

CANDIDATE FOR VICE PRESIDENT STILL UNSETTLED

July 9.—John Mitchell, president of the United Mine Workers of America, made a personal appeal to the Alabama delegation to present his name to the convention for the vice presidential nomination. Alabama is first on the list, and could give the Mitchell an impetus, and had planned to do so.

There was considerable talk today of Governor Francis of Missouri, for president, but he has notified the delegation that he is not a candidate.

Massachusetts delegation say Governor Douglas' name will be presented for the vice presidential nomination.

EFFECT PERMANENT ORGANIZATION AND WAIT FOR PLATFORM

MARTIN W. LITTLETON.

Brilliant New Yorker who nominated Judge Parker four years ago, made a hit in the convention today by declaring that New York Democrats would support the platform and the candidates chosen at Denver.

Convention Hall, Denver, July 9.—Yesterday's strenuous proceedings at the morning session and late session last night had a marked effect on the delegates today, who were slow in reaching their seats.

During the wait for Chairman Bell to call the assemblage to order, before finally relinquishing the gavel to Congressman Henry D. Clayton, of Alabama, the permanent chairman, the cowboy band rendered patriotic selections, with songs of the South interspersed from time to time.

At 11:30 Chairman Bell commenced to hammer for order, but gave up. Another trial was unsuccessful, but the third trial had some effect, and the chairman announced a prayer by Rabbi Samuel Koch, of Seattle, Wash.

Permanent Organization.
Senator McCreary, of Kentucky, presented its report of the committee on permanent organization. It recommended Representative Henry D. Clayton, of Alabama, for permanent chairman; Ury Woodson, of Kentucky, secretary; John I. Martin, of Missouri, sergeant-at-arms. In all other respects the temporary organization was made permanent.

Chairman Clayton was escorted to the platform and cheered to the echo, which was redoubled as he was introduced to the convention by Temporary Chairman Bell.

Three little girls wearing red, white and blue dresses, were helped to the platform. They carried large bunches of American beauties, which they presented to the permanent chairman amid much cheering, and then one by one the children were lifted to the desk of Chairman Clayton, who kissed them. There was cheering and laughter over the pretty ceremony and some one called out "Hobson, Hobson."

Clayton thanked the convention and declared with emphasis: "This is Democratic year."

He then commenced the delivery of his address, but the heat of the hall and emphatic delivery evidently fatigued the speaker, still he continued earnestly to address the delegates.

Clayton Applauded
Clayton made a sonorous presentation of the party's aspirations and a severe arraignment of President Roosevelt. Frequent demonstrations of wild enthusiasm came from the listening thousands, suggestions of the name of Bryan being an unending signal for a tumultuous clamor.

Loud cheers of approval greeted the chairman as he concluded his address. While the demonstration was in progress the Jefferson Club of St. Louis marched into the hall and paraded the aisles, bearing a large banner inscribed: "David B. Francis for vice president." It created much enthusiasm.

Littleton Makes Hit.
Pending word from the resolutions committee addresses were made by Raymond Robbins, of Chicago, and Martin W. Littleton, of New York, who four years ago placed Alton B. Parker in nomination. Littleton's announcement that New York would support the platform and nominees was received with a shriek of approval in which many New York delegates joined. Charles F. Murphy remained quietly in his seat.

After reading the list of the new National executive members a motion to adjourn until 7 o'clock this evening was passed.

PROCEEDINGS OF LONG NIGHT SESSION

INJUNCTION PLANK ADOPTED BY COMMITTEE

ASSERTS THAT INJUNCTIONS SHOULD NOT ISSUE IN CASES WHEREIN THEY WOULD BE DENIED IF NO LABOR QUESTIONS WERE INVOLVED—ACCEPTABLE TO MOST OF LABOR ORGANIZATIONS

Denver, July 9.—The report of the committee on the injunction plank at tonight's session.

Denver, July 9.—A synopsis of the injunction plank as adopted by the sub-committee is as follows:

Courts of justice are declared the bulwark of liberty and it is their purpose to maintain their dignity. The long line of distinguished judges given by the Democratic party to the bench are mentioned and the attempt of the Republican party to raise false issues respecting the judiciary are resented. The function of the courts is set forth to interpret laws created by the people, and when these laws become unjust our duty is to

change them. This is the only basis upon which the integrity of the courts can stand.

"Experience has proven the necessity of a modification of the present law relating to the injunction. We reiterate the pledge of the National platforms of 1896 and 1904 and favor the measure proposed to congress in 1896, but which a Republican congress has ever since refused to enact, relative to contempt in federal courts and providing for trial by jury in cases of indirect contempt."
