

Made in New York

THE chief difference in style between real New York clothes

and other Clothes, is the difference between this Season and last Season. And Style is one reason why we sell "Benjamin" Clothes. The other reason is that, — dollar for dollar, — they represent the greatest value.

AMUSEMENTS

Mrs. Temple's Telegram at the Eugene theatre tonight, is a farcical play in three acts written by Frank Woods and William Morris. The vaudeville acts brought about the success of the efforts of Jack Temple to convince his wife that the night previous to the beginning of the play he had been imprisoned in a loft car on the Ferris wheel and compelled to remain there until morning. When she refuses to believe him he determines that so long as she expects him to lie, he will, and he tells her that in point of fact he spent the night at the home of a friend after they had missed the last car. When she asks the name and address of the friend he manufactures both. The man's name is John Brown and he lives in Pickleton-on-the-Thames. The wife thereupon visits John Brown and asks him to call; husband discovers telegram, confides secret to best friend, who happens in and agrees to impersonate Brown. This arrangement progresses satisfactorily until the real Brown appears, and a real Mrs. Brown and later it transpires that the lady who had been locked in the Ferris wheel car with Temple was none other than the wife of his friend. The usual third act explanations clear up the tangle. No farce in recent years has been acclaimed so emphatically a success as this merry message of mirth. A competent cast headed by Wm. Bernard is responsible to a large degree for the enthusiastic reception that this farce is being nightly accorded. A laugh for every minute is the way the management characterizes this funmaker, and it seems to be the sentiment of the majority of those who have witnessed the performance.

INFLURATED PIG HOLDS CAPTIVE AUTO ENTHUSIAST

Imprisoned by an infuriated pig, with but the frail protection from his maddened prey of a light runabout, which was unmanageable because of another pig clogging the gears, was the thrilling experience of a prominent Medford motor-car enthusiast, who was enjoying a spin on the Ashland road Sunday with his new car. Only by the timely arrival of some of his friends in other cars, to whom he had previously given the dust, was he saved from a personal encounter with the terrible beast.
The pig was running in mad circles about the car, infuriated by the squeals of its mate, who was being crushed to death by the machinery, owing to the inadvertence of the driver of the machine. Together with his wife, the owner of the car was held captive in momentary danger of personal injury. When his friends appeared on the scene, by force of superior numbers, they were able to rescue him and release the runabout from the pig which blocked it.
The rescued man, who had known no bounds, and after profuse thanks he continued on his way, a "sadder, but a wiser man."—Medford Tribune.

DAN KELLY DOES BETTER WORK NOW

New York, May 13.—Dan Kelly, the world's champion sprinter, is back in form. Word reached this city from Philadelphia yesterday that the Western boy in practice ran the 100 in 19 seconds, and made a leap of 24 feet in the broad jump.
For the short time that Kelly has been under the care of Trainer Mike Murphy he has made wonderful strides toward the goal in both the sprints and broad jump, and the veteran trainer is not a bit backward in saying that when the proper time comes the Oregon boy will uphold his reputation as the world's champion.
As a matter of fact Kelly has been by no means showing his heralded form in either the sprints or broad jump, but if there is anything in the boy, Murphy will bring it out.
The news that Kelly is rounding into shape has been received with delight by his followers in this city. There have been not a few who thought the boy was not all he was touted to be.

BIG GOLD STRIKE NEAR GRANTS PASS

Grants Pass, May 13.—Three second hand dealers of Grants Pass, Robert and Benjamin Harrison and C. C. Jones, have taken out over \$30,000 worth of gold from a claim in the Williams creek district within the last 20 days. On Easter Sunday they took out about \$7000 worth of the metal, and last Thursday the day's cleanup amounted to 60 1-4 pounds of pure gold.
It is thought to be the richest strike that has ever been made in Oregon. For the last week the men have been averaging \$500 a day with their pans. Robert Harrison says that they have sunk a shaft and that \$100,000 worth of the metal is in sight.

EASY TO CURE CATARRH. Just Breathe In Hyomel, the Dry Air That Kills The Germs.

You can do exactly what G. J. Storers did by using Hyomel. Read this:
"After having suffered from chronic catarrh for years, for which I tried various remedies without success, I became almost discouraged. After reading about Hyomel, I decided to make one more effort to rid myself of the dread disease, and to my great delight I found the use of two bottles of the inhalant sufficient to produce a complete cure. I now take pleasure in recommending this remedy to all sufferers from catarrh."—G. J. Storers, Crown City, Ohio.
We don't simply say that Hyomel will cure catarrh but we say that Hull's Red Cross Drug Store guarantees it to cure catarrh, or I money back. He does more—he guarantees it to cure asthma, bronchitis, hay fever, coughs and colds. A complete Hyomel outfit, including inhaler, costs only \$1.00 and extra bottles, if you afterwards need one, will cost but 50 cents. Hyomel is a pleasant dry air treatment. You just breathe it in, and it passes over the inflamed membrane, it kills the germs of catarrh, and allays all inflammation.
