HERMAN RIDDER TALKS POLITICS IN PORTLAND

Portland, Aug. 1.—Herman Ridder, one of the best-known and most influential German-Americans in this country, publisher of the New York Staats-Zeitung, mentioned prominently as a vice presidential possibility on the Democratic ticket, who is making his first visit to the Pacific coast, having arrived at the Hotel Portland yesterday afternoon, says that the greatest evils that the people of the United States have to contend with today are the trusts and the question of tariff reform.

In an interview given a local paper this is what he said in brief:

That it was, and is, a Roosevelt panic.

That the trusts and tariff are twin evils.

That Taft would be powerless to reform the tariff.

That Cannon, Paine, Dalzell and others would never permit tariff reform.

That the Republicans will promise tariff reform perpetually and never carry out their promises.

That there are enough idle men in the streets of New York to turn the results of the election in that state.

That one judge should issue the temporary injunction, whether it be permanent to be decided by another

HERMAN RIDDER.

and before punishment is administered the case should be heard by three judges.

CELEBRATE CENTENNIAL OF LINCOLN'S BIRTH

By permission of "McClure's"

Abraham Lincoln

Springfield, Ill., Aug. 1.—Preparations are being made for the celebration on an elaborate scale of the one hundredth anniversary of the birth of Abraham Lincoln, on February 12, 1909. The exercises will be held in this city.

The entire proceedings will be under the general direction of the Lincoln Centennial Association, of which the following are the charter members.

Melville W. Fuller, chief justice of the United States; Senators Cullom and Hopkins, of Illinois; Speaker Joseph G. Cannon, Adlai E. Stevenson, Governor Deneen, James A. Rose, Secretary of State of Illinois; Congressman Benjamin F. Caldwell, ex-Governor Richard Yates, of Illinois; Melville E. Stone, of New York; John W. Bunn, of Springfield; Horace White, of New York; William Jayne, of Springfield.

Invitations have been issued to the president, the members of his cabinet, and to the ambassadors, ministers and consuls of the foreign governments.

Among those who have already agreed to be present if possible are Ambassadors Bryce and Jusserand, William J. Bryan and William H. Taft.

The program in Springfield will consist of formal ceremonies at the grave during the morning, a public meeting in the afternoon and a banquet at night. Two features of the celebration have been practically agreed upon and the educational authorities of each state will be asked to carry them into effect. These are that the same program that will be carried out in Illinois be also observed in every school-house in the country, and that at a certain hour of the day each school child in the land shall stand, and facing in the direction of Springfield, repeat the brief speech that Lincoln uttered as he bade farewell to his friends and neighbors in Springfield the day he left for Washington in 1861.

The Oregon Electric Railroad Company has increased the capital stock from $2,000,000 to $10,000,000. The object given is to construct a line from Portland to Roseburg and from Portland to Tillamook, Portland to Eugene by way of Benton county, Albany to Cascadia and a line to Dallas, to the city of Salem and thence to Mill City.

KENTUCKIANS LYNCH FOUR NEGRO SUSPECTS

Russellville, Ky., Aug. 1.—Four negroes, Virgil, Tom and Robert Jones and Joe Riley, were taken from the county jail here and hanged by a mob on the edge of town. No shots were fired by the mob, which was composed of about fifty men, and the people of the town knew nothing of the affair until daylight revealed the four dead bodies. The following note was pinned to one of the bodies:

"Let this be a warning to you niggers to leave while minus alone or you will go the same way. Hugh Hogue had better start up or quit crop."

The negroes hanged were members of a ladies club of a meeting recently it is said they approved of the murder of James Cunningham, a white farmer, by his negro tenant.
