

Thousands Have Kidney Trouble and Never Suspect it. Prevalency of Kidney Disease. Most people do not realize the alarming increase and remarkable prevalence of kidney disease.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage.

It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night.

Tomorrow (Sunday) no duty call and many have taken advantage of this and are in Seattle, Tacoma, Olympia and other nearby Washington cities.
