**The Cause of Many Sudden Deaths.**  
There is a disease prevailing in this country most dangerous because it is insidious. Many sudden deaths are caused by it—heart disease, heart failure, or apoplexy are often the result of kidney disease. If kidney trouble is overlooked, the blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper taking of Dr. Kilmor's Swamp-Root. It corrects inability to hold urine and comes that unpleasant necessity of being compelled to go often through the day and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address: Dr. Kilmor & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmor's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

**The Star Drilling Machine Co.**  
is erecting a plant at PORTLAND, OREGON for the manufacture of their world famous

For full particulars regarding well drilling machines, tools, supplies, etc., write to **THE STAR DRILLING MACHINE CO.** PORTLAND, OREGON, or **AKRON, OHIO.**

**GETTING VINEGAR PLANT READY FOR OPERATION AGAIN**  
E. H. Tatham, proprietor of the Eugene Vine Factory, is up from Portland supervising the work of putting the plant in condition for operation again this fall, as soon as the apples begin to ripen. This plant was not operated to any extent last fall and winter, but it is the intention to run it to its full capacity this year. This is an important industry and one that needs encouragement. Eugene will have two such plants in operation this year. N. A. Reynolds has just completed a large building at the corner of West Second and High streets for a similar plant and will soon install the machinery. Besides vinegar he will manufacture apple butter, jelly and other articles from the products of the orchard.

Dr. Geo. E. Houck of Roseburg has finally received a patent on his military indoor target rifle or cabinet which is now in general use in the armories throughout the country. The patent was contested by an Ohio man but Dr. Houck won out. It gives the militiamen all the practice which the target range affords, indoors during bad weather. It is a very clever device and will make some money for Dr. Houck.

**NEW BASE BALL TEAM BEATEN IN FIRST GAME**

The ball game at Recreation Park yesterday between Eugene and Coburg, was a ragged exhibition of the national game. The home team excelled in errors, but the Coburg team was not far behind and considering the fact the visitors have been playing all season the home team showed up in fair form. Score 17 to 10 in favor of Coburg. There was some

**WEED BEHIND THE BAT.**

excuse for the ragged work of both teams as the grounds were soft and in bad condition from being worked recently, and in addition to this the wind blew a gale, making accurate fielding and throwing an impossibility.  
During the present week the grounds will be worked until they are in as good condition as any field in the state. Harry Hobbs, who played third for Coburg, will play with Eugene and two other players will don Eugene uniforms this week. All the weak points will be eliminated and with practice the Campbell-Fellman Co. will play winning ball.  
**Upper Valley League.**  
An upper valley league is now being formed consisting of Springfield, Coburg, Campbell-Fellman Co., and another place, not yet decided upon. The first league game will be played between Eugene and Springfield at Recreation Park July 4th and promises to be a first class exhibition. The home team will practice every day this week and will play a practice game or two before the Fourth so as to be in first class condition.

**J. R. CAMPBELL WILL ERECT TWO-STORY BLOCK**

A two story concrete or brick building will be erected by J. R. Campbell on the site occupied by The Guard printing Co., at the present time. The building will be thoroughly modern in all respects and will have one of the handsomest fronts in the city, with two large high walls in the center and rear of the building respectively. The erection of the building will commence sometime in August.

**WILL GIVE RECEPTION TO COMMITTEES**

On Wednesday of this week the Commercial Club will give a reception to the members of the executive committee and the cadling committee of the ladies' auxiliary of the club in appreciation of their work in entertaining the Portland excursionists on commencement day. These ladies, twelve in number, worked very hard to make the reception to the visitors a success and the club members feel that it is due them to properly express their appreciation by giving them a reception.
