## GIFT TO UNIVERSITY FROM PHILIPPINES

George N. Anderson, a former student here, who has been in the Philippines during the past three years, has just given to the University museum a Negrito bow and full set of arrows, from the sharp, barbed man-hunting arrow to the long, four-pronged, bamboo-tipped one used for birds. A half-dozen other types of arrows are represented, including those used for hunting deer, wild boar and fish. The Negritos are a race of dwarfs inhabiting a large part of the Philippine archipelago. Several of them were on exhibition at the Lewis and Clark fair.

## MAY INVOKE RECALL ON JUDGE HANNA

Prohibitionists of Grants Pass and Josephine county are preparing to circulate recall petitions against Circuit Judge H. K. Hanna, of the First Judicial district of Oregon, because of his recent decision sustaining the Medford charter. Ever since the decision was rendered there have been murmurs of discontent with Judge Hanna, which are reported to have culminated in the petition for his recall under the new state law.

Prohibition leaders in Medford profess ignorance of the movement. H. C. Garnett said that he never heard of it, and did not believe in the recall business. C. H. Pierce, the father of the Olwell recall, stated that he had heard the matter discussed some weeks ago in Grants Pass, but supposed it had blown over. Others talked in the same vein.

## CHARGES AGAINST TEACHER DISMISSED

Salem, Or., July 21.—Motion for dismissal by the defendant in the case of the school board of District 38, of Lane county, vs. R. W. Smith, teacher near Junction City, appealed to Superintendent Ackerman from the decision of the county superintendent of Lane county, has been sustained by his honor, the superintendent of public instruction. Smith was released by the school board of a district near Junction City for alleged use of profane language, and he appealed to Mr. Ackerman.

The school board of the Lane county district accused Smith of teaching the children to dance and go through movements that were not required in the course of study. The superintendent of Lane county did not find the complaints well based, and decided in favor of the teacher. The board then appealed to the state superintendent. The case was dismissed on the ground that a full settlement had been made between all parties.

## STRONG BOX STOLEN FROM STORE NEAR ROSEBURG

Roseburg, Or., July 21.—J. A. Hewitt, who lives three miles north of this city on the Winchester road, has discovered the strong box that was taken from the safe blown in I. Abraham's store last October. He was walking along a small creek last Sunday that runs through his place when he made the find. The box contained some very valuable papers and several county warrants, none of the contents being of any value to any one except Mr. Abraham. The value of the warrants will reach \$1500 or \$2000.

The box, after being taken from the safe, was drilled and another shot placed in the top of it to reveal the contents. There being but a small amount of cash in the box, the burglars had dropped it in this ditch so that it would not soon be discovered. It will be remembered that this safe-blowing caused the fire which destroyed the store and general merchandise stock of I. Abraham on October 21, 1907. There was not the slightest clue to the burglary at the time, but small bits of evidence have been constantly coming to light, and now that the strong box with its contents intact has been discovered, it may furnish evidence enough to capture the safe crackers.

There have been several pieces of money in circulation since the burglary that had the markings of nitroglycerine, and it is thought by several local firms that this money had not passed through many hands since the burglary until it came into their possession. A careful investigation will be made of the strong box. It is believed the parties who did the job will be apprehended.

## LINN COUNTY MAN SAW HIS FIRST AUTOMOBILE

George Klum, an octogenarian, in the city yesterday on his way to Walla Walla with his son, saw his first automobile, never having seen one of the machines, which have become about as common as horses. Mr. Klum has been spending his life up in the foothills away from the automobile paths, and this was his first visit to Albany for a good many years. Before he gets back he will see plenty of the modern vehicles at Portland, Walla Walla and anywhere else he may go, for the machine is now found almost everywhere, making the fact that he had never seen an auto before rather remarkable.—Albany Democrat.

## R. B. WRAY WILL PUT IN AUTO GARAGE.

## The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poison in blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kimer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and swelling pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kimer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kimer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
