

THE VALUE OF PERSONAL KNOWLEDGE

Personal knowledge is the winning factor in the culminating contests of this competitive age and when of ample character it places its fortunate possessor in the front ranks of the world.

The Well Informed of the World.

A vast fund of personal knowledge is really essential to the achievement of the highest excellence in any field of human effort.

A Knowledge of Forms, Knowledge of Functions and Knowledge of Products are all of the utmost value and in questions of life and health when a true and wholesome remedy is desired it should be remembered that Syrup of Figs and Elixir of Senna, manufactured by the California Fig Syrup Co., is an ethical product which has met with the approval of the most eminent physicians and gives universal satisfaction, because it is a remedy of

Known Quality, Known Excellence and Known Component Parts and has won the valuable patronage of millions of the Well Informed of the world, who know of their own personal knowledge and from actual use that it is the best and best of family laxatives, for which no extravagant or unreasonable claims are made.

This valuable remedy has been long and favorably known under the name of—Syrup of Figs—and has attained to world-wide acceptance as the most excellent family laxative. As its pure laxative principles, obtained from Senna, are well known to physicians and the Well Informed of the world to be the best we have adopted the more elaborate name of—Syrup of Figs and Elixir of Senna—as more fully descriptive of the remedy, but doubtless it will always be called for by the shorter name of—Syrup of Figs—and to get its beneficial effects, always note, when purchasing the full name of the Company—California Fig Syrup Co.—printed on the front of every package, whether you call for—Syrup of Figs—or by the full name—Syrup of Figs and Elixir of Senna.

HIGH SCHOOL GRADUATING AT COTTAGE GROVE

The Cottage Grove high school graduating exercises were held at the armory last Saturday evening and were very largely attended. The stage was elaborately decorated in the class colors, white and gold, and white roses, the class flower, while the class motto, "Vincit qui se vincit," appeared in gilt letters across the front of the stage.

Following is a list of the names of the members of the high school graduating class: Ernest Wyatt, Charles Gates, Allen Baker, Hazel Hazelton, Inez White, Erika McGehee, Beulah De Spain, Belle Burkholder.

Rousing Celebration Assured.
That Cottage Grove will have one of the biggest Fourth of July celebrations in its history this year goes without saying, since the M. W. A. and W. O. W. camps have the matter in hand.

At a meeting last night a large sum of money was set aside for fireworks which will be displayed from the McFarland Hill.

Liberal prizes for sports have been provided and there will be something doing all the time.

Tickets in the voting contest for Goddess of Liberty will be placed on sale at the drug stores at 5 cents per vote Saturday, and there promises to be a spirited contest.

Another Two-Story Brick
Wednesday evening the city council granted F. B. Phillips permission to place building material on one-half of Main street in front of his lot on which he will soon begin building a modern two-story building with two stories on the ground floor. The building will be of solid brick with stone and plate glass front. The contract has been awarded to H. J. Clark, builder of the other bricks about town this season.

Back from California
W. H. Abrams and wife returned home from a visit to San Francisco Sunday, where they attended the grand reception tendered the Atlantic fleet and visited points of interest. They went as far south as Los Angeles, and visited the orange and lemon orchard belts of that district, witnessing with much interest the process of picking, grading and packing these fruits for market. They also enjoyed a voyage from Los Angeles over to Catalina Island, and on their return were treated to the not very pleasant sensation of a slight earthquake tremor. Mr. Abrams said his overcoat came in good use during the trip, even at Los Angeles and while they are glad to get back to Oregon they enjoyed their trip thoroughly.

Lodge Election
Bohemia Camp No. 269, Woodmen of the World, elected the following officers last Friday night: Consul commander, Dr. J. O. VanWinkle; advisor, Leonard J. John Veatch; enforcer, Charles Hambrick; watchman, H. Adams; secretary, J. H. Bartels; manager, Oscar Vaughn.—Leader.

DIED.
June 2, 1908, at Junction City, Christian Neilson, aged 5 years. He was the son of Mr. and Mrs. H. N. Bondker. Services were held at the Danish church Wednesday at 11 o'clock. The little boy had been sick nearly all his life, and death was a blessed relief from his suffering.

The infant daughter of Mr. and Mrs. H. L. McFadden, of Junction City, died May 29, 1908, and was interred Sunday.

MR. NURRE BUYS A WEBER GRAND PIANO
Henry Nurre, father-in-law of our popular councilman, J. F. Berger, has purchased of the Stevens & Hull Piano House, of this city, a large, handsome Weber Grand piano. The instrument arrived Thursday and is on display at the piano store. It is one of the finest pianos ever shipped to Eugene. This is the seventh fine Weber recently sold by Messrs. Stevens & Hull to local residents, the other recent Weber purchasers being Archie W. Livermore, City Attorney; L. E. Bean, Rev. P. K. Hammond, William Juddins, Mrs. J. W. Shumate and Forest Supervisor Clyde R. Seltz. Another fine Weber Grand is also in the home of T. G. Hendricks.

To the thoughtful reader this indicates a growing demand in our midst for the very best in art, and is a high compliment to the cultured, music-loving people of this city. Already Eugene has become known as one of the strongest and leading musical as well as educational centres in the state of Oregon. We are proud of Eugene and her people. 16

A NEW SCHOOL ORGAN
The Hayden Bridge school district now enjoys an up-to-date new school house, recently finished. The new supplies for the school include a fine organ furnished by the Stevens & Hull Piano House, of Eugene, a flourishing Sunday school is also maintained in the district, and a more united, harmonious district can not be found in Lane county. 16

JUNCTION CITY BEGINS WORK ON SCHOOL BUILDING

Work has already commenced on the new school house and it will be pushed rapidly to completion. The original foundation plans provided for a three-foot basement, but a number of our heavy taxpayers thought it should be at least seven feet, and Mr. Washburne and Mr. Millett each offered to donate \$50 toward the extra expense. The matter was taken up by the Commercial Club and a resolution was adopted requesting that the proposed change be made. The directors, therefore, feeling that such action would be ratified, have instructed the contractors to make the proposed change. This will give ample room for heating fixtures and also capacity for storing wood.

C. W. Washburne has let the contract to H. V. Johnson for the construction of a building 74x100 feet on Front street on the block north of the hotel block. This building will be used for a skating rink and will have a maple floor. A bowling alley will be built on one side of the building and an office will be partitioned off in front. It will be sheathed with surfaced lumber with a square front. It is the intention to have the building ready by the Fourth of July and this will add another attraction for that day. We have not learned who will have charge of this sporting emporium.—Times.
