DRESS-MAKERS

The nervous strain through which dressmakers have to pass at certain seasons of the year seems almost beyond endurance, and frequently brings on nervous prostration, fainting spells, dizziness, sleeplessness and a general breaking down of the feminine system, until life seems altogether miserable.

For all overworked women there is one tried and true remedy.

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

restores the feminine system to a strong, healthy, normal condition.

Mrs. Ella Griffin, of Park St., Canton, N.Y., writes to Mrs. Pinkham: "I was troubled for three years with female weakness, headache, pains in my side, and headaches. I was most miserable and discouraged, for doctors gave me no relief. Lydia E. Pinkham's Vegetable Compound brought back my health and made me feel better than ever before."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

THE GUARD FURNISHES BEST ELECTION BULLETINS

The Guard furnished the only complete bulletin service in Eugene on the election results last night and today, and large crowds gathered around the bulletin boards in front of this office all day today and last night, some staying up till the office closed at 2:30 o'clock this morning. This service has been the best ever furnished the Eugene public, and they appreciate the efforts of The Guard in giving them the latest and most complete returns.

Last night each polling place in the city was covered regularly by a special reporter, and at intervals the results of the count as it progressed were given. About 9 o'clock the returns from the county precincts began to come in, and the telephone lines radiating from Eugene in every direction were kept busy transmitting the count to this office as it was completed in each precinct. All day today the office phone has been more than busy receiving the returns and answering inquiries as to the situation. One man has been kept at the phone for the express purpose of answering inquiries and to receive the returns.

While large crowds continually thronged around The Guard's bulletin boards, it was noticeable that very few people have been seen in the vicinity of the meager bulletins posted by the morning paper.

G. A. R. POST THANKS CITIZENS OF EUGENE

GRATITUDE PUBLICLY EXPRESSED FOR ASSISTANCE IN OBSERVING MEMORIAL DAY

J. W. Geary Post, through its commander, desires to express to the citizens of Eugene its most sincere thanks for the many acts of kindness and courtesy extended to them on Memorial Day. Our thanks are especially due to the press of our city for the generous use of their columns for publicity of our arrangements, etc.; to the school children who participated with us and whose loving hands furnished so many of the beautiful flowers for the occasion, and who also so gladly assisted in decorating the graves of our departed comrades; to the Commercial Club for so kindly decorating Willamette street so profusely with Old Glory, our country's banner. Truly, it made the hearts of these old veterans beat a little more quickly because of this kindly consideration. To the officers and men of the O. N. G. and to all who in any way assisted in making this occasion one to be lovingly remembered by the members of the G. A. R. Our thanks are also especially due to the members of J. W. Geary Relief Corps for their assistance in all the exercises and for their unselfish labor in preparing and serving a bountiful dinner at G. A. R. hall to all old veterans, their families and friends. It is proper to state here that four hundred and ninety-four persons were furnished with a fine free dinner on this occasion. The annual visits by the G. A. R. to the schools this year were unusually interesting. Fine programs were arranged and beautifully rendered at all the schools by teachers and pupils. The fact is strongly in evidence that education along the lines of loyalty and patriotism at home and country is not being overlooked as a substantial part of the proper education of the children of our country. True patriotism marks for true unselfishness, honest, Christian citizenship, so let us all rejoice.

LONDON NEWS

(Special Correspondence.)
London, June 2.—Mr. and Mrs. J. W. Compton arrived here from Solo Friday.

Charles Barclay, of Alsea, who is enroute to Australia, is the guest of friends here for a few days.
Miss Alice Willis, of Cottage Grove, and Miss Sue Hurt, of Yoncalla, are here to spend the summer at the London Springs.

W. A. Elkins, of Cottage Grove, J. R. Kellems, Howard McConnell, J. S. Davis, Leon Myers, of Eugene, and S. E. Childers, of Milton, Or., were guests at London last Monday.

The picnic which is to be held Friday, June 5, will no doubt be a benefit to all who attend, both socially, mentally and financially. Besides, it will be a day of rest and recreation. The program will consist of several speeches on subjects in which we are all interested, also music and recitations. In the evening there will be a dance in the new tent, which is 24x50 feet, well floored and arranged at quite an expense by the young folks of the neighborhood. Don't say that we have not the time to spend at picnics or other social gatherings—for our failures in life are greatly due to us not taking time from our daily toils for amusements and gaining knowledge from the experience of others. Besides, the pleasure of meeting our old friends and neighbors and renewing our affections for each other—both old and young.

Don't forget the date, but all come and have a good time. You will never regret it.

COUNCIL PASSES ORDINANCE FOR MORE PAVING

More paving ordinances were passed by the city council at a special meeting last night, despite remonstrances from a number of property owners along some of the streets proposed to be paved. The ordinance covers the following: Olive street, from Fifth to Tenth; Fifth street, from Olive to Oak; Sixth street, from Olive to Tenth; Eleventh street, from Olive to Willamette; Oak street, from Seventh to Ninth. The width of the paving on Olive, Fifth, Sixth and Tenth streets was fixed at 42 feet; the width on Eleventh street was fixed at 34 feet; on Oak street at 38 feet. The ordinance was unanimously passed, and the recorder was instructed to advertise for bids.

The ordinance providing for the paving of the park streets was deferred, as the width of the sidewalk along the property side of the streets could not be definitely determined. The matter was referred to the city engineer and street committee to investigate and report an ordinance for paving same at the next meeting.

BILL HAYWARD TO STAY AT 'VARSITY'

FAMOUS TRAINER WILL PASS UP TEMPTING OFFERS FOR OREGON UNIVERSITY.

"I would rather stay with the state university at the salary I am getting as physical director than to go to any other college for more money."

This was the statement made the other day by William F. Hayward, the famous trainer of the University of Oregon track team, when asked whether he had concluded to accept several tempting offers that had been made him in the west. Bill, as he is known to every athletic follower on the coast, admitted that he had received three or four nice propositions from eastern institutions, but the veteran trainer will not go east if he knows himself.

Washington State was one of the colleges hot after Hayward, and made him an unusual offer last fall, but Bill paid little attention to it. However on the occasion of his visit to Pullman with the track team the other day he was again approached by Pullman students in athletic authority who urged him to accept the offer made.

But Bill likes Eugene and he will in all probability remain there another year at least. He is the idol of the collegians and mighty popular with the townspeople. Of course a great deal depends on the vote on the university appropriation bill. If the people agree with the arguments of the Linn County Grange and the college has to close its doors for want of financial support, Hayward will be compelled to beat it to some other place.

Hayward is the greatest trainer that ever came to this coast, notwithstanding the reputations achieved by "Dad" Moulton and Cristy, in the California colleges. He has A. C. Gilbert, the vaulting form that enabled him to break a world's record at Yale. He brought Dan Kelly from obscurity and made him the greatest sprinter in the world. For these two feats alone he should be become famous.

He has been extremely successful with young athletes. His freshmen at the University this year have been extraordinary performers, many times winning from veterans. If he remains at the university next year and has about the same bunch of men as this year there will undoubtedly be some new records made next season.—Portland Journal.
