

## What Stove for Summer?

Nothing adds to kitchen convenience in summer weather like a New Perfection Wick Blue Flame Oil Cook-Stove. Anything that any stove can do, and do it better. Bakes, roasts, boils, toasts; heats the wash water and the sad irons, and does it without dissipating its heat through the room to your discomfort. The

## NEW PERFECTION Wick Blue Flame Oil Cook-Stove

actually keeps the kitchen cool—actually makes it comfortable for you while doing the family cooking, because, unlike the coal range, its heat is directed to one point only—right under the kettle. Made in three sizes, fully warranted. If not with your dealer, write our nearest agency.

The **Rayo LAMP** affords a mellow light that is very grateful to tired eyes—a perfect student or family lamp. Brass, nickel plated, hence more durable than other lamps. If not with your dealer, write our nearest agency.

**STANDARD OIL COMPANY**  
(Incorporated)

## ASHLAND WENT FOR APPROPRIATION SEVEN TO ONE

An Ashland graduate of the University, in writing to The Guard on business matters, writes as follows concerning the way in which Ashland and Southern Oregon stood by the University by voting for the appropriation:

"I want to take occasion to call your attention for just a moment to a little thing which showed up quite nicely on the University of Oregon appropriation vote down here last Monday. Down here in Southern Oregon we have our own school, of which we are quite proud, and being close to the state line we are almost as near and we hear fully as much about the two big universities of our California neighbors. Nevertheless, there was no more popular measure during the election in our city than the University measure supporting the University of Oregon. When the vote was counted, Ashland turned out 7 to 1 in favor of the University.

"In comparing this showing with the showing made by some other counties north of Lane where they have their 'own schools' as well, it looks very good for this corner of the state, and the University people in this section are very much pleased with the showing. It indicates, does it not, that our people here are not altogether of the 'small' type?"

"We are all very glad to learn that the University appropriation is safe, and shall look forward with pleasure to the upbuilding of that institution, which should now come by leaps and bounds. The old Oregon spirit still hangs with those who have left the University campus long ago, and we are as much interested as ever that the present student body and the coming ones should have a good representation from Southern Oregon."

## NINE NEW BUILDINGS IN FAIRMOUNT

Nine new buildings are in course of construction in Fairmount, eight houses and one barn, all of which can be seen from any point of vantage. Most of the houses are substantial cottages, two out of the eight having been just finished. Fairmount has many fine homes, and with the grading of the streets during the last two years and the building of the street car lines, one of the best residence portions of the city is fast being developed.

## NEWS NOTES FROM BUSLTING SPRINGFIELD

L. M. Beebe has been elected manager of the baseball team for the season and Fred Yockey captain. Several games are scheduled for the season. A good line-up with the exception of one of two places has been secured and a good article of ball is promised the fans during the next few months. It is hoped that within a month the team will be thoroughly organized and the boys will be ready for daily practice. They will go to Coburg to meet the Glants next Sunday, and the following Sunday, June 14, a game will probably be played with Lebanon on the local grounds, as they are making a tour of this territory and have asked for a game.

Jim Stewart returned to Springfield Tuesday from a visit to Klamath Falls. He reports Mr. and Mrs. L. Jacobs, who were formerly in business in Springfield, as doing well there and says that they have let the contract for a fine two-story brick which will be 60x90 feet in dimensions. We are informed that Mr. and Mrs. Stewart will soon go to Klamath Falls to permanently locate. Jim thinks that there is a great future for that country.

Dr. VanValzah brought a sample of his alfalfa to town this morning which is about thirty inches tall and which he says will go for mtno to two and one-half tons to the acre. He says the crop will again be ready to cut in July, and if irrigated will furnish a third crop in August. The raising of alfalfa seems no longer an experiment in Lane county.

A large express wagon load of cut flowers were sent to Portland last Wednesday afternoon by the pupils of the Springfield school, which will be displayed at the floral fiesta, which will be held in Portland from June 1 to 6. A request has been sent out to many of the schools over the state to contribute flowers for the big rose show, among them being the Springfield schools, which of course responded very liberally.

Dr. R. A. Jayne is taking a needed rest this week at Hood River, going there to look after his land interests in that section and also take care of his large crop of strawberries that are now being harvested.

The Springfield Booth-Kelly mill is running a full crew of nine men now and times begin to look good again. Everything seems to be on the move, with no idle men. Everybody has employment.

A ball game between the locals and the Glants from Coburg was played at Springfield last Sunday, the score being 6 to 1 in favor of the home team.

Fred Weston, formerly of Wendling, has started a short order house in the old First Bank building. He is an old hand at the business and should do well.—News.

In connection with his cigar store, at 531 Willamette street. Those wishing help telephone Red 1421, or call at cigar store, 531 Willamette street.

### NOTICE OF SALE OF WATER BONDS

Notice is hereby given that in pursuance of and in conformity to ordinance number 734, passed by the common council on the 5th day of May, 1908, and approved by the mayor on the 5th day of May, 1908, the common council of the city of Eugene will receive sealed proposals at the office of the city recorder in Eugene, Oregon, for the purchase of three hundred thousand dollars in water bonds of said city, or any part thereof, up to the hour of 7:30 p.m. Tuesday, July 7, 1908, and that said proposals will be opened and considered by the council at said time.

That the city of Eugene proposes to sell the said three hundred thousand dollars of water bonds to the highest bidder therefor in denominations of from one hundred to one thousand dollars, as the purchaser may desire; that said bonds are to bear interest at the rate bid, not to exceed 5 per cent per annum; said interest payable semi-annually on the first day of July and January of each year from their date until paid; that said three hundred thousand dollars of water bonds will become due and payable by the city of Eugene as follows: On the first day of January, 1918, principal and interest payable at a place to be agreed upon by purchaser and city.

That said bonds shall not be sold for less than their par value; that in addition to the general obligation of the said city, the said bonds when sold shall be a first and exclusive lien on all lands, rights-of-way, easements, water rights, pipe lines, structures and appliances of every kind composing the water system to be secured with the money derived from the sale of said bonds; that the common council reserve the right of rejecting any and all bids.

That the said bonds will be issued and disposed of under and pursuant to the terms of the act, "To incorporate the city of Eugene, and to repeal all acts and parts of acts in conflict herewith," filed in the office of the secretary of state February 18, 1896, and the amendments thereto passed and enacted by the people of the city of Eugene on the 18th day of April, 1908.

A certified check of five per cent of the amount of each bid, payable to J. D. Matlock, Mayor, is required to accompany each bid.

This notice is published for 60 days in the Morning Register and Eugene Daily Guard, newspapers of general circulation, published at Eugene, Oregon.

Date of first publication, May 6th, 1908.  
By order of the common council,  
J. B. DORRIS, Recorder.
