

## NATIONAL POLITICAL LEADERS GET BUSY

Between Theodore A. Bell and Bryan, Bell declared that the Democrats could not carry his state, California, if President Roosevelt's policies were attacked. Bryan, who maintains the president's reforms are Democratic, agreed with Bell that the so-called Roosevelt reforms should not be the issue on the Pacific coast.

Bryan has concluded that the justification over his nomination shall not occur until after that of Taft. The exact date will be announced after Chairman Henry D. Clayton returns from a three-weeks' trip to the Pacific coast.

Bryan was closeted with the labor leaders for some time, and they discussed the platform, particularly the injunction plank. The visit of the labor leaders was especially pleasing to Bryan, who took occasion to express his gratification over their promised support.

**HERMAN RIDDER OUT FOR BRYAN**  
Fairview, Lincoln, Neb., July 12.—"You may rely on the sincere and

earnest support of the New York Staats Zeitung. (Signed) "HERMAN RIDDER."

This telegram, sent by the New York editor from some Kansas town, the name of which could not be deciphered, was received by Mr. Bryan at Fairview today, and although Mr. Bryan made no comment his pleasure was evident in the buoyant tone in which he read the statement.

It was Mr. Ridder who, before the Denver convention, called here with the announced intention of asking Mr. Bryan to withdraw from the field, on the ground, in Mr. Ridder's opinion, that Mr. Bryan could not win in November. Lincoln Democrats declare that Mr. Ridder did not press this point, however, upon visiting Fairview. He departed from Lincoln in a happy frame of mind, with Mr. Bryan's O. K. on his free wood-pulp plank.

### CORPORATIONS WILL START WHEELS GOING

New York, July 12.—The Hearst managers today claim that the corporations have agreed to work for the election of Taft by the contribution of "prosperity" instead of hard cash to the Republican campaign fund.

According to the claims of the Hearst men, the "interests" have decided that it will be hard to account for as large a fund as was expended to clinch the election of McKinley. Hearst men say that mills will be started and shops re-opened all over the country. The men will hold that

the certainty of the election of Taft is the reason of this boom. It will be stated that defeat of Taft will cause a business depression.

### CHLOROFORM AGE FOR DOCTOR OSLER

London, July 13.—Dr. William Osler, who, while a professor of medicine at Johns Hopkins University had fame thrust upon him by his reported declaration that sixty years was the limit of man's usefulness, himself entered upon his sixtieth year yesterday. It is evident, however, that the eminent physician and instructor has no immediate intention of resorting to the chloroform bottle, for he has consented to run in opposition to Winston Churchill and George Wyndham, ex-Chief Secretary for Ireland, for the Lord Rectorship of the University of Edinburgh next November.

### CHICAGO WHEAT MARKET

Chicago, July 13.—July, 91½; September, 91¾; December, 91¾.  
The Eugene Planing Mill Company has received a lot of new machinery for their enlarged plant.

## EUGENE'S FEDERAL BUILDING WILL BE TWO STORIES HIGH

Eugene's federal building, which is to be erected some time during the coming year, may be two stories high instead of one, as at first contemplated, and for which the original plans under the appropriation of \$50,000 called for. Since the additional appropriation of \$20,000 has been secured for the building the government architects have been at work on new plans. Some time ago they wired Postmaster Page, stating that the government contemplated locating the office of the forest service in the new building and asked the amount of floor space needed by the service. Mr. Page immediately wired a reply with the required information and the architects are now making the plans accordingly.

## BENDER MYSTERY FULLY EXPLAINED BY DYING MAN

Chicago, July 12.—After 25 years the secret of the fate of the Bender family, of infamous memory, has been revealed. After they fled from their blood-reeking shanty on the Kansas prairie, they disappeared as completely as if the earth had swallowed them. Since that time many rumors of how they got away to Mexico, to Canada, to California, to Germany, and many other places have been circulated.

George Evans Downer, of Downer's Grove, grandson of Pierce Downer, who founded the settlement in 1833, told the story fully believing that he is on his deathbed, and that it is his duty to publish the truth to the world. A compact between the members of the vigilance committee at the time had kept his lips sealed all these years, but the realization that if he did not speak the truth might never be known, induced him to tell how he assisted in the extermination of the fiendish family.

After going at great length to the methods of the Benders and how suspicion finally settled upon them to such an extent that a party of vigilantes started out to capture them, Mr. Downer, who was in the party, says they found the house deserted and rode on rapidly after the fugitives. They overtook them in a lonely spot and the Benders opened fire on the posse. This was their death warrant, for the posse began shooting, killing the elder Bender and his wife in the wagon.

## M'CARREN PUT DOWN AND OUT BY TAMMANY

New York, July 11.—The supreme court of Brooklyn practically ended the political career of Patrick H. McCarren today when Justice Kelly denied him a writ of mandamus restraining the board of elections from appointing anti-McCarren men election inspectors, poll clerks and ballot clerks during the coming primary and regular elections in Kings county. The decision removes absolutely from McCarren's control the Democratic party in Brooklyn. The 4,000 election inspectors, poll clerks

## SIX PERSONS INJURED IN AUTO ACCIDENT

Louisville, July 13.—Six persons, five well-known in the social world, were seriously injured in an automobile accident early today at Smithville, 23 miles from here. Shelby Bonnie, a prominent distiller, had a leg broken. Mrs. Shebbie Bonnie received bad cuts, Miss Elizabeth Shirley serious bruises, Richard Menefee, broker, internal injuries, Dr. Carl Wiseman, leg broken, and Frank Ball, chauffeur, was badly bruised. They were returning from Bowling Green and started to cross the Salt River bridge, not knowing the structure had been partially destroyed in a recent storm, and dashed 25 feet into the river. One end of the car rested on an obstruction or all would have been drowned.

## WESTERN FEDERATION MEETS IN DENVER

Denver, July 13.—The opening session of the 16th annual convention of the Western Federation of Miners today was devoted to the appointment of a committee on credentials and to two short addresses by George Halley, president of the Colorado State Federation of Labor, and W. S. Burns, a member of the Miners' union of Virginia City, Nevada.

## NATIONAL FOREST NAMED FOR GROVER

## FIRE IN CHURCH CAUSE OF PANIC

Duluth, July 13.—Panic in a Catholic church at Duluth last night was caused by the film of the moving picture taking fire. About a dozen were injured, and one woman who jumped from a window may die.

PATRICK H. M'CARREN. New York state senator who leads the contesting forces in the Democratic party split.

and ballot clerks who will officiate at the primaries will be Murphy-Connor men.

## MYSTIC SHRINERS GATHER AT ST PAUL

St. Paul, Minn., July 13.—The red fox worn by the Nobles of the Mystic Shrine is much in evidence about the streets of St. Paul today, and the regalia of the order is attracting attention in all parts of the city. The annual sessions of the Imperial Council of the Mystic Shrine begins Tuesday, and the members are arriving on every train. Special entertainment has been provided for the visitors over Sunday and Monday. Headquarters were opened today at the Ryan hotel.

## GROVER CLEVELAND LEFT LARGE ESTATE

Princeton, N. J., July 12.—Grover Cleveland's will, filed here "is one of the best ever made by a prominent man. It provides for burial wherever he should die, and for the erection of a "moderately expensive" monument. The body may be removed only to be placed beside that of his widow if she so directs. No inventory is stated, but the estate is believed to be worth nearly \$10 million. There are no charitable bequests. He will bequeath each of the children \$10,000; the income of these bequests to be used for their maintenance and education by their mother until each reaches majority. The residue of the estate is bequeathed to Mrs. Cleveland.

ELMER DOVER. Secretary of the Republican national committee, whose hands are full with the detailed work of the campaign.

finally slain and she was captured. After much persuasion she made a confession of all the notorious murders, and as her captors set around, spellbound by the tale of horror, she snatched a revolver and attempted to shoot the man in front of her. At that instant one of the men who was guarding the horses and who had been watching for just such a move, shot her through the brain. The vigilantes carried her body back to where the others lay and all were buried together, after which their clothing, wagon and all belongings were burned and their horses killed and buried.

## MRS. LEAFGREN NOT ENTITLED TO DOWER

St. Louis, July 13.—Judge Kinney, in the circuit court today, decided that Mrs. Mary Leafgren was not entitled to a dower interest and widow's allowance from the estate of Lucide J. Howard, the late fire brick magnate. Mrs. Leafgren claimed to have married Howard at Decatur, Ill., in 1883.

## NEW YORK'S HEAT NOT SO INTENSE

New York, July 13.—Yesterday's intense heat of 93.7 was appreciably diminished today by a cool breeze in the early morning hours. At 9 o'clock the temperature was 79 degrees.

Robert Alexander, a former lumber manufacturer of Cottage Grove and well-known in Roseburg, died in Oakland, Cal., July 6, 1908, at the age of 46 years. Mr. Alexander was at one time interested in the Kinney addition to this city, and superintended the construction of its main thoroughfare, now known as North Jackson street. While in business at Cottage Grove he was associated with Thomas K. Campbell, now state railroad commissioner.—Roseburg Review.
