BRING GRAVE CHARGE AGAINST GREAT SINGER

Rome, Aug. 5.—Signor Alfredo Venturini, the renowned base singer, who recently returned to Milan from his triumphs at Convent Garden, has been arrested on a warrant charging him with an offense against the eleven-year-old daughter of a Milanese family which had accorded him hospitality. The singer stoutly protests his innocence.

Signor Venturini is a widower, forty years of age, and is the father of a boy of sixteen and a girl of fourteen, who are at college in his native town of Ancona. As the authorities absolutely refuse to grant bail, the slowness of justice in Italy renders it probable that the famous singer will be constrained to cancel his engagement to sing in New York the coming season.

KLAMATH COUNTY PROMISES HARRIMAN MUCH GAME

Klamath Falls, Aug. 4.—The Harriman party is scheduled to arrive here during the early part of this month. It is Mr. Harriman's desire to kill a bear while in this section, and game conditions are such that he should have his wish gratified. More bear have been killed in the mountains of Klamath county this year than for several years previous, and from all parts of the county come the reports that Mr. Bruin is very much in evidence, and pays sheep camps and pleasure seekers visits at times when he is least expected. Deer are much more numerous than they have been for years, and almost every party of hunters that takes to the hills succeeds in bagging one or more. The game laws are being strictly enforced and few deer are being unlawfully killed.

THOMAS A. EDISON TO VISIT PACIFIC COAST

New York, Aug. 4.—To gratify a lifelong wish, Thomas A. Edison, the great inventor, has decided to quit temporarily his laboratory at Llewellyn, N. J., and go on a roving commission to the Pacific coast, where he will engage in scientific reasearch free from all commercialism. The change does not mean that he will cease work at all, but that he will devote himself purely to science. Edison, accompanied by his wife, will leave his home late in August for the journey.

NEWS NOTES FROM LONDON SPRINGS RESORT

(Special Correspondence.)

London, Aug. 4.—The visitors who commenced to arrive Saturday evening returned to their homes Sunday refreshed in body and mind.

Mrs. E. Tennis, who has been running a boarding house in Cottage Grove, now has charage of the hotel and grounds here. She and her force have been very busy the last few days getting the house and grounds in shape for a season's run. Mrs. Tennis is a most excellent lady and thoroughly understands the needs and how to supply them of a first-class hotel.

C. B. Hadley and wife, Miss Lulu Snyder and Miss Hattie Canady, of Crow, came up Friday to visit Mrs. Frank Hadley, who is camping here. They returned home Sunday.

Barney Paine and wife returned to Eugene Saturday. After the berry episode Mrs. Paine thought it advisable to take Mr. Paine back to civilization. Mr. Paine was pretty badly scared and tore up considerable brush in his flight down the mountain, but managed between acts to fill his bucket. Mr. Fline was a close second and followed on to Eugene Wednesday. It is safe to say the above gentlemen will give London a wide berth in the future.

Wilts Owen has changed his occupation to father confessor of the camp. He confesses his own sins and washes them away—in the bath tub.

Captain Sachs and wife, Mrs. E. Bailey and Mrs. R. Wait bid farewell to London last Saturday, after three weeks' sojourn here.

J. F. Kirk and wife, of Smithfield, and John Milliorn and family, of Junction City, came up last Sunday and pitched their tent, intending to stay a month.

Messrs. Charles and Frank Hadley, of Crow, who have been hunting and fishing on Crescent Lake, came up by London yesterday and escorted their wives home.

A. M. Gilbert and family and A. W. Gilbert, wife and daughter, Mrs. Stryker, of Eugene, camped here Sunday night. Monday morning they went on up the river to Cougar Bend to hunt and fish and gather berries. They will return here later and camp for some time. Look out for a bear story.

The Black Butte mine has closed down for lack of wood. They will make a thorough clean-up of the slippery metal before starting up again.

What a Heap of Happiness it Would Bring to Eugene Homes.

Hard to do housework with an aching back.

Brings you hours of misery at leisure or at work.

If women only knew the cause—that

Backache pains come from sick kidneys.

'Twould save much needless woe.

Doan's Kidney Pills cure sick kidneys.

Eugene people endorse this:

Mrs. S. Y. Abbott of 484 Pearl St., Eugene, Ore., says: "Last winter I was taken down with a bad spell of sickness and kidney complaint. There was hardly ever a time when I could not attend to my housework but this time I was completely laid up. My back was so weak I could scarcely move without pain. I started doctoring and took several prescriptions, but without much benefit as far as I could see. Doan's Kidney Pills were recommended to me and I got a box. I continued taking the remedy and the pains and weakness left me. My kidneys seemed to gain strength until I was entirely well again. I can now do my work without the least annoyance."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

"I have found Bucklen's Arnica Salve to be the proper thing to use for sore feet, as well as for healing burns, sores, cuts, and all manner of abrasions," writes Mr. W. Stone, of East Portand, Maine. It is the proper thing, too, for piles. Try it! Sold under guarantee at W. A. Kuykendall's drug store. 25c.

IRVING GENERAL STORE HAS CHANGED HANDS

(Special Correspondence.)

Irving, Aug. 4.—Leda Zumwalt spent a few days in Eugene, returning to Irving Saturday.

W. W. Faulk has sold his stock of merchandise to J. M. Smock and William Kulssman, of Southern Oregon, who will takep ossession as soon as the transfer is made. The new firm is known as the Irving Mercantile Company, and we are sure they will be successful in business. Mr. Klussman is here now and will manage the business until Mr. Smock arrives.

The Irving grange met Saturday evening at the hall, and combined business with pleasure. , we suppose, as they served ice cream and cake. The society is in a very flourishing condition.

Richard Cook had the misfortune while crossing the railroad track north of town to have his gasoline engine struck by the local freight. It seems that the engineer could not or did not stop in time to avoid striking the engine. Mr. Cook says he gave ample signals to cause them to stop before reaching the crossing.

B. F. Bond spent a couple of days in Portland last week.

Miss Jewel Ellmaker is visiting E. W. Zumwalt.

MANY INDICTMENTS HAVE BEEN DISMISSED.

Land fraud indictments against the following were dismissed in federal court at Portland yesterday:

Claud Thayer, Maurice Leach, Thomas Coates, G. O. Nolan, Elbert K. Brown, William H. Davis, Clark E. Hadley, Walter J. Smith, John Tuttle, Livy Stipp, Nellie Brown, Joseph Black, et al.

All of these indictments with the exception of those against Joseph Black and others, were brought by Heney during his land fraud investigations more than three years ago. Black and several others were indicted by W. C. Bristol when he was United tSates District Attorney. This was known as the Wisconsin case. The Circuit Court of Appeals, on application to remove from Wisconsin to Portland for trial, held that the indictment was insufficient. For this reason Mr. Becker requested the dismissal of this particular indictment, No. 4845.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, uric acid, catarrh of the bladder and Bright's Disease, which is the worst form of kidney trouble.
