MEDFORD STAYS WET BY ORDER OF JUDGE HANNA

Medford, Or., June 19.—Judge H. K. Hanna this morning sustained the former order enjoining the County Court of Jackson County from declaring the City of Medford dry under the state law as a result of the county having cast a majority in favor of prohibition at the recent election. In his decision the court practically decided that the late election was nullified, as far as this county is concerned, and that the county court will be sustained in authorizing the licensing of saloons in all precincts which voted in favor of saloons two years ago, regardless of the last election.

In effect, the Medford charter is held good as opposed to the state law. The demurrer filed in the case by Mr. Colvig, counsel for the prohibitionists, will be argued before the court tomorrow, and if taken to the Supreme Court, where the matter, being such as affects public welfare, it is hoped an immediate hearing can be had.

It is evident that a long legal contest will ensue. The prohibitionists being now before the court in the contest, no effort will be lost to affect their ends. It is evident today that it will be impossible to enact an ordinance by the present city council to close the saloons under the city charter. The recent licenses issued with the understanding that they would be revoked in case the county was declared dry, will now run until the action of the Supreme Court in the matter.

The county court adjourned until June 30, but there will be action when it reconvenes.
