EUGENE MAN GETS SPRINGFIELD CONTRACT

GUST MYERS WILL BUILD \$2680 WORTH OF CEMENT WALK—OTHER NOTES

The town council held a special meeting Wednesday night to pass on the bids for the construction of cement sidewalks to be laid on both sides of Main street from Second to Fifth.

Three bids were offered, the lowest being that of Gust Myers, of Eugene, at the rate of 12 1/2 cents a foot, amounting to \$2680. The other bidders were E. J. Emmons, \$2,800, and Beadle & Noble \$3401. The bid of Myers being the lowest, was accepted and as soon as the city attorney makes out the necessary papers the work will be started.

Postmaster Roberts and family returned Saturday night from a pleasant trip up the river. They all had a fine time and lots of fish. Ronald and Nat reported getting a deer, but the son of a gun got away. The P. M., though, got the big one, only he had loaned his carbine to Jim Clark and had nothing to shoot with. They report good fishing.

The Willamette Valley Company is going to discontinue its office here and hereafter supplies will be furnished by Hunter & Willoughby, of Eugene. Jake Ladager, the manager, has resigned his position with the company, and with his family will take a trip East.

Report comes to us that Mr. and Mrs. George Campbell, formerly of Springfield, but now residing in Oregon City, are rejoicing over the arrival at their home of a permanent little visitor. We are unable to state whether it is a boy or a girl, but of course if papa George had his way it's a young barber of the male sex.—News.

BOY ASSAULTS FOR HIS WAGES-GOES FREE

Simon Waterhouse was brought in from Lake Creek yesterday by Constable Plank on the charge of assault and battery, but owing to his age being only 17 the case was transferred to the juvenile court and indefinitely continued. The disagreement occurred with a man named Post over wages. The boy is the only support of an invalid mother and he will only have to report at intervals.

FOR SALE, EXCHANGE OR LEASE

Having concluded to retire from the lumber business I offer for sale, lease or will exchange for Eugene or Portland income property, my sawmill, sawmill site, booms, lumber sheds, office, planers, dry kilns and all tools connected with the business. Mill located at river bridge in the center of Eugene city, east and west, and only three blocks from the S. P. R. R.

This is a fine opportunity for some one to go into the lumber business, as there is always a big local demand for all slabwood, sawdust, shavings, cull lumber, as well as the better grades of lumber. Logs are cheap, labor cheap, lumber high.

A good millman can make this property pay for itself in two years, and if he will operate day and night in one year. Greatest opportunity in this part of Oregon for a mill man; best located mill in the state. Capacity, 20,000 feet in ten hours.

When you have this mill you are at the market. Planer and dry kiln—everything needed to make lots of lumber and lots of money. Give this your early attention if interested in a lumber proposition. I am sure you cannot beat it in the state. The quicker you act the surer you are of making your fortune, for this is a chance in a lifetime.

IT CAN'T BE BEAT.

The best of all teachers is experience. C. M. Harden of Silver City, North Carolina, says: "I find Electric Bitters does all that's claimed for it. For Stomach, Liver and Kidney trouble, it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right; it's the best of all medicines also for weakness, lame back, and all run down conditions. Best, too, for chills and malaria. Sold under guarantee at W. A.
