REMODELING SALE

Plans have been drawn, contract let and material ordered for one of the finest, most modern plate glass fronts in the Willamette Valley. Workmen will begin tearing out the old front in a few days. This will necessitate the remodeling entire interior of store.

On Saturday, Booster Day, or Market Day, our doors will open with a grand remodeling sale and goods will be marked at prices to sell and thus avoid moving them about. Prices will be unmercifully cut. Every article listed below is a "mark down" from the regular price and in many cases goods are reduced greatly below cost of manufacture. We are determined to rid our shelves of every article possible and will continue this sale during the remodeling period which will continue about 30 days.
