CITY NEWS

The Eugene steam laundry has put a fine new delivery wagon on the street.

Another carload of bitumen for the Warren Construction Company arrived last night.

The date of the opening of the fall term of the Eugene Bible University has been fixed at September 22.

The old brick vault in the First National bank is being torn out, the new one in the new addition now being occupied.

Geo. McLean, H. L. and L. R. Edmunson started this morning for a deer hunt up in the lake country at the summit of the Cascades.

Meat market fixtures for A. L. Spring have arrived here from Portland. As soon as he finds a location he will begin business here.

Albany Herald: Geo. W. Taylor, housemover and contractor of Eugene, formerly of Albany, has been in the city today on a short business trip.

Jake Berger, Stub Anderson and Tom Linn left today for a hunting and fishing trip up the Middle Fork. They expect to go as far as Hill's ranch.

James P. Smith, an organizer for the Woodmen of the world, has arrived in Eugene from Spokane with his family and will make this city his home.

James Deeds, of this city, has been awarded the contract to paint all of the scenery for the Medford theatre, which is being remodeled and enlarged.

Lee Chaney has sold the fixtures and business of the Plymouth lodging house to G. F. Windsor, from Sacramento.

John Hunzicker, the architect, is drawing plans for a two-story dwelling house to be built by J. J. Nicolle, at West Ninth and Lincoln streets. It will cost in the neighborhood of $2500.

Rev. D. H. Trimble writes The Guard from McKenzie Bridge that he and his family will leave there this evening for home. They have had a profitable and restful outing, he says.

Eli Bangs and wife started yesterday for Foley Springs in a private conveyance, but before they had gone far one of the horses, Mr. Bangs' favorite mare, became sick and they stopped at O'Brien's place, where she died. Intestinal complaint was the cause. The mare was valued at several hundred dollars.

There is a great deal of complaint that farmers' boys in the vicinity of Irving and at other places are slaughtering young Chinese pheasants. The deputy game warden has been notified and he is now laying for the offenders.

Chief of Police Farrington is back to duty after a pleasant outing at Newport. Officer Purdy, who took his place, is now off with the militiamen at American Lake, and L. Renney is taking his place on the night force.

A. C. Jennings and P. J. McPherson, county road viewers, returned last evening from the lower Siuslaw country where they have been viewing out a number of roads. They report the weather extremely hot down that way during their absence.

A gasoline engine installed by the Chambers Hardware Co. is being used to pump the water out of the excavation being made for the new race gates at the mills while the men are working. This saves time over the old way of a bucket and a rope.

In "The World Today" Prof. E. E. De Cou, the prominent educator, connected with the department of mathematics at the University of Oregon, has an article under the title of "Oregon, the Home of Direct Legislation." The article, while not long, is succint and accurate.

Mr. and Mrs. Louis McKown, of Los Angeles, have arrieved in Eugene after a tour of the coast looking for a place for investment and for a home and they have concluded that Eugene is the best. They have a daughter who will enter the University and one who will attend the high school.

The announcement of the marriage of Miss Cora Cameron, who graduated from the University this year, to Harold Lawrie, who is a mining engineer, employed in the Bohemia district, is made. The wedding will take place at the hmome of the bride at White Salmon, Wash., tomorrow. They will live at the Bohemia mines for a time.

The funeral of George I. Bolton was held this forenoon at 10:30 o'clock at the Gordon undertaking parlors with interment in the I. O. O. F. cemetery. That of Walter Francis was held at the same place this afternoon at 2:30 o'clock with interment in the Mulkey cemetery. Rev. O. C. Wright conducted both services.

C. P. Barnard, A. W. Haskell and F. M. Wilkins, appraisers of the estate of A. J. Campbell, deceased, filed their inventory of the property yesterday afternoon. They appraised the property, which consists of lots 3 and 4 in fractional block 1 in Mulligan's donation, at $5400. The property is at the corner of West Ninth and Olive streets.

The Booth reception tonight will be by the general public, not alone the club members.

Mike Wald has closed his moving picture theatre at Cottage Grove for the summer and he has returned to Eugene and resumed his old position with the Eugene Gun Company.

G. Myers, the cement worker, will commence on his big contract to build a lot of cement sidewalk at Springfield Thursday. He will also do a lot of work there outside his contract with the city. He will transfer his headquarters from Eugene to Springfield temporarily.

The work of moving the buildings off the lot to be occupied by F. E. Dunn's and F. M. Wilkins' three-story brick block on West Eighth street was begun this morning. E. J. McClanahan will be the last to move out of the old buildings. He is waiting for the completion of his factory building at the end of East Tenth street.

Mr. and Mrs. M. J. Duryea, of Fredericktown, Mo., arived here this afternoon and will remain a month or six weeks. They are correspondets of the Eugene Commercial Club and were induced to come here through letters and advertising literature sent out from the club to them. Mr. Duryea is a capitalist and expects to invest here.

In the federal court at Portland yesterday, the case of the government against Elbert Brown and his wife, Nellie Brown, of this city, who were associated with the Dr. Pavis and Dr. Loomis cases, in which the latter two pleaded guilty, was dismissed, it being explained by Judge Becker that there was no evidence to connect them with the charge.

Factory for Sale

For Sale A cider vinegar, apple butter and cider jelly factory on the corner of Blair and West Second streets; one of the best corners in the town for that kind of business. Building is 50x100 divided in half by partition on a lot 60x123. Ample room to handle and pack fruits, farm produce, etc., when not manufacturing. Very little competition, and if any, we have the markets of Tacoma, Seattle and Alaska to supply. In fact, a number of Eugene merchants have said that they needed just such a factory here to buy their goods from. A golden opportunity for some one
