

GOOD BLOOD

PURE'S PROTECTION AGAINST DISEASE

The preservation of health and prevention against disease is almost dependent upon pure, healthy blood; every organ, tissue, nerve and cell of the body draws on this vital fluid for nourishment and strength. Humors and germs from various sources often get into the blood, and this great life-stream becomes a source of infection and disease. A nourishing, health-sustaining fluid, Heredity is likewise an important factor, regulating the quality of the blood. Some persons are born with tainted blood from diseased ancestry, and Scrofula in one of its dangerous forms is sure to crop out some time in life. Not only poisons in the blood are possible for disease, but when the circulation is run down and becomes weak in quality, then we see the effect in a general bad condition of the system, such as weakness, sallow complexions, boils, and various skin troubles. All blood troubles require a tonic and blood purifier, and none other equals S. S. S. It goes down to the very foundation of the trouble, and removes every particle of the poison or impurity from the blood. And not only does S. S. S. antidote the poisons, humors and germs, but it possesses health-giving, tonic properties, which build up and strengthen weak, impoverished blood, and fortifies the system against Rheumatism, Catarrh, Sores and Ulcers, Eczema, Tetter, and all other skin diseases and disorders. Book blood and any medical advice free.

University of Oregon News

The track team of the University left last night for Seattle where they will meet the teams of the University of Washington and Idaho in the biggest triangular track and field contests of the year. The team expects to beat its opponents, and goes with the ambition of taking more points than both of its rivals added together.

Manager Bean and Trainer Hayward took only twelve men, each college's entries being limited to that number. Stevers, the miler, and Reid, the quarter man, were dropped on account of poor condition. Those who went are Captain Kuykendall, Huston, Moon, Roberts, Lowell, Dodson, Moulten, Downs, May, McIntire, Gardner and Zacharias. The men should win points in their events about as follows: 100 yard dash, Huston, Moon and Roberts. 220 yard dash, Moon and Roberts, high hurdles Kuykendall and Huston, 220 yard hurdles, Roberts and Huston; pole vault, Moulten and Kuykendall, broad jump, Kuykendall and Huston; high jump Moulten; quarter, Lowell; half mile, Dodson and Downs; mile, May and Downs; discus, McIntire and Zacharias; hammer throw, Zacharias and Gardner.

Huston will attempt to run the 100 yard dash again in ten flat, for the sixth consecutive time. Moulten may try again for the college record in the pole vault, held by Hecker, but it is not likely that any other record breaking performances will be attempted.

Manager Bean spent Thursday in Portland. The team was accompanied by Manager McEwen of the football team and Harvey Stackpole. Another Meet.
The University of Oregon is considered the probable winner of the coming P. N. A. track meet to be held on Multnomah field June 6, under the auspices of the A. A. U. According to track experts the varsity will take first place, the Olympic Club of San Francisco second, and the Multnomah Club third. Multnomah will pin their faith to Forrest C. Smithson, but he alone cannot hope to bring victory to Portland.

Entries are pouring in from all parts of the country and from present indications, the meet will be the greatest ever held on the coast. President Morgan of the games committee, has received entries from a number of high schools, including the Tacoma high school, Washington high school of Seattle, Seattle high School, Eugene, The Dalles and a number of others, while a large number who have not yet entered a team have announced their intention of being present.

Football and Schedule.
The biggest game of the football season in Eugene next fall will be the gridiron battle with the University of Washington. The game with Whitman will also be a close second in interest, for the Eastern Washington Congregationalists expect to have a winning aggregation. The annual game with Willamette University will also be played here, but it assumes, this fall the character of a preliminary.

The schedule, as a whole, is a very severe one and Coach Forbes and Trainer Hayward will certainly have their hands full if they keep their men in condition to play all the contests. It was largely on account of the hard schedule last year that Oregon lost to O. A. C. and there is some chance of a similar occurrence in some of the games the coming season.

The first hard game is with Idaho at Moscow on October 31, which is followed by the Whitman battle in just one week. Then Washington in Eugene, promises another grueling contest. O. A. C. comes the following week at Portland, and the annual Thanksgiving contest with Multnomah only five days after.

Correspondence Students.
Registrar Tiffany states that about 250 students are enrolled in the correspondence departments of the University, 175 of them being in the English departments and part of these and the remainder in the education and mathematics department. The largest per cent of those enrolled are teachers.

The outlook for next year is also good, for hundreds will take advantage of the chance to gain valuable knowledge practically free, at the cost of postage and books.

Ackerman Spoke.
On Wednesday morning Superintendent Ackerman of the public instruction in the state talked to a fair sized audience of students in Villard Hall. Mr. Ackerman is one of the most pleasing and interesting talkers in the state. He has also been doing much to help the "Varsity" in its fight.

Debate Tonight.
The championship debate of high schools of the state will be decided tonight in Villard Hall. One of the strange occurrences is that of the six participants five are girls. Astoria has the only boy. It is also said that many of the teams in the state were composed of the fair sex. If you want to judge whether it is brains or looks that give the feminine portion of the high schools such prominence, come out tonight and see. Admission 25 cents.

Monday Decides.
Request has been made in all the friends of the University to expend every effort in doing what they can to swing all the votes possible in favor of the University appropriation. Some Portland bankers of the institution have feared that part of the vote of even Lane county will go against the state university. In order for the people of Lane county to keep the confidence of the rest of the state, there should be very few "no" votes on the bill.

In a statement made to the public by the regents of the University, they say they will have difficulty in convincing the University next fall, if the appropriation bill fails.

ASK BUSINESS MEN TO CLOSE STORES

APPEAL FROM COMMANDER OF G. A. R. TO OBSERVE NATION'S DAY OF MOURNING

To the Business Men of Eugene: Saturday, May 23, is Memorial Day—a day set apart by a grateful people to do honor to the memory of the brave men whose sacrifices have perpetuated for all time the principles upon which our glorious government is now firmly and forever established. Memorial day is not now a day only for honoring our soldier dead, but a day which is now recognized and honored by all our people in paying tribute to the memory of all the loved ones who have gone on before year by year. The beautiful sentiment of decorating the graves of all our beloved dead with the most fragrant of nature's springtime blossoms is becoming more widely observed by all the people of our great nation, and in order that each and all may have a proper opportunity of conforming to this beautiful custom, J. W. Geary Post No. 7, G. A. R., respectfully asks our business people to close their places of business at 9:30 a. m. on that date and remain closed the balance of the day.

C. H. BAKER, Commander J. W. Geary Post.

TO WIN 'VARSITY NEEDS ONLY PLURALITY

In order for the University of Oregon to win its appropriation bill fight only one more vote will have to be obtained than is cast against the measure, contrary to a report current that a majority of all the votes must be cast for the bill in order for the "varsity" to win. University supporters fear that a large portion of the ballots of the state will not be cast on either side on account of a lack of interest on the part of the voters, but so long as they obtain the plurality they are safe. It is important, however, that the plurality be decisive.

RESIDENTS OF EAST ELEVENTH STREET ASKED TO DECORATE
The Commercial Club of Eugene will display decorations on Willamette street Memorial Day, May 30. We, the committee from the G. A. R. for Memorial Day arrangements, respectfully request the residents of East Eleventh street and all other citizens to display decorations on that day.

Very respectfully,
WM. SHERMAN,
W. J. BOWERMAN,
J. F. TRUE,
Committee.

NOTICE OF SALE OF WATER BONDS
Notice is hereby given that in pursuance of and in conformity to ordinance number 731, passed by the common council on the 5th day of May, 1908, and approved by the mayor on the 5th day of May, 1908, the common council of the city of Eugene will receive sealed proposals at the office of the city recorder in Eugene, Oregon, for the purchase of three hundred thousand dollars in water bonds of said city, or any part thereof, up to the hour of 7:30 p. m. Tuesday, July 7, 1908, and that said proposals will be opened and considered by the council at said time.

That the city of Eugene proposes to sell the said three hundred thousand dollars of water bonds to the highest bidder therefor in denominations of from one hundred to one thousand dollars, as the purchaser may desire; that said bonds are to bear interest at the rate bid, not to exceed 5 per cent per annum; said interest payable semi-annually on the first day of July and January of each year from their date until paid; that said three hundred thousand dollars of water bonds will become due and payable by the city of Eugene as follows: On the first day of January, 1948, principal and interest payable at a place to be agreed upon by purchaser and city.

That said bonds shall not be sold for less than their par value; that in addition to the general obligation of the said city, the said bonds when sold shall be a first and exclusive lien on all lands, rights-of-way, easements, water rights, pipe lines, structures and appliances of every kind composing the water system to be secured with the money derived from the sale of said bonds; that the common council reserve the right of re-jecting any and all bids.

That the said bonds will be issued and disposed of under and pursuant to the terms of the act, "To incorporate the city of Eugene, and to repeal all acts and parts of acts in conflict therewith," filed in the office of the secretary of state February 18, 1905, and the amendments thereto passed and enacted by the people of the city of Eugene on the 18th day of April, 1908.

A certified check of five per cent of the amount of each bid, payable to J. B. Matlock, Mayor, is required to accompany each bid.
This notice is published for 60 days in the Morning Register and Eugene Daily Guard, newspapers of general circulation, published at Eugene, Oregon.
Date of first publication, May 6th, 1908.
By order of the common council,
J. B. F. DORRIS, Recorder.
