MOORES WILL PROBABLY NOT RUN AGAIN

Gordon Moores will in all probability not run on the 'varsity track team again. This week he hurt his leg again where he split it a month ago, and as a result he will not be able to don the spiked shoe tomorrow on Kincaid field against his old foe O. A. C. Moores graduates in June, after one of the most brilliant athletic careers. Just how heavy his loss will be tomorrow is a question, for he was unable to accompany the track team to the Inland Empire, and the team was so balanced that his absence was slightly felt. However, there is no doubt but that Moores in his events was certain of his places over any man in the Northwest.

A young lady residing on East Tenth street had rather a peculiar experience last evening. She was in the living room of her home studying when she heard some one on the front porch. Going out presently and turning on the hall light, she saw a woman run off the porch and across the lawn to the sidewalk. The young lady then noticed that her rubbers, which were left on the porch, were missing, and going out to the walk she saw the woman, still running, and one of the rubbers was left on the walk, she evidently being unable to get that one on her foot in her haste.

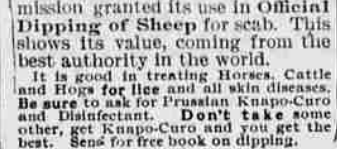

Tying her sunbonnet under her chin, She tied her raven ringlets in; Then to the store she went with glee For Hollister's Rocky Mountain Tea. Lina Drug Co.
