will be laid clear to Judkins' Point. It is expected that this will be done in less than a month, and that the cars will be running to the bridge across the Willamette near Springfield in about three months.

E. C. Smith, a former resident of this city who is visiting here, states that the problem of an adequate timber supply for the world has been solved by the Southern California Eucalyptus Corporation of El Cajon, California. There are numerous varieties of the Eucalyptus which grow to the required size in from six to ten years, and whose wood is good for a long list of articles, ranging from violins and billiard tables to fuel, tool handles, masts of ships and for wagons.

Cottage Grove Western Oregon: Miss Ella Dickerson, of Drain, one of the Cottage Grove public school teachers, is home from Eugene, where she won the gold medal in the W. C. T. U. Democrat contest. The winning of this medal was without an effort, as many of the contestants

were of the highest order, some of the best yet developed in the college town. Under the rules of this contest the winner of the gold medal must also have been a winner of a silver medal. This Miss Dickerson did at a prior contest. She worked very hard for it and was one of Mrs. W. A. Hemenway's apt students in oratory.

Marriage licenses were issued today to John Dahlin and Lura Rickman; to Alfred Bigelow and Frances Mitchell.

Judge H. M. Cuke, Republican candidate for United States senator, will speak in Eugene next Friday evening.

J. M. Glass, the well-known temperance stump speaker, will deliver two addresses tomorrow in Eugene. At 3 p. m. he will speak at the M. E. church and at 8 p. m. at the Baptist. Mr. Glass has been touring Linn and Benton counties in the interest of local option.

W. O. Heckart today received the contract for the construction of the heating plant building at the Divinity School for \$1600. Work will begin at once. The main building for the heating plant will be 15x33, of concrete and brick, with a smokestack 50 feet high. Steam heat will be used. D. L. Harden is the architect.

Twenty-four horses from California were sold today at the Southern Pacific cattle yards at remarkably low prices by S. P. Wynegar, auctioneer. The animals were owned by J. A. Carpenter. One team of thoroughbreds was sold for \$190, but most of them went at \$35 a head and thereabouts. Horses are said to be a third cheaper all over the country now than a year ago.

At a meeting of the athletic council of the University yesterday Arthur Van Dusen, '10, varsity yell leader for 1907-08, was awarded the official athletic "O" for his efficient services while acting in big capacity during the late football season. Van Dusen is one of the most popular men in college, and in addition to being yell leader has been the principal stunner on the varsity glee club for the past two years. He is a member of the Sigma Nu fraternity.

We still have our bargain counter, which includes hardware, furniture, rugs and more. Don't wait until they are all gone. CHAMBERS HARDWARE CO.
