ASK COUNTY TO BUY PORTABLE SAWMILL PLANT

PETITION TO BE PRESENTED TO COUNTY COURT THIS WEEK—MILL WOULD BE USED TO MANUFACTURE LUMBER FOR PLANK ROADS TO SIUSLAW AND OTHER PARTS OF THE COUNTY.

The Lane County court will be presented this week with petitions freely signed from different sections of the county, asking them to purchase a portable saw mill, to be used by the county as an aid to the building of plank roads and bridges for the outlying road districts.

In Lane County there are many miles of plank roads and many more miles where they are needed, and as the need is generally in the timbered districts there would be a great saving to the county by having a portable sawmill which could be taken wherever planks were required and the material on the ground worked up. The great gain to the county would be in the improvement of the roads which up to this time have been badly neglected in some parts by the County Court on account of the great expense attached to the construction of wooden thoroughfares.

The western end of the county, known as the Siuslaw country, would be among the first to benefit by the new sawmill. There are many parts of the roads through this country that are impassable in the winter time but for the stretches of plank road. But as it is that section cannot bring the products of its farms to market, especially its fruits, of which apples is an especially fine crop, on account of the roads. If plank roads are constructed it will be possible for the farmer to get in and out of the Coast country with his products, and as a consequence some of the very best farming land in the country will be brought into the market, which up to this time has not been seriously considered by newcomers who are used to good roads in other states.

The Petition. Following is the petition to be presented: In the County Court of the State of Oregon for Lane County. In the matter of the petition for the Improvement of the Eugene-Mapleton road.

To the Honorable County Court of Lane County, Oregon: Gentlemen: WHEREAS the substantial and permanent improvement of county roads throughout the county is necessary and essential to the general development and building up not only of the rural districts themselves but of the cities and towns as well, and

WHEREAS the building and construction of permanent roads wherever situated in the county is a public benefit and effects the general welfare of all portions of the county and all classes of the people, and

WHEREAS the western portion of Lane County is very greatly in need of better roads in order that the products of that section are marketed, which is practically impossible at the present time on account of the bad condition of the road between Mapleton and Eugene, and

WHEREAS Eugene and the Willamette Valley needs the products of the Siuslaw, the cream, the butter, the cheeses, the eggs and poultry, the beef, the fruit, and the fish, and the Siuslaw people are equally in need of our flour, our grain, our merchandise and other like commodities, and

WHEREAS in order to bring the two sections of our country closer together as they should be it is necessary that a good practical and permanent wagon road be constructed from Mapleton to Eugene, and experience teaches that the most practical road through such a country is the plank road, therefore Your petitioners, the undersigned, residents and tax payers of Lane County, Oregon, do most respectfully and humbly pray your honorable body that immediate steps be taken for the early construction of a good substantial plank road where needed, commencing at Mapleton and extending to Hale, and to that end that a suitable, portable saw mill be purchased by the County to be used for the improvement of county roads generally and first and especially the Siuslaw road as prayed for. Respectfully submitted.

C. B. CONFERENCE FAVOR OF UNION

The last business session of the United Brethren annual conference for the state of Oregon was held yesterday afternoon. Much of the afternoon was given to the discussion of the status of Philomath college, which is supported by this denomination. Trustees were elected as follows: J. T. Warman of Philomath, Dr. J. R. Parker of Hood River, G. M. Beeler of Hope Well; J. S. Musgrove of Corvallis and W. F. Caldwell of Philomath.

Last night there was a college rally at the First United Brethren church, attended by many friends. The president of the college, O. V. White, had charge of the evening meeting.

The officers of the conference elected for the ensuing year were: Dr. F. W. Jones of Philomath, president, and W. W. Rosebraugh, secretary.

The question of the proposed union between the United Brethren church, the Evangelical Association and the United Evangelical church came up again for a short discussion and the meeting showed itself overwhelmingly in favor of it. No definite action was taken.—Portland Journal.
