

MICHIGAN MAN IS SIX TIMES MURDERER

South Bend, Ind., May 22.—James Brimmgstall, aged 40, is under arrest at Dowagiac, Mich., charged with six murders. The police say he has already confessed to two and the authorities are confident he will admit the other crimes. His arrest followed an alleged attempt to make his wife the seventh victim, but she escaped and appealed to the police. The police say the prisoner has confessed to killing a man in Kansas and after ten years' imprisonment he was released and killed a companion, for which he got three years. He gave no names, but the list of Brimmgstall's victims is, according to the police officers: Man in Kansas, name unknown. Two men, Sleeping Ten, Mo., names unknown. David Huff at Dowagiac, June, 1907. Smith Hotlum, at Dowagiac, February, 1907. It is alleged that he killed Huff to obtain possession of his property, which had been deeded to Brimmgstall on condition that he care for Huff the rest of his life. Hotlum's body was found frozen in the ice in a nearby stream and his man-stealer connect Brimmgstall with the crime.

OREGON WINS ANNUAL MEET FROM FARMERS

VARSITY MEN VICTORS IN CONTEST THAT LOOKED FOR SOME TIME LIKE O. A. C. TRIUMPH—HUSTON RAN 100 YARDS IN TEN FLAT FOR FIFTH SUCCESSIVE TIME—BIG CROWD AND FINE WEATHER

FINAL SCORE

O. A. C.	55
Oregon	67

A big crowd, beautiful weather and a close contest until near the close were features of the annual field meet on Kincaid field between the University of Oregon and Oregon Agricultural College track teams this afternoon.

At the conclusion of the regular events Oliver Huston, Oregon's crack sprinter, ran an exhibition 100 yards, making it in 10 seconds flat, for the fifth consecutive time.

For the fourth time in two weeks Oliver Huston ran the 100 yards in 10 seconds flat. Moon, of Oregon, was no close behind him that he almost tied. In the half mile Davolt, of O. A. C., won handily.

Oregon failed to get all the points she expected in the quarter, though Lowell, of Oregon, won second place after a pretty race from the fall end. Excitement reigned during the meet, O. A. C. taking the lead in points almost from the first, with the Oregon men fighting gamely in every event. Oregon, however, won the most points in the broad jump and 220-yard dash, Moon beating Schroeder.

The mile race was the prettiest race of the day, there being some pretty jockeying. However, Davolt, of O. A. C., barely beat May, of Oregon, by two feet. Slevers got third. The time was 4:43.

Summary of Events. High Jump—Chapman, Farnsworth and Lounsbury, all of O. A. C., tied. Height, 5 feet 4 1/2 inches. 440-yard run—Greenhaw (O. A. C.), first; Lowell (Oregon), second; Sleவர் (O. A. C.), third. Time, 52 seconds flat.

Half mile—Davolt (O. A. C.), first; Dodson (Oregon), second; Downs (Oregon), third. Time, 2:02 1-2.

100-yard dash—Huston (Oregon), first; Moon (Oregon), second; Scott (O. A. C.), third. Time, 10 seconds flat.

Shot put—Wolf (O. A. C.), first; 42 feet 2 inches. McIntyre (Oregon), second; 41 feet 4 inches. Lounsbury (O. A. C.), third; 39 feet 8 inches.

Broad jump—Kaykendall, Oregon, first; Lounsbury (O. A. C.), second; Chapman (O. A. C.), third. Distance, 22 feet 5 inches.

220-yard dash—Moon (Oregon), first; Schroeder (O. A. C.), second; Roberts (Oregon), third. Time, 22 1-5.

120-yard hurdles—Kaykendall (Oregon), first; Huston (Oregon), second; Brodie (O. A. C.), third. Time, 16 1-5.

500-yard run—Davolt (O. A. C.), first; May (Oregon), second; Slevers (Oregon), third. Time, 4:42.

Hammer throw—Hall (O. A. C.), first; Zacharias (Oregon), second; Gardner (Oregon), third. Distance, 136 feet 6 inches.

Pole vault—Moulton and Kaykendall (Oregon), tied. Distance, 16 feet 6 inches.

MRS. GUNNESS AND HER THREE CHILDREN. This is a portrait of the Indiana murderess and her three children, whose bodies were found in the ruins of her house. The one feature of the wholesale murders charged to the woman that baffles the detectives is the fate of these children. They are loath to believe that the woman actually killed the children in order to make good her own escape. The fact that their bodies were found in the ruins of the house lends the strongest color to the belief that the woman died with them.

GOVERNOR JOHNSON SPEAKS AT RICHMOND

Richmond, Va., May 22.—Governor John Johnson, of Minnesota, was the principal speaker at a banquet of the National Cotton Manufacturers' Association here last night. He spoke of the necessity of a better national banking system, the improvement of waterways, and government control over railroads. In summing up he said: "The right solution of these problems and the right establishment of these reforms—and they will never be settled until they are settled right—are national questions which the North, the South, the East and the West are like interested in, and must engage shoulder to shoulder. West and South, North and East, we are bound together, not only by industrial and commercial ties of internal development, and by the patriotic ties of a common union, but we are united in the cause of making this nation one of the greatest powers for peace and commerce and freedom on the high seas, and the true spirit of American conquest, as voiced by the rank and file of the American people in the fields and shops and homes regardless of political parties, is not that of the battleship or the club of might, not that of bribing tariffs and hostile taxed penalties upon the pursuits of the peace and rights of trade, but that of a steady and determined progress in reducing, ameliorating and eliminating these institutions and agencies of ancient custom and still more ancient prejudice, and thereby extending and expanding the guarantees of American freedom, the influ-
