HASSAM PAVEMENT USED IN PORTLAND

The following is an extract from a letter written by a prominent Portland citizen who has been in the city for many years...

"The base is the same as for bitulith, four inches of crushed rock. They then pour over a coating of two parts sand, one of cement, thoroughly mixed, roll it in and squeeze all the water out, then lay another layer of smaller rock two inches deep mixed with equal parts cement and sand, roll it, and finally put a coating of pea gravel over it."

"It does not look quite as pretty as the other kind on the start, but dirt would soon change that. The only objection I see to it is that it will surely be noisy as compared to both asphalt and bitulith."

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because it is so deceptive. Many sudden deaths are caused by the least disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles and wastes result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

FORM ONE MORE HABIT

YOU HAVE probably not yet formed enough "habits." It is likely that you would find the "ad-answering habit" a dividend-paying one—and one that would never lure you far away from the best thrift-creed ever devised. A habit is usually formed through yielding to natural inclination. The ad-answering habit will have to be cultivated—perhaps against present inclination, and through an effort of will.

You are not in the habit of saying "impossible," are you?
