WANTED—A NAME

Wanted—A name for the baby:
That sweet little mite of a miss,
With pink hands and feet, and pucked lips sweet
Held up for a fond parent's kiss.
Rose, or Josie, or Mary;
Or Margaret, Lilly or May;
Priscilla or Prue—does any suit you?
We've just got to name her today.

Wanted—A name for the baby.
That's nestling there fast asleep.
A precious wee mite on her pillow of white
God gave us to guard and to keep.
Annie, of Carrie or Hazel;
Or Annabel, Oral or Jo;
Annetta or Sue—does any suit you?
We've just got to name her, you know.

Wanted—A name for the baby.
That little pink image of love
That came with the year with a message of cheer,
Straight down from the mansions above.
Maggie, or Katie or Flora;
Or Amethyst, Kittie or Bess;
All good, I suppose—but dear goodness knows
We'll just call her "Sister," I guess.

BIG GAME OF BASEBALL TOMORROW

The Campbell-Fellman Co., the Eugene league team, and the Springfield league team will battle for supremacy on the diamond at Recreation Park tomorrow afternoon at 3:30 o'clock. The parade for the grounds will be headed by the band and will leave for the grounds at 3 o'clock. Music will be discoursed

WEED BEHIND THE BAT.

during the game. The Campbell-Fellman Co. has had the grand stand scrubbed and thoroughly cleaned, so no one's clothes will be injured, as in the past.

Weed will receive, while O'Brien will shoot all kinds of curves at the visitors which will puzzle the best of them to find. Harry Hobbs, Mashberger, Johnson, Gaby, Sid Smith, Leabo, Murphy and Harper insure a good fielding aggregation and will show a heavier batting team than Eugene fans have ever backed before.

O'BRIEN SHOOTING CURVES AT SPRINGFIELD.

The grounds are in better condition than ever and they will be wet down so as to make the grounds very fast.

The Springfield team is well known to all fans, as it is practically the same as last year, which insures a hotly contested affair. In the game last year, Eugene won by the close score of 3-2 and the game this 4th will be as good, if not better.

The attendance at the game this year promises to exceed that of last year as there is absolutely no other attraction during the game, and a refreshment stand will be on the grounds.

Following is the lineup of the Campbell-Fellman team: Weed, c.; O'Brien, Wilson, p.; Murphy, ss.; Gaby, 1b.; Smith 2b.; Hobbs, 3b.; Johnson, lf.; Mashburger, cf.; Leabo, rf.; sub., Harper.

STATE MAY SUE FOR VALUABLE PROPERTY.

If information in the hands of Attorney General Crawford is true, the state of Oregon has been defrauded out of more than a million dollars of property, consisting of 160 acres of land in the heart of the fashionable residence district of East Portland.

The property in question is the north half of the donation claim of Wendel Proebstel and wife in township 1, range 1, east, in the city limits of Portland. It is a strip one-mile long by one-fourth mile wide extending from the O. R. & N. carships to Williams avenue.

This piece of land which is now filled with beautiful residences should have escheated to the Oregon school fund many years ago, for the reason that it was the half of the tract of 320 acres belonging to the wife, Jane Proebstel, who died interstate and without heirs.

The information in the case, compiled this morning by the attorney general, was furnished by C. Exert Baker, an attorney of Portland, and it will be at once submitted to the governor, who, after examining the evidence, will determine whether escheat proceedings are to be instituted. When the evidence, consisting of affidavits, etc., was received Governor Chamberlain requested that the matter be investigated.—Salem Journal.

New York, July 2.—The name of Eugene V. Debs, candidate for president on the Socialist party ticket, was presented for endorsement unexpectedly today at the convention of the Socialist labor party here. SUFFERED WITH ECZEMA 25 YEARS

Limb Peeled and Foot Was Like Raw Flesh—Had to Use Crutches, and Doctors Thought Amputation Necessary — Montreal Woman Writes of Cure Seven Years Ago.

BELIEVES LIFE SAVED BY CUTICURA REMEDIES

"I have been treated by doctors for twenty-five years for a bad case of eczema on my leg. They did their best, but failed to cure it. My doctor had advised me to have my leg cut off, but I said I would try the Cuticura Remedies first. He said, "Try them if you like, but I do not think they will do any good." At this time my leg was peeled from the knee, my foot was like a piece of raw flesh, and I had to walk on crutches. I bought a cake of Cuticura Soap, a box of Cuticura Ointment, and a bottle of Cuticura Pills. After the first two treatments the swelling went down, and in two months my leg was cured and the new skin came on. The doctor could not believe his own eyes when he saw that Cuticura had cured me and said that he would use it for his own patients. I used two cakes of Cuticura Soap, three boxes of Ointment, and five bottles of Resolvent, and I have now been cured over seven years, and but for the Cuticura Remedies I might have lost my life. I have lots of grandchildren, and they are frequent users of Cuticura, and I always recommend it to the many people whom my business brings to my house every day. Mrs. Jean-Baptiste Renaud, clairvoyant, 277, Mentana St., Montreal, Que., Feb. 20, 1907."
