SPECIAL SALE OF CITY LOTS FOR MARKET DAY

On June 20 (Market Day) I will offer the following special bargains:

Lots 6 and 7, fronting on Fairmount Boulevard, and north half of lot 15 and lots 16, 17 and 18, south half of lot 19, fronting on Walnut avenue, all in block 10, Fairmount, according to the amended plat. These are all very choice lots, now ready for building, and no filling needed as they occupy elevated ground.

Walnut avenue is 80 feet wide, graded, gravelled, ornamented its entire length with growing walnut trees, and is the leading drive to Hendricks' Park. Fairmount boulevard is 80 feet wide, has beautiful maple trees its entire length, and is recognized as the most beautiful driveway in the state.

This property is only one and one-half blocks from the electric line as now building, and only four blocks from present car terminal. It is the vacant property immediately south of residence No. 927 on east side of Walnut avenue and west side of Fairmount.

The last sale made on Walnut avenue, Wheeler to Berkshire, brought $5 a front foot, but as I am authorized by the non-resident owner to close out this property at once, it will go Saturday at $3 to $4 per front foot—20 to 40 per cent below its market value. It will be sold in half lots with the privilege of more at the same rate. Terms: One-third cash, balance in one year at 6 per cent interest. Abstract title. Free carfare to bona fide buyers.
