## MEETING OF HORTICULTURAL STATE SOCIETY

The following circular letter has been issued by the state board of horticulture:

Corvallis, Ore., July 15, '08.  
The Oregon State Horticultural Society will meet in Portland, Oregon, December first, in annual session. It will likewise introduce the sixteenth annual convention of the Northwest Fruit Growers' Association, which organization will deliberate during the three following days.

This "Horticultural Week" in Portland will be the biggest mid-winter fruit growers' packers and shippers' meeting ever held on the coast. Representative horticulturists from all parts of the Pacific Northwest will be in attendance, while eminent teachers, experimenters and authors from various sections of the continent will favor the convention with addresses, lectures and demonstrations.

An especially attractive feature of the occasion will be the very large display of delicious fruits including pears, apricots, prunes and nuts in both commercial pack and plate display. The Oregon State Horticultural Society will offer an exceptionally fine selection of cups for best displays, commercial pack. This in itself will bring out a lively contest and many splendid exhibits, besides there will be several most excellent non-competitive displays from the leading orchard districts.

There are a dozen first-class fruit growing sections in the northwest each one of which is just as good or better than the others. At this meeting these sections promise to outdo all former displays of winter fruits thus assuring a rare treat to our visitors from the east and over across the seas, for this is really an international event at which consumer, buyer and producer will meet for conference, discussion and good fellowship.

This announcement is for the purpose primarily of enlisting your support in behalf of the display. It is time you were thinking about what part you will take on this feature of the convention. Do something; just as much as you can. Exhibit standards in commercial packs or new or little known varieties on plates or otherwise, but for the good name of your district, do something, the best you may to keep the community credit at the top.

In a few weeks the horticultural and farm papers will have a full list of awards together with the conditions of competition. Do not lose sight of the fact that this is one of the very best places at which you can do good work for your locality. Thousands will visit the fruit exhibit; and will gather from it a far better opinion of your products than it is possible to obtain from any amount of printed matter.

As an educational event there has never been any occasion in the northwest to approach it in comprehensiveness. The association had a grand time at Vancouver last year, the best up to that date. This year the association is a year older and in consequence must be bigger, better and entitled to a greater respect. This is the most comprehensive organization of its kind on the continent and Portland is going to entertain the visiting delegates in a style befitting their rank and their glorious occupation.

You will miss a great big enthusiastic educational meeting if you are not in Portland, Oregon, December 1-5, '08.

E. R. LAKE, Secretary.

## BIG JUNGTION FARM SOLD TO PORTLANDERS

Junction City, July 17.—Two Portland business men have invested heavily in Lane county farm land. J. R. Smith, wholesale cigar merchant, F. D. Stephenson, wholesale grocery merchant, and P. D. Gilbert, traveling salesman, were here this week and closed a deal whereby Messrs. Smith and Stephenson became owners of what is known as the John Connor farm, located four miles west of this place.

The farm consists of 1149 acres of fine rolling land. Last year it was sold by the heirs of John Connor to Peter Murray, of Elma, Wash., for \$18,000. Mr. Murray sold the farm to the Portland merchants for the sum of \$36,000. With the land they get 150 head of sheep, 50 head of goats, 40 head of cattle, 4 work horses, three wagons and all other machinery on the farm. It is considered one of the best farms in the Willamette valley. It is said they intend to plant quite a large acreage of apples and other fruits, also a large acreage of English walnut trees.

## HALSEY AND SPRINGFIELD PLAYED CLOSE GAME

Next Sunday at Association Park the hardest game of the season will be fought to a finish between the local knights and the bunch of big fellows from Cutler. Cutler has been playing faster ball than when here, so we honestly look forward to the treat of the season in this line. This will be our first mixup with Cutler since the formation of the four-borough league, and both teams will show up at their best.

in a professional manner, and only once did the umpire hear that familiar cry of "rotten" from the bleachers. Only once did Halsey score an error, and in only one inning did a Springfield man touch the score book, when three slid in, but that was enough to win. Halsey beat around the path twice, the other being shut out by a few inches from a fielded ball. This play was a feature of the game. Kostley, the center fielder, making a star throw from his position square into the big hole at the tally corner, thus shutting out what was almost certain to be a score. Both players and spectators had a good time.—Springfield News.

## ALFALFA GROWN NEAR JUNCTION CITY

A. C. Nielsen left a specimen of alfalfa at this office Monday that measures five feet six inches. Still some people claim that alfalfa will not do well in this valley. It is the very place for its successful culture, as there is always water within reach of its roots. Mr. Nielsen makes it pay and so can others with the same care and attention.—Times.

## A SIMPLE QUESTION.

Eugene People are Requested To Honestly Answer This.

Is not the word of a representative citizen of Eugene more convincing than the doubtful utterances of people living elsewhere in the Union? Read this:

Charles Beadle of 333 West Eighth St., Eugene, Ore., says: "I am fully as ready to recommend Doan's Kidney Pills today as I was in 1906 just after using the remedy. As I said in my testimony at that time I had suffered from kidney complaint nearly always since the war. I never knew when to expect an attack. A cold would bring it on or any over-exertion. On several occasions I was helpless. The last severe attack I had was about six months ago when something like lumbago set in and brought on a heavy bearing down pain as if there was a weight over each kidney. I was bent over and could not straighten up to save me. There was such a weakness in the action of the kidney that I could not control the secretions, and it caused me much annoyance. Having used several remedies, with little, if any benefit, I finally began taking Doan's Kidney Pills. The action of the kidneys and bladder was soon corrected and then the pains and aches disappeared. I was benefitted in every way and what I told in my former testimony about the relief I obtained is true in every respect. Three years have now elapsed since I testified in favor of Doan's Kidney Pills and I have been continually free from kidney complaint. I consider them a wonderful remedy and have recommended Doan's Kidney Pills again and again."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## THE WEST.

Come and hear the break of the sea of seas,  
The thud of a league-long crest,  
And hear the shock of the king of seas  
On the wall of the mighty west.

Come and see the plumes of our forest kings,  
From Sierra's snows to plains;  
God's amphitheatre tier on tier,  
Where pine and redwood reigns.

O, sapphire seas and purple mists!  
No Italy so blest  
A vision of Hesperides,  
Land of the sun-down west."  
—Selected.

## ROSES.

Red as the winds of forgotten ages;  
Yellow as gold from the sunbeams spun;  
White as the gowns of Aurora's pages;  
Pure as the robes of a sinless one.  
Pink as the dawn of a summer morning;  
Sweeter than Araby's winds that blow;  
Breathing fragrance—our world adorning—  
Roses, roses, I love you so!  
—Selected.

## WOOD! WOOD!

16 inch old growth fir, \$5.25 per cord. William Transfer Co., Phone Black 1141.

Will take a few boarders; home cooking. Apply at 521 Lincoln st. j17

Chicken dinner at the Underwood House, 25c. j18

### MICRO

ITCHING SCALP  
DANDRUFF AND  
FALLING-HAIR

Are but outward signs of the evil done in secret by myriads of dandruff germs sapping the life blood of the hair. Micro kills the parasite, soothes the itching scalp, gives lustre to the hair and stops it falling out. A single application gives relief and proves its worth. Save your hair before too late. Micro prevents baldness. It is a delightful dressing for the hair, free from grease and sticky oils. Ask your druggist for free booklet.

## EUGENE CRESCENTS BEATEN BY JUNCTION

In the game of ball played here on Sunday the Junction City Blues defeated the Eugene Crescents by the remarkable score of 12 to 3. The Eugene team didn't have a look-in from start to finish. Nichols, of Junction, was in fine form, striking out fourteen men and not allowing a safe hit, the three scores made by Eugene being let in on errors. Pitney, the catcher for Junction, caught a very good game, only one man safely stealing second.

## EXCURSION TO NEWPORT.

During the summer season Sunday trains will be run on the C. & E. from Albany to Yaquina, leaving Albany at 7:45 a. m. The morning local from here connects with this train at Albany, round trip rate, \$3.00.

Ice cream, lemonade and candies at Walker's, 68 West Eighth street. j22
