Lester M. Nelson, of Naples, Maine, says in a recent letter: "I have used Dr. King's New Discovery for years for coughs and colds, and I think it saved my life. I have found it a reliable remedy for throat and lung troubles, and would no more be without a bottle than I would be without food." For nearly forty years New Discovery has been at the head of throat and lung remedies. As a preventative of pneumonia and healer of weak lungs it has no equal. Sold under guarantee at W. A.
