

YOU PAY A HIGH PRICE

FOR almost everything you buy, including the common necessities and the expensive luxuries, from foodstuffs to automobiles.

The one marked exception is lumber, which can be bought cheaper today than for many a year past and is retailed in Eugene in many instances for less than wholesale prices.

This means that your dollar will buy more now than at any other time and this is therefore the time to spend it.

RUMBLE OF CIRCUS COMING TO TOWN

News for the boys and girls— young and old.

The rumble of the wheels of the old, mysterious, fascinating circus wagon—which has never been imitated by anything else in the world—with their accompanying monkey cages including the natural born comedians of the animal life, the ticklish playing bands and all that sort of thing which goes to make up a circus, is evidently headed this way.

With this beloved rumble, the at-

IT CAN'T BE BEAT.

The best of all teachers is experience. C. M. Harden of Silver City, North Carolina, says: "I find Electric Bitters does all that's claimed for it. For Stomach, Liver and Kidney trouble, it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right; it's the best of all medicines also for weakness, lame back, and all run down conditions. Best, too, for chills and malaria. Sold under guarantee at W. A. MORE AUTOMOBILE NEWS

To the Editor:—Under the above caption there appeared in the Morning Register of July 30th an item which will without doubt keep the anticipating public more intensely standing on tiptoe; and peering over the horizon boundary of the future than the announcement that Herman, the wizard, or the Italian with the trained monk, would appear on the bitulthic streets of Eugene one week hence. As a matter of fact, when one reads that Morning Register item, and notes its ambiguous language, he can only arrive at one of two conclusions—take your choice: Either that it is a hot-air inflation pure and simple, or it demonstrates the old adage that "the leader always leads and the imitator follows." In the Morning Register of July 29 the item appeared that E. J. Frasier, the leading real estate dealer of Eugene, had purchased a beautiful Rambler automobile, and now comes this effusion. Which is it?
