# Cockerline & Wetherbee's Great and Original

# Shopping Carnival

**N**OTHING like it ever put on anywhere. 'Tis a sale of complete astonishment from start to finish. From every point of view it will be the greatest shopping sensation in the history of Eugene and the entire Northwest—a strictly original high-class merchandising event of ultra importance to men and women of economic tendencies. From the first announcement in Wednesday's papers everyone seems to have been on the tiptoe of expectancy—you shall not be disappointed in one point. From present indications every town for 50 miles around will be well represented at this greatest of all sales. It is not our policy to have sales all the time, we have held but few and in this one we have eclipsed our former efforts and offer to the people of Eugene and vicinity the greatest bargain opportunity of the year. In a sale of this kind the best goods go first—be here sharp at 9 o'clock Saturday and get first choice. Remember the quotations here are merely hints of the many good things and surprises we have for you. Come—buy and save.
