OLIVE STREET ORDERED PAVED BY COUNCIL

CITY ATTORNEY DIRECTED TO DRAW ORDINANCE COVERING WORK—WEST FIFTH AND WEST SIXTH ALSO ORDERED PAVED—STEAM ROLLER ORDERED FOR STREET WORK.

At a meeting of the city council last night the petition to pave Olive street, between West Fifth and West Tenth, was presented and it was voted to instruct the city attorney to prepare the necessary ordinance ordering the work done. Councilman Gilbert made an effort to have the matter referred to the street committee but his motion to that effect was voted down. The petition was signed by a majority of the property owners along the street. The city attorney was also instructed to draw an ordinance ordering West Fifth and West Sixth streets, between Willamette and Olive paved.

Steam Roller Purchased. The matter of purchasing a steam roller to be used in macadamizing the residence streets was brought up and after considerable discussion it was voted to purchase a machine of that kind. The city already owns a rock crusher and an engine with which to operate it. After the roller is purchased the city will be in a position to build its own macadamized streets in the residence districts. The roller will cost about \$3500 and will be ordered from the Buffalo-Pitts Company.

Ordinances. An ordinance providing for the improvement by grading and graveling West Sixth street from Blair street west to the city limits was passed. Also for grading and graveling Alder street from Eleventh street to the mill race, and Pearl street from Fifteenth to Sixteenth street.

An ordinance for a sewer in the alley between Pearl and High streets and extending from the sewer on Twelfth street to a point midway between Twelfth and Thirteenth, was passed.

An ordinance regulating the cutting of pavement was amended and passed.

An ordinance regulating the riding of bicycles on the sidewalks of paved streets was referred to the street committee and the city attorney.

An ordinance amending the dog license raising the license fee to \$2.50 for male dogs and \$5 for females, was referred to the judiciary committee.

An ordinance regulating the cutting of wires, cables or trolley lines or raising same when buildings are being moved was referred to the judiciary committee and the city attorney.

Petition for sewers in the alley between Fifth and Sixth, from Jefferson to Blair street, and alley between Second and Third street, from the west side of High street to the Willamette river, were referred to the sewer committee.

A remonstrance against moving the old Hall building from the corner of East Ninth and Oak streets was read and the chief of police instructed to order the work of moving it stopped, under the city ordinance regulating the moving of such structures.

The council will meet again Monday night.

Before the forenoon session adjourned a resolution favoring equal suffrage was unanimously adopted.

Convention Notes.

The public reception will be held this evening in the armory pavilion. The band will play a few selections. Mayor Matlock will deliver the address of welcome on behalf of the city and Judge L. T. Harris on behalf of the Commercial Club. Masters of county granges will also speak and the response will be made by State Master Buxton.

An interesting feature of the evening will be the distribution of roses to all of the delegates by 16 little girls, who will march into the pavilion and hand a bouquet to each one.

The Commercial Club has arranged with the Portland, Eugene & Eastern Railway Company for free transportation over the streetcar line, each one being presented with a pass good during their stay in the city. They may ride on the cars at any time while here.

Eugene Palmer, who is one of the leaders of the leaders against the University appropriation, was heard to remark this morning that the Grangers will always retain a warm spot in their hearts for Eugene on account of the hearty reception they have received, for the manner in which the city is decorated in their honor, and for the many courtesies received while here.

The visitors were more than delighted with the street illumination last night and equally well pleased with the decorations of flags and pennants today. The illumination is seldom equaled outside of cities of Portland's class.

History of the Grange.

The scheme for the organization of the Grange, or Patrons of Husbandry, was devised and formulated by William Saunders and publicly announced on August 5, 1867. Mr. Saunders was then superintendent of the United States government gardens and conservatories in Washington, D. C. Having occasion to visit Western New York, Ohio and other Middle Western States, he took with him the ritual and plan of work under the first degree, which had been formulated in Washington, and interested five others in the new order. Later in the autumn, the work of the second, third and fourth degrees was formulated, and the name Patrons of Husbandry given the order. At Washington in December, 1867, nine persons, who had taken the four degrees, met and organized the National Grange. The constitution provided for the admission of women to membership, and also for the election

COURT SAYS OREGON MAY COLLECT TOLL

Guard Special Service. Salem, Or., May 12.—The supreme court has decided against the Portland General Electric Company in the Oregon City locks case by reversing the circuit court decision against the state. This decision means that the state can collect tolls for the period from 1895 to 1904, with ten per cent interest thereon.

NEW PRINCIPAL FOR CENTRAL SCHOOL

The teachers' committee of the Eugene school board met last night for the purpose of selecting a principal for the Central school to take the place of Prof. W. C. Lyons, who has resigned. After considering the applications of many, that of Charles W. Wester was accepted. Mr. Wester is known in Eugene, he having visited here several times as a guest of his father-in-law, Attorney A. E. Wheeler. He has just finished a two-years' post-graduate course at the University of California. Miss Margaret Tiffany has been engaged as additional teacher for the grade schools with a room in the basement of the high school.

of four ladies as officers, to be designated as Ceres, Pomona, Flora and lady assistant steward. The chief objects of the organization were stated to be the "promotion of unity and co-operation among the tillers of the soil, and the diffusion of a higher measure of intelligence and culture." Seven years later there were reported about 22,000 granges, with a membership reaching up into the hundreds of thousands. At the present time the membership perhaps reaches three-quarters of a million. The laws governing the order in essential matters originate in the National Grange, from which, also, emanate the charters of all local, county or state granges.

Why Overheat Yourself?

Much of your summer pleasure depends upon having a cool and comfortable kitchen. Why not be prepared for hot days before they come? Ask your dealer to show the New Perfection Wick Blue Flame Oil Cook-Stove. It's a wonder. Does the work of your big range in every particular, but has this great advantage over it, that it never heats the kitchen. The
