OREGON WEATHER CONDITIONS FOR PAST WEEK

Following is a general summary of Oregon weather conditions for the week ending Monday, July 20, as reported by the weather bureau:

The mean temperature averaged nearly normal in the eastern counties and four degrees above normal in the western counties. The first three days were relatively cool in the western counties, and the increment of heat was all gained during the last four days, when temperatures of 90 degrees were common and the 100 degree mark was equalled or exceeded in a few localities, except near the coast, where normal temperatures prevailed. In the eastern counties the temperatures were slightly below normal until the last two days of the week, when warmer meather prevailed.

Light rains fell in the Willamette valley, the southwestern counties and along the coast on the 13th and 15th, and daily rains, unusually heavy in places, occurred on the 13th, 14th and 15th in the eastern counties. These rains, although damaging in a few limited localities, were on the whole very beneficial and effectually broke the drought which has prevailed since the third decade of last month.

Other than a few wind squalls accompanying thunder storms, no high winds occurred during the week and the sunshine was about normal.

Coast District.

Newport, Lincoln county.—The weather during the past week has been very warm and dry.

Port Orford, Curry county.—Clear dry weather prevailed during the week, except Monday, when a thunderstorm occurred with a light rain.

Marshfield, Coos county.—A light thunderstorm passed south and southeast of this station Monday evening and there was a light mist on Wednesday afternoon. Clear and moderately warm weather prevailed the rest of the week.

Willamette Valley

Portland, Multnomah county.—The fore part of the week was cool, with much cloudiness and light rain Wednesday. The latter part was warm and dry, with clear skies.

Bull Run, Clackamas county.—The fore part of the week was cloudy with light showers. Friday it clear warm and generally clear.

Corvallis, Benton county.—A light thunder shower occurred on Monday it was cool and partly cloudy until Thursday, since then it has been warm and generally clear.

Salem, Marion county.—The fore part of the week was cloudy and cool with light showers Wednesday; the latter part was clear and dry.

"THE RIVALS" COMING HERE THIS SEASON

Mr. Joseph Jefferson, who, with his brother William W. is to present "The Rivals" here this season, recently made a flying journey to England. One night he found himself in a little village which boasted of but one hotel. The inn-keeper told Jefferson he had only one room left which was next door to a very nervous man whom he must be careful not to disturb. Mr. Jefferson was shown to the room and in preparing for his night's rest, he unconsciously dropped one of his shoes on the floor. The noise recalled the promise he had made regarding being quiet. He therefore became particularly careful and in due time the other shoe was quietly placed on the floor—the light extinguished and he retired for the night. In about ten minutes the nervous individual rapped on the connecting door and said: "Say, for Heaven's sake, take off that other shoe, so I can go asleep again."

NEWS OF LOWER SIUSLAW COUNTRY

At a meeting of the board of directors Saturday evening Miss Fannie Colvin, of Eugene, was elected teacher of the intermediate department of the Florence school.

William Kyle left Sunday on a business trip to Portland and Astoria. He will do some good work in behalf of the Siuslaw bar improvement proposition.

Miss Agnes Stevenson and Emily McCornack departed Monday on their way back to Eugene after a two-weeks' visit with relatives on the North Fork.

A reception was given by Mr. and Mrs. J. Schreuder at their home last Thursday evening in honor of Mr. and Mrs. Peter Schreuder, who left next day for Monmouth. About 25 young people were present and enjoyed the hospitality of the Schreuder home.

The schooner Coquille began loading lumber at Acme Wednesday. It is the intention to fill the hold and go to San Francisco, where, after discharging, the vessel will receive some needed repairs.

Several of our people think they felt a slight shock of earthquake here last Sunday morning shortly before 1 o'clock. Nearly everybody was asleep at that hour and the jar was not of sufficient force to awaken many of them.—Florence West.

HAPPY WOMEN

Plenty of Them in Eugene, and Good Reason for It.

Wouldn't any woman be happy,
After days of backacke suffering,
Days of misery, nights of unrest,
The distress of urinary troubles,
She finds relief and cure?

No reason why any Eugene reader should suffer in the face of evidence like this:

Mrs. M. J. Drew, of 295 West 5th street, Eugene, Or., says: "I suffered from severe pains that seemed to run from the kidneys through the loins and down into the limbs, and there was also a noticeable disorder of the kidneys, the presence of uric acid causing rheumatic twinges. Being induced to try Doan's kidney pills I was agreeably surprised by the prompt relief found. It helped me a great deal in just a few days, and the improvement continued as long as I kept on with their use. I cannot help but give Doan's Kidney Pills a strong recommendation."

For sale by all dealers, price, 50 cents. Foster-Milburn Company, Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

IT CAN'T BE BEAT.

The best of all teachers is experience. C. M. Harden of Silver City, North Carolina, says: "I find Electric Bitters does all that's claimed for it. For Stomach, Liver and Kidney trouble, it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right: it's the best of all medicines also for weakness, lame back, and all run down conditions. Best, too, for chills and malaria. Sold under guarantee at W. A. Kuykendall's drug store.

Before purchasing an auto, see R. B. Wray, agent for the Buick. See his machine on the street at any time. tf
