FIRE SWEEPS NORTHERN PART OF MICHIGAN

Detroit, June 21.—Fires in Northern Michigan forests, fanned to great proportions by the gales of the last two days, have destroyed at least three villages, rendered hundreds homeless, swept over thousands of acres of timber land and caused damage estimated at about \$300,000.

The heaviest loss has been sustained in Presque Isle and Cheboygan counties, although Lelanau, Charlevoix and Otsego have also suffered.

In many towns today lamps were lighted, as the sun was obscured by the heavy smoke.

The village of Case in Presque Isle county was destroyed by fire today. A special train conveyed the homeless villagers to Onaway, where they were sheltered tonight.

Legende, a little town in Cheboygan County, was also abandoned to the flames tonight. Many women and children were taken in wagons to Indian river.

While a big fire at Wolverine today was being fought, a forest fire threatened another section of the village. While the Wolverine department was engaged a call for aid was received from Rondeau, three miles north.

The firemen could not leave Wolverine and Rondeau was at the mercy of the flames. A hotel, several stores and homes and the Michigan Central station were burned.

In Lelanau County a great fire raged near Fonce. All night the glow of the fire could be seen at Traverse City, twelve miles away. Several farm buildings were destroyed and Fannett's big lumber yard was wiped out. Much valuable timber was burned.

CHERRY BROTHERS BEGIN BUILDING IN A FEW DAYS

It has been announced time and again that Cherry Brothers will build a handsome two-story brick or concrete block on their lot at the corner of Seventh and Willamette streets, but several times it has also been announced that the project had fallen through for the time being. However, it has been definitely decided to go ahead with the work and excavation for the building will be commenced within a few days, perhaps this week. A good tenant has been secured for the lower floor of the building and as the rooms on the second floor are to be modern and convenient there will be no trouble in filling them up, as good office rooms are said to be in demand. W. T. Campbell has the plans for the structure all complete.

Portland, Ore., June 22.—An accident to the machinery at the Cazadero power plant of the Portland Railway, Light & Power Company early yesterday morning caused the complete wrecking of the station, entailing a loss of \$110,000. Flying pieces of hot metal and burning insulation set fire to the building, destroying inflammable parts of the structure. Two operators who were on duty at the time had a miraculous escape from instant death.

The three big water wheels "run away" one after the other, the operators to which they were coupled, flying in pieces and wreckage from each machine in turn disabled the next water wheel. Huge parts of the monster dynamos were hurled through the brick walls of the station and through the iron roof.

Although the two operators on duty were right in the midst of the flying wreckage, they escaped without a scratch. A pile of machinery, weighing two tons, tore the east side of one of the men, afterward boring its way through the brick wall of the building.

MEMBERS OF PAPER COMBINE ARE FINED

New York, June 22.—Twenty-four companies manufacturing manila wrapping paper, were fined \$2,000 each by Judge Hough in the United States circuit court today. They pleaded guilty to maintaining an illegal combination.

Mortimer J. H. Jackson had charge of the car.

The baseball game which was to have been played this afternoon between the alumni and the seniors of the University was called off on account of the bad condition of the grounds, caused by the rains of the past few days.

Marriage licenses were issued today to the following: Haven V. Belknap, aged 26 years, and Miss Kathryn V. Milliron, aged 22, both of Junction City. James C. Kirk, aged 24 and Miss Tina C. Boeman, aged 19, both of Junction City.

A women's alumni association was organized at the University this afternoon. A constitution was adopted but no officers were elected. This will be attended to later. The organization will be affiliated with a national association of college alumnae.

Hall & Shumway, the plumbers have leased the west room of the Sanford building at the corner of East Seventh and Oak Streets and will enlarge their place of business by occupying both rooms of the building. Mother's Kitchen, which has heretofore occupied the west room, has gone out of business.

The Vancouver team of the Tri-City league, with Sid Smith and Karl King of Eugene, playing with them, and Earl Hill and Bill Caplin, former Eugene players, in the lineup also, defeated the Salem team yesterday by a score of 6 to 5. Since the Eugene players have been on the team, Vancouver has gone from seventh place to third.

A man named Nickerson who has been about the city for some time past was found asleep in the lumber yard near the vinegar factory by the

CITY NEWS

LUELLA CLAY CARSON

HARRY RENARD KILLED BY LOADED WAGON

Mrs. Emma Renard received a telephone message today from the Finley undertaking establishment in Portland, that her husband, Harry, had died from being run over by a wagon loaded with hogs, at Scappoose, a town a short distance from Portland. The wheels passed over his head. Mrs. Renard will go at once to Portland to make the funeral arrangements. She has two small sons.

NEARLY \$1,100 IN SIGHT FOR CELEBRATION

Chairman Hampton of the Fourth of July committee states that so far he and his colleagues have raised in subscriptions nearly \$1,100, and have plenty of hopes of materially increasing this sum. From the present evidences the celebration of the Fourth will be the best yet Eugene has seen for many years.

One of the unique floats of the parade will be a curious one of the Ladies' Thinkin' Club, who have just come to the conclusion to enter in the celebration procession.

REPUBLICANS IN TREAT, SAYS BRYAN

a message last spring presented a conspiracy against law breakers to prevent the enforcement of the law. "The platform adopted contains no intimation of danger. Was the President mistaken or are the Republican managers deceived when they think aroused public opinion will calmly contemplate encroachments of predatory wealth? This is retreat No. 6."

Bryan notes that the plank favoring the popular election of United States senators by popular election was rejected by a vote of more than 7 to 1. He admits that Roosevelt and Taft never advocated this measure, but Bryan maintains that it is the most popular reform in the country today. He says it had been endorsed by three Republican houses of representatives and by nearly two-thirds of the states of the Union and yet, "in spite of the record made in the house of representatives and by various states, this reform is rejected by a 7 to 1 vote in the Republican national convention.

"Here are seven propositions upon which the Republican party has retreated. What have the Roosevelt Republicans to say?"

Bryan says the President has awakened the reform element in his party and asks if the spirit can now be quelled by a "stand-pat convention."
