

# What is Castoria.

CASTORIA is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor any narcotic substance. Its age is its guarantee. It destroys Worms and allays nervousness. It cures Diarrhoea and Wind Colic. It relieves Teething Troubles, Constipation and Flatulency. It assimilates the Food, regulates the Stomach and bowels, giving healthy and natural sleep. The children's Panacea—The Mother's Friend.

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of Chas. H. Fletcher, and has been made under personal supervision since its infancy. Allow no one to deceive you in this. All imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

## Letters from Prominent Physicians addressed to Chas. H. Fletcher.

Dr. F. Gerald Blattner, of Buffalo, N. Y., says: "Your Castoria is good for children and I frequently prescribe it, always obtaining the desired results."

Dr. Gustave A. Eisengraeber, of St. Paul, Minn., says: "I have used your Castoria repeatedly in my practice with good results, and can recommend it as an excellent, mild and harmless remedy for children."

Dr. E. J. Dennis, of St. Louis, Mo., says: "I have used and prescribed your Castoria in my sanitarium and outside practice for a number of years and find it to be an excellent remedy for children."

Dr. S. A. Duchanan, of Philadelphia, Pa., says: "I have used your Castoria in the case of my own baby and find it pleasant to take, and have obtained excellent results from its use."

Dr. J. E. Simpson, of Chicago, Ill., says: "I have used your Castoria in cases of colic in children and have found it the best medicine of its kind on the market."

Dr. L. R. Robinson, of Kansas City, Mo., says: "Your Castoria certainly has merit. Is not its age, its continued use by mothers through all these years, and the many attempts to imitate it, sufficient recommendation? What can a physician add? Leave it to the mothers."

Dr. Edwin F. Pardee, of New York City, says: "For several years I have recommended your Castoria and shall always continue to do so, as it has invariably produced beneficial results."

Dr. N. B. Sizer, of Brooklyn, N. Y., says: "I object to what are called patent medicines, where maker alone knows what ingredients are put in them, but I know the formula of your Castoria and advise its use."

## SALEM COMPANY WINS THE STATE RIFLE TROPHY

COMPANY M HAS BEST RIFLE TEAM IN ENTIRE OREGON NATIONAL GUARD—EUGENE COMPANIES RATHER LOW IN LIST—COTTAGE GROVE COMPANY THIRD

Salem, July 21.—Completion of the state trophy match, the state medal match and the beginning of the individual match marked today's activity on the state rifle range in the annual rifle competition. Every event went off without a moment of unnecessary delay, and a new record was established in the time of completing the trophy match.

After one of the hardest-fought battles ever witnessed on an Oregon range, Company M, of Salem, increased its lead of yesterday and carried away the handsome trophy. Company E, of Cottage Grove, which was pressing the Salem riflemen so hard, lost heavily on the final range, 600 yards slow fire, and took third place. Company D, the crack team from Roseburg, pulling into second position.

Salem got away with the gold medal in the state medal match this afternoon, when the first prize was awarded to Sergeant R. L. White. Second place, as well, went to a Salem rifleman, Sergeant C. Abrams. White and Abrams made 120 apiece out of a possible 150 at three targets, but White won because of making the highest total in rapid fire at 200 yards. Sergeant A. A. Schwarz, of Portland, got third place, with a total of 117, winning over Private Ben Shields, of Roseburg, who had 117, but who fell short at rapid fire. Shields got fourth place.

In the individual match, for which there were 95 entries, Captain George E. Houck, of Roseburg, holds first place tonight at the completion of the first event, a skirmish run. Captain Houck leads today by a dozen points, but there are all the ranges yet to be heard from.

However, there are few better riflemen in the country, and he is a likely winner.

Those shooting above 35 in the skirmish run are as follows:

- Sergeant J. A. Royle, 42; Sergeant E. H. Fisher, 44; Corporal C. H. White, 47; Lieutenant B. L. Beard, 38; Corporal J. C. Spagie, 36; Lieutenant A. G. Pickard, 44; Lieutenant Grover Todd, 41; Captain R. O. Scott, 39; Sergeant A. A. Schwarz, 57; Corporal O. Romms, 64; Sergeant R. L. White, 50; Sergeant U. S. Rider, 35; Sergeant C. Abrams, 45; Captain Geo. E. Houck, 72; Major F. B. Hamlin, 44; Corporal W. W. McCornack, 53; Sergeant Harry Sayle, 37; Corporal Alex Ferguson, 67; Private Ben F. Shields, 43; Corporal C. Fisher, 52; Lieutenant H. H. Petrie, 38; Corporal J. A. Potts, 36; Sergeant F. H. Snodgrass, 40; Private B. Mooney, 58; Lieutenant E. Cunningham, 37; Private R. J. Karstens, 37.

The standing of the various teams in the trophy match was announced tonight, as follows:

- Company M, Salem, 416; Company D, Roseburg, 427; Company E, Cottage Grove, 432; Company K, Portland, 419; Company I, Woodburn, 416; Staff Fourth Regiment, Eugene, 402; Staff Third Infantry, Portland, 401; Company L, Pendleton, 388; Company A, Eugene, 375; Company F, McMinnville, 358; Company C, Eugene, 347; Company H, Portland, 346; Company G, Portland, 337; Company E, Portland, 330; Company G, Albany, 312; Company A, Baker City, 274.

## GOVERNOR LETS CONVICT OUT TO VISIT MOTHER

Salem, July 21.—A radical departure from the methods which are commonly believed to prevail in state prisons has been inaugurated by Governor Chamberlain, who today allowed a convict to go home to say farewell to his mother, who is about to die. The name of the convict and that of his mother will not be made known. It seems that the woman is very old, suffering from consumption, and that she can live but a few days. She has been pleading for a chance to see her son before she dies, and it was at her request that the governor let the prisoner go to his home in the custody of a guard.

The convict will be permitted to talk with his mother one hour, then will be brought back. The favor was extended not to him but to his mother. This is not the first time this has been done, but Governor Chamberlain is the first executive who has allowed a prisoner to be taken outside the walls on such a mission.

About a year ago a woman whose son was a convict became ill and the doctors declared that her death was a matter of but a few days. In response to the appeals the governor let her son go home. The visit had such a favorable effect upon her that she began at once to improve and soon recovered her health.

## WM. HOLCOMB DROWNED IN LONG TOM

William Holcomb, aged 27 and unmarried, was drowned in the Long Tom at Monroe Sunday evening. The accident happened while Holcomb was in bathing, and occurred about dark. He and Joseph Zojavsky, after the heat of the day of Sunday, repaired to the Long Tom and entered the river just below the dam at the Monroe mills. Holcomb was unable to swim, and while wading around stepped off into a deep hole. His struggles attracted the attention of his companion, who went at once to his assistance. He reached Holcomb just as the latter was sinking, and seizing him by the hair attempted to drag him to the surface. About the same moment Holcomb seized his rescuer by the leg and clung so tenaciously to him that both were about to be dragged down. The water was very deep, and finally, in order to save himself, the rescuer with the unpronounceable name had to kick loose and Holcomb was left to his fate. He sank out of sight and it was not until 8 o'clock Monday morning that his body was recovered.

Holcomb had resided for six or seven years in the neighborhood. He made his headquarters at J. T. Carpenter's, of Monroe. He is not the penter's, of Monroe.
