DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

MEMBERS OF SUNSET PARTY MARRIED

The Albany Herald of yesterday tells of the marriage of two members of the "Sunset" magazine party who were in Eugene several days last week, as follows:

"It was nearing the close of the day, perhaps 4 o'clock. "Old Sol" had been prodigal in bestowing life-giving rays upon men and things. All nature in and around Albany was bubbling over with an afflatus something akin to divinity. Yet there were those who could not see aught of this, still they were enthralled. One with the other, and, oh, well! it was this way: F. M. O'Maera, of Los Angeles, and Miss K. B. Shoen, of Seattle, entered that blissful state known as matrimony.

Mr. O'Maera is the field manager for the Sunset magazine. Miss Shoen was one of the staff. Mr. Jas. Murphy who is one of the party explains it this way:

"I noticed them when they began to throw in, and I could tell by their speed when they began to set up that they would cross the dead line early. When they made ready it was a sprint, after which the make up was done in a rush. I could see the earnestness in the lock up. Then I knew they were ready to go to press."

It is evident that Mr. Murphy is acquainted with the printing business.

The O'Mearas will be at home in Portland at the Portland hotel July 5. They are at the St. Charles in this city at present.

NO MORE SUITS TO RECOVER STOLEN LAND

Portland, June 9.—United States Attorney McCourt has denied the repor t that the government contemplates bringing further suits at this time to cancel patents to valuable timber land in this state. It had been rumored that suit would be filed against the Minneapolis Lumber Co. to recover about 10,000 acres of timber lands alleged to have been fraudulently acquired by that company in this state. The rumor was to the effect that the Minneapolis concern had operated in this state when the public lands were being seized by wealthy Eastern timbermen and by employing the same methods had obtained its full share of the spoils.

District Attorney McCourt says there are no such suits pending in this state, although he stands ready at any time to take steps to restore to the government all lands that have been stolen. The suit brought by District Attorney McCourt against C. A. Smith, the millionaire Minnesota lumberman, will probably be called at the July term of the federal court.

NEWS ITEMS FROM LOWELL AND VICINITY

(Special Correspondence.)

Lowell, June 16—The election was a quiet one, with a little more than the average vote cast.

Some of the Lowellites attended the annual picnic held at Pleasant Hill June 4.

There was a large funeral procession at the burial of George Young of Winberry. Rev. Mr. Callison, of Jasper, preached the funeral. The floral decorations were grand. There was a beautiful wreath of variegated flowers placed on the centre of the mound and another to the side, and then the mound was densely covered with flowers. Mr. Young discovered some time ago that he was afflicted with cancer, and every effort possible was resorted to for a cure, but the best of physicians pronounced it incurable and told him there was no chance for a cure. He bore his affliction with great patience, and talked of his approaching death to his family and relatives. He was loved by his neighbors and had many friends. He leaves a wife and three children, two girls and one boy, to mourn his loss.

We are informed that Mr. Rankin, with his crew of surveyors for the Oregon Eastern railroad, is on his way to Hazel Dell to finish the survey between here and Waldo Lake. This is good news and will liven up things among the people from Lowell to Hazel Dell, as the logging camps along the river have already closed down.

The Rush Island school closes on Thursday, the 11th, with a program. Miss Martha Howard is teacher, she having taught two terms and being a careful and efficient teacher, it is hoped she will return in the future for another successful term.

Dalt Gulley has purchased an interest in a restaurant in Eugene and is disposing of his stock and implements preparatory to moving to Eugene in the near future.

The B.-K. log drive leaves Rush Island the 12th for Springfield.
