RHODODENDRON FIESTA AT FLORENCE A BIG SUCCESS

L. E. Bean and W. W. Calkins returned on last night's stage from Florence, where they attended the rhododendron festival Wednesday, May 20th, and incidentally looked after their political fences in that vicinity. They report the festival a splendid success, the weather being pleasant, rain falling on the day previous and the day afterward, but none on that day. The rhododendrons were at their best and the town was lavishly decorated with them. The streets were fitted up in a splendid manner for the occasion and the people of the little seaport city did themselves proud in making the affair a success. Miss Laura Johnson was crowned Queen Rhododendron by Joaquin Miller, the Poet of the Sierras, who was there with his brothers, Geo. Melvin Miller, of Eugene, and James Miller, of North Yakima, Wash. The mayor of the city made a very pretty speech as he presented the keys of the city to the queen, and Miller spoke on rhododendrons. John Hartog, manager of the Eugene Commercial Club, made the principal address of the occasion, which is highly spoken of by those who heard it.

THE STRENUOUS LIFE Pulls So Hard on the Stomach It Must Have Help

The stress and strain of the strenuous life in both city and country makes stomach troubles. Five people suffer today where one did ten years ago with sick headache, dizziness, flatulence, distress after eating, specks before the eyes, bloating, nervousness, sleeplessness and the other symptoms of indigestion. All who are suffering with stomach troubles, and that means at least two out of three in Eugene and other towns, should use Mi-na stomach tablets. Nothing else is as safe, yet effective; nothing else can be so thoroughly relied upon to relieve all troubles from indigestion as Mi-na. So reliable is Mi-na that the Red Cross Drug Company, with every 50-cent box they sell, give a guarantee to refund the money unless the remedy cures.
