This forenoon, the opening ar-

gument for the government was made
by United States District Attorney
John McCourt. He was followed by
County Judge L. R. Webster for
Booth. Webster will probably speak
until late this afternoon, when Ex-
senator Dan J. Malarkey will resume
the argument for Booth until tomor-
row noon, or later.

Tracy C. Becker, special assistant
to the Attorney General, will say the
final word for the prosecution which
will be toward the adjournment hour
tomorrow. The case is expected to
be given to the jury by supper time
tomorrow and as the jurors are anx-
ious to be home for the Fourth of
July, a verdict can be expected some
time Friday evening.

Prosecution Surprised.
In deciding not to place any wit-
nesses on the stand, the defense
sprang a small sized surprise. Before
the adjournment yesterday the law-
yers were on the point of having
James Henry Booth tell his story of
how he received the \$800 check from
Frederick A. Kribs and for the ac-
ceptance of which he is charged with
bribery. As Malarkey said he would
have Booth on the stand at least half
a day, the court adjourned earlier
yesterday in order that the direct
examination could be carried on with-
out interruption.

Late last night the defense con-
cluded that Booth's testimony was
unnecessary and a telephone mes-
sage was sent to District Attorney Mc-
Court informing him that he could
begin the argument for the prosecu-

ARRESTED MEN ARE NOT ROBBERS SAYS DETECTIVE

Monroe, July 2.—A detective who
arrived here today and who once ar-
rested Charles Savage, alias Steven-
son, wanted for alleged connection
with the \$50,000 registered pouch
robbery at Kansas City, declares the
man held here is not Savage, though
there is a resemblance. The man in
custody says his name is E. W. Thom-
as, and that he is solicitor of funds
for the negro home at Macon, Geor-
gia.

IS WEAKER BUT FREE FROM PAIN

Cooperstown, July 2.—
Bishop Potter is perceptibly
weaker today, though con-
scious and cheerful, and free
from pain.

3:00 p. m.—Bishop Potter
showed signs of increasing
strength this afternoon.

Donald Hill went to Junction City
today.

FOUR PERSONS HURT IN WRECK OF TWO HOMES

Pittsburg, July 2.—Four persons
were seriously injured today in the
partial wrecking of two homes by a
dynamite explosion in the home of
George Deavotora, wealthy Italian
capitalist at McKeesport. Black
Hand letters demanding \$12,000
were recently received by Deavotora,
who paid no attention to the de-
mands.

SPOKANE MYSTERY IS CLEARED UP.

Spokane, July 2.—The mysterious
disappearance of Sama Louma was
cleared up today, when her body was
found in the river in the western part
of town. The woman was a domest-
ic, and wandered away on June 21.
It is supposed she was demented.

DEMOCRATIC LEADERS ARE BUSY DISCUSSING CANDIDATES AS WELL AS BUILDING NATIONAL PLATFORM

Denver July 2.—Bryan has
asked for a conference with
T. D. O'Brien of Minnesota,
one of the most enthusiastic
supporters of Governor John-
son, but what Bryan's pur-
pose is, the managers of the
Johnson campaign have no
idea. Bryan has asked
O'Brien to stop at Lincoln
on his way to Denver. O'Brien
leaves St. Paul tomorrow.

Denver, July 2.—Chas. A. Towne,
of New York, arrived today from
Lincoln, where he had a conference
with Mr. Bryan. Towne declares he
is in the race for the vice-presidential
nomination to stay, "and I think I
have every reason to feel that I will
be nominated."

Towne stated that he discussed the
platform at length with Mr. Bryan,
particularly the plank regarding the
issuance of the writs of injunction by
federal judges in labor cases, and
declared:

"On that proposition you can state
there will be no straddle and no am-
biguity.

The anti-injunction plank will be
so framed as to meet the favor of a
large majority of the workmen of the
country."

Towne said a plank would probab-
ly be incorporated in the platform
for international neutralization of
the Philippine islands, with a view to
avoiding the necessity of tremen-
dous military defensive expenses and
giving assurance of the development
of the islands under our guidance to-
ward proximate independence.

WOOD SUGGESTS THAT BRYAN QUIT.

Denver, July 2.—Friends of Gov-
ernor Johnson are in possession of a
letter written to the delegates by
Samuel Wood of Evanston, Ill., in
which he encloses a letter written by
himself to Bryan, urging the Neb-

askan to withdraw from the race as
a candidate for president and per-
mit the convention to make a selec-
tion regardless of instructions. Wood
explains that the letter to Bryan was
written with the latter's consent, and
he urges the delegates to prepare a
petition to Bryan, asking him to re-
lease them from instructions and to
choose a candidate to their liking. He
points out that Bryan was twice un-
successful and urges that the party
should not a third time assume the
responsibility of his candidacy. Wood,
in his letter to Bryan, declares that a
majority of the delegates, who are in-
structed for him, hold the opinion he
cannot be elected.

There is no indication looking to
the movement which Wood suggests.

PARTY LEADERS AT BRYAN'S HOME.

Lincoln, July 2.—Congressman
William Sulzer of New York, was a
visitor at Bryan's home today. He
came to discuss the platform and New

York politics, and is particularly in-
terested in having the platform de-
clare for his scheme of building up
American shipping by a tax which
shall discriminate against foreign
bottoms.

IDAHO CONTEST INVOLVES MORMONS.

Denver, July 2.—There are now 54
contests before the National Demo-
cratic committee which will begin its
hearing Monday morning. The
situation in respect to the Idaho
delegates is expected to develop a
bitter fight, in which the Mormon
question will play a leading part.

Former Senators Dubois and Heit-
field will base their claim to the re-
cognition of their delegation on the
plea that the opposition is dominated
by Mormons, and not by the repre-
sentative democratic body.

THIRTY-NINE MENTIONED FOR VICE-PRESIDENT.

Denver, July 2.—An Ohio friend
of M. B. Ingalls of that state today
sprang his name for the vice-presi-
dency. He is said to be the thirty-
ninth man mentioned for this of-
fice, and the fortieth may arrive at
any moment.

Kern Not After It.

Lincoln, July 2.—John W. Kern
declared that he would do all in his
power to keep his name from being
sprung for the vice-presidency.

HUNDRED MINERS KILLED BY EXPLOSION

Youzka, Russia, July 2.—It is re-
ported that one hundred miners were
killed in an explosion of gas at the
Rikovskiy mine, employing 550 men.
Troops were immediately summoned
to preserve order.

ARMOUR SAYS EUROPE IS AGAIN BUYING MEATS

J. Ogden Armour were among the
passengers of the Kronprinzessin Co-
cille yesterday from Bremen. Mr.

ago by Prof. Lorenz, of Vienna, had
almost recovered and was quite as
well as any child of her age.

Referring to the financial situa-
tion, Mr. Armour said he found a dis-
position among all European coun-
tries to again buy American canned
meats and that there was but small
doubt that the prejudice existing
since the investigation has been
almost eradicated.

SEVEN ARE DEAD TWENTY INJURED

Sedalla, July 2.—The fast Minnerl
Pacific California limited train, and
the St. Joseph express bound for St.
Louis, collided near Knobosier, from
a cause unknown. The track was
level without any curves and it is
supposed the failure of the Califor-
nia train to take a siding caused the
disaster, which resulted in the death
of at least seven and the injury of a
score. A heavy fog prevailed at the
time. It is possible an examination
of the wreckage will increase the list
of casualties.

MEXICAN REVOLT IS NOT SERIOUS SAYS CORWIN

Dallas, July 2.—The revolution in
Mexico is not revolution at all, the re-
ports of the uprisings being greatly
exaggerated, is the statement of J.
C. Corwin, a prominent mining man
of Guanajuato, Mexico, now in Dal-
las. He declares the revolution is
nothing more than a sort of organ-
ized bands of robbers and desperad-
oes covering up crookedness under
the guise of politics and pretending
to be engaged in a patriotic move-
ment.

Quiet On Border.

El Paso, July 2.—Nothing occurred
on the Mexican border today to dis-
turb the peace.

CANDIDATE SHERMAN BOUND FOR HOME

Cleveland, July 2.—Ex-
tremely pale, James Schoni-
craft Sherman, republican
vice-presidential nominee,
left here this morning in a
private car for Utica. He will
arrive there tonight, accom-
panied by Mrs. Sherman and
Dr. E. P. Carrier.

Sherman declared that he
is feeling quite well, though
a little weak.

WASHINGTON, July 2.—W. H. Taft

is making arrangements to leave
Washington for Hot Springs, Va., to-
morrow afternoon. Speaker Cannon
arrived in Washington today to at-
tend to some extensive business and
a harmonious working agreement be-
tween Taft and Cannon is assured.

The announcement is made that it
has finally been decided that the
notification of Taft's nomination will
take place at Cincinnati July 28.

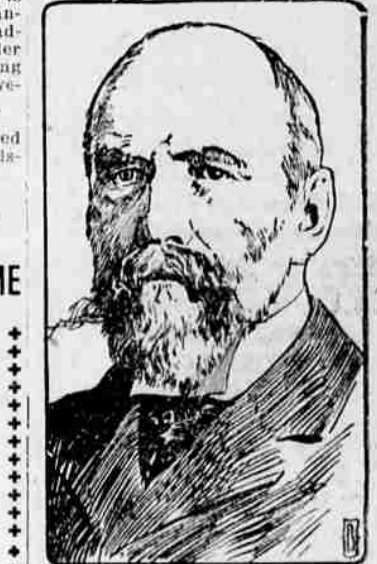

ENGINEER KILLED IN RAILROAD WRECK

El Paso, July 2.—Engineer Jo-
seph Jones and three Mexicans
were almost instantly killed and
several others injured, though none
seriously, in a wreck of the Texas
& Pacific eastbound passenger at
Lohmeyer near Boracho, 155 miles
east of here. The train ran into a
washout.

pal church is holding its annual pic-

ing, following a cerebral hem-
orrhage of yesterday. The
doctors report that he cannot

poor health for months past.
