SITUATION OF LAND PURCHASE IS DIFFICULT

BOARD OF REGENTS TALK ALL MORNING — MET AGAIN THIS AFTERNOON—EIGHT OF NINE MEMBERS ARE PRESENT—THE MEETING IS NOT PUBLIC

Discussion was the business of the University board of regents today in Villard hall. All morning the body talked over the land situation, and shortly before noon appointed a committee to look into the question further, and to report at another meeting of the body to be called by President Campbell. The committee appointed was as follows: Hon. Milton A. Miller, of Lebanon; Hon. J. C. Ainsworth, president of the First National Bank of Portland, and Judge J. W. Hamilton, of Roseburg.

From reports in the newspapers before the board convened, the situation is serious, owing to the rise in property volues the last two years. The best tract seems to be the Kincaid plot south of East Thirteenth street, but it is rumored the price will come rather high.

This afternoon the board met again at 2:30. As their meetings are secret no informtaion could be obtained. They had not yet adjourned when The Guard went to press.

All of the nine regents, except Hon. Nehemiam Butler, of Dallas, were present. They are:. Hon. Jas. W. Hamilton, of Roseburg; Hon. Cyrus A. Dolph, of Portland; Hon. William Smith, of Baker City; Hon. Frederick V. Holman, of Portland; Hon. R. S. Bean, of Salem; Hon. J. C. Ainsworth, of Portland; Hon. Milton A. Miller, of Lebanon, and Hon. S. H. Frendly, of this city.

The executive committee consists of Hon. S. H. Friendly, chairman; Hon. Cyrus A. Dolph and Hon. J. C. Ainsworth. Hon. R. S. Bean is president and L. H. Johnson secretary and Hon. Stuart B. Eakin treasurer.

President P. L. Campbell was also present at the meeting of the board, as was Secretary Johnson.

One Hoxie Bullet Kills

The Hoxie Bullet is the most remarkable invention in modern ammunition. When it hits flesh it expands, as per illustration above, tearing fatal wound or causing far greater killing power to small calibre rifles than large calibres now have, thus saving ammunition, heavy recoil and rifle weight and giving greater range, velocity and accuracy. But above all it gets the game sure if you hit it. We do not sell Hoxie Bullets separately but supply U. M. C., Winchester, or any standard cartridge with Hoxieized Bullets and without disturbing original load. If your dealer doesn't keep standard cartridges with Hoxieized Bullets order from us and give us his name. Book of full information for your name on a post card. Send for it today.
