HOW OREGON'S AUTOS ARE DISTRIBUTED

EUGENE, ONE OF THE LARGEST CITIES IN THE STATE, IS NOW IN THE LIST WITH TWELVE—MEDFORD HAS 18.

Salem, Or. June 24.—Next to Portland Medford has by far the largest number of licensed automobiles of any city in Oregon. The facts are interesting and it is curious comparison when the figures are presented showing the automobiles the different towns in the state can boast of. Up to date Portland has 552 licensed automobiles and Medford has 48. There are about 1,020 automobiles in Oregon, according to the license books in the secretary of state's office.

After Medford comes Salem with 28 automobiles, although it is the next largest city in Oregon. After Salem is Pendleton with 27, and Grants Pass with 26, Baker City with 23, La Grande with 22, Astoria with 18, Albany with 13, Union with 13, and Roseburg, Eugene and McMinnville each with 12 automobiles.

The Dalles has 11, Corvallis has eight, Hillsboro 10, Dallas has nine, Brownsville boasts of five automobiles, Wasco and Independence, Oregon City, Madras, Elgin, Gresham, Hot Lake and Helix each claim four. Coquille, Forest Grove, Lakeview, Island City, Newberg, Gold Hill, Troutdale, Bend, Central Point and Adams have each three and Lents, Silverton, Warrenton, Burns, St. Johns, Monroe, Dayton, Klamath Falls, Weston, Jacksonville and Carlton have two each.

Other towns that have one licensed automobile are as follows: Woodburn, Arlington Prairie City, Alcega, Heppner, Merlin, Oswego, Coburg, Linnton, Lebanon, Tillamook, Glendale, Tolo, Cove, Beaverton, Creighton, Jefferson, Stayton, Wilsonville, Halfway, Florence, Myrtle Creek, Condon, Highland, Way Creek, North Powder, Philomath, Talent, Suther, Falls City, Silverton, Canby, Harrisburg, Sherwood, Haines, Creswell, Imbler and Dundee.

A ST. BERNARD DOG COMMENCEMENT GIFT

The University of Oregon had a live, large St. Bernard dog presented to it on Commencement Day by a traveler on his way to the St. Lawrence and the Dormitory host, after a year of loneliness, has a playmate. The dog is in the care of Captain Briggs, who made arrangements for the gift. The animal is in perfect condition, not a spavin or false tooth, with the exception of sore feet caused by too much nomadic life. The former owner, seeing that the dog could not travel much further, sought a new master for his pet, and selected the University as a fit rest home. The dog answers to the name of Dash.

QUICK AUTO TRIP EUGENE TO VANCOUVER

What is undoubtedly the fastest automobile run ever made from Eugene, Or., to Vancouver, Wash., was established last week by William Marsha and a party of Vancouver business men in the former's 1904 model Buick light touring car. In company with Floyd Swan, H. C. Suga and George Slesman, Marsha, who is also of Vancouver, a well known citizen, made a trip to Southern Oregon. On their return, they decided to hit only the high spots between Eugene, near the head of the Valley and Vancouver. The distance of 122 miles was made in seven and one half hours, which includes the time occupied in ferrying across the Columbia. The record is all the more remarkable considering that Mr. Marsha recently purchased the machine from C. J. Moss, the local dealer, and has had but little experience in driving—Portland Journal.

ELEVENTH STREET MAY BE FINISHED TOMORROW

If the weather remains favorable tomorrow will see the pavement on Eleventh street finished. Nearly all of the underlayer of crushed rock is rolled, and the spreading of the top coat is progressing at such a rate that the task will be completed by tomorrow night. Eleventh street is now one of the prettiest residence avenues in the state, and as soon as the parkings are planted and the cement sidewalks in, even Portland will not be able to boast of a prettier thoroughfare.
