STUDENTS HOLD CELEBRATION FOR BALLOT VICTORY

SPLENDID DAILY ON KINCAID FIELD LAST NIGHT—FIREWORKS AND SPEECHES FOLLOW PARADE FROM TOWN—NEARLY 2000 PEOPLE PRESENT

A parade, songs, yells, rosters' dances, fireworks, a great bonfire and speeches filled Eugene and the University with joy last night in celebration of the victory of the University of Oregon appropriation bill over the referendum. The girls of the college also took an active part in the celebration by forming a long line from Villard and parading to the grandstand, holding high over their heads Japanese lanterns.

The most beautiful part of the evening's entertainment was on Kincaid field from the time the long string of students fired the Roman candles until before the body of men closed in to listen to the speech-making. From a line 200 yards long three hundred of the candles flared into the heavens. Immediately afterward pinwheels burst from the center line, showering sparks like 200 newly broken electric circuits. In the benches the band played "America," the girls in the grand stand keeping time to the music by waving their glowing lanterns. As the bonfire burst a hundred feet into the air the whole student field seemed more wild to the onlookers, but as the whole body of people, perhaps 2000, with hats off, sang the wonderful patriotic song that has stirred so many millions, a still deeper feeling of thanks and reverence pervaded the whole gathering.

Before the rosters and onlookers gathered on Kincaid Field, the variety boys marched to the business part of the city, and headed by the faculty, some of the regents, and President Campbell, paraded to the football field.

President Campbell was the first speaker, and delivered the main address of the evening, full of thought for the future and thanks for the past. Other speakers were Regent S. H. Friendly, Representative Allen Eaton, Professor I. M. Glyn and Mayor J. D. Matlock.

While the University victory was prophesied and expected, the relief among the faculty and students is very great, for nearly every individual at the college was depending for future plans to a more or less extent upon the appropriation passing. The fight for the University has lasted from the opening of the legislature last year until last Monday—approximately a year and a half of ceaseless effort and expenditure by faculty, students, alumni and supporters.
