

CATARRH A SERIOUS FAR-REACHING BLOOD DISORDER

Even in its early stages Catarrh is almost intolerable, caused by the stuffy feeling in the nose, the buzzing noises in the ears, the continual "hawking and spitting," difficult breathing, etc. But when the blood becomes thoroughly polluted from the catarrhal matter, the inflammation extends to the bronchial tubes, causing hoarseness, and often an aggravating cough; the stomach is affected, resulting in dyspepsia, loss of appetite and strength, and gradually all the mucous membranes of the body become diseased and the system upset and deranged. Frequently the kidneys and bladder are attacked, and the constant passage of impure blood through the lungs, diseases these important members, and Catarrh terminates in Consumption. Catarrh is a deep-seated blood disease, and must be treated constitutionally, for it is beyond the reach of local treatment. S. S. S. cures Catarrh by cleansing the blood of all the impure catarrhal matter and at the same time building up the entire system. It goes down and attacks the disease at its head, in the circulation, and removes every trace of the impurity that is causing the trouble. Then as rich, pure blood circulates through the body, the inflamed membranes commence to heal, the mucous discharges grow less and finally cease, and all the disagreeable and disgusting symptoms of Catarrh disappear. S. S. S. has no equal as a cure for this disease. It refines and purifies the entire circulation and repairs the damage done by Catarrh. Special book on Catarrh and any medical advice free. MANEUVERS FOR THE OREGON NATIONAL GUARD

STATE TROOPS GO INTO CAMP AT AMERICAN LAKE AUGUST 3 WITH REGULARS—MILITARY OPERATIONS ON A LARGE SCALE PROJECTED THIS YEAR

Portland, May 19.—The Oregon National Guard will participate with the regular army in the coast defense and field maneuvers at American Lake early in August. Official advices to this effect and orders assigning the troops which will take part were received yesterday morning by Adjutant-General W. E. Finzer from the war department.

The official communication is signed by Acting Secretary of War Robert Shaw Oliver, and sets forth that the Third and Fourth Oregon Infantry regiments and a detachment of the hospital corps are expected to go to American Lake August 3 and remain there for the maneuvers until August 12, a period of ten days. The communication is as follows:

War Department, Washington—Sir: Referring to the fact that congress has appropriated funds for joint army and National Guard maneuvers during the fiscal year 1908-09 and to previous correspondence with you in regard thereto, the following organizations of Oregon have been invited to participate in the encampment of troops of the regular army at American Lake, Washington, from August 3 to 12. The adjutant-general, Third and Fourth regiments of Infantry, detachment of hospital corps. Attention is invited to the enclosed notes for the guidance of officers:

Organizations should arrive at camp fully armed, uniformed and equipped for active duty in the field and should include in their equipment such tentage and camp equipment as is necessary for all camping purposes.

Correspondence with reference to the execution of the details of the movement of the state troops from their home rendezvous to the instruction camps, their pay, accommodation, subsistence and instruction at the camps and provision for their return trip from the camps to their home stations should be conducted by the state authorities directly with the adjutant-general, department of Columbia, Vancouver Barracks, Washington.

The maneuvers this year are to be the most active of any yet held, according to the memoranda sent out by the war department some time ago. More attention is to be given to regimental, battalion and company field work and less to the brigade and division, although several days will be given up to the larger formations. Heretofore the greater share of benefit has gone to colonels and brigadier-generals, but the majors, captains and lieutenants will be more on their own resources this year. Oregon will have about 1100 men in the field.

THE STRENUOUS LIFE

Pulls So Hard on the Stomach It Must Have Help

The stress and strain of the strenuous life in both city and country makes stomach troubles. Five people suffer today where one did ten years ago with sick headache, dizziness, flatulence, distress after eating, specks before the eyes, bloating, nervousness, sleeplessness and the other symptoms of indigestion.

All who are suffering with stomach troubles, and that means at least two out of three in Eugene and other towns, should use Mi-o-na stomach tablets. Nothing else is as safe, yet effective; nothing else can be so thoroughly relied upon to relieve all troubles from indigestion as Mi-o-na. So reliable is Mi-o-na that the Red Cross Drug Company, with every 50-cent box they sell, give a guarantee to refund the money unless the remedy cures.

MAY TAKE SPECIAL TRAIN TO ALBANY

The promotion department of the Commercial Club this morning received a letter from B. L. Dusen, manager of the Albany Commercial Club, urging the Eugene excursionists who are to visit Albany in May 29, to arrange to come earlier in the day than on the evening train which arrives there about 8 o'clock. The State Rural Letter Carriers' Association meets in Albany on that day and it is desired by the Albany people to have as large a crowd as possible in town then. The matter of securing a special train for the trip will at once be taken up by the local club, and President Williams will appoint a committee to secure the necessary number of persons required for a special train—135. The first committee refuses to serve for the reason that all the members are contemplating going to Seattle to see the battleship fleet.
