Eugene's Foremost and Best Store

S. H. FRIENDLY
592-594 Willamette Street

CITY NEWS

The brick work on the addition to the Smith block began this morning.

West Tenth street, between Willamette and Olive, is now being paved.

The quarterly examination for teachers' certificates will commence tomorrow.

The work on the concrete walls of the superstructure of the Cherry block began this morning.

The two Ottos, Kaufmann and Reichman, are in Portland buying fixtures for their new grill.

Mrs. J. C. Welch and daughter, Miss Margaret, arrived in Eugene from Portland this afternoon.

M. S. Hubbs, who is in a Portland hospital, writes that he is getting some better, but he is still pretty sick.

The paving on Olive street has been completed and that thoroughfare is now a splendid driveway for automobiles.

A press dispatch from Cottage Grove says Clyde Baker, the pride of the fans of this town, joined the Chicago girls last Saturday as a pitcher. Baker is undoubtedly the

best man Cottage Grove ever produced. He receives \$3 a day and expenses.

Geo. H. Smith, the commission merchant, this morning received a carload of the finest watermelons ever brought to Eugene.

A Jersey bull has been added to the dormitory herd of cows. Captain Briggs brought it down from Creswell the first of the week.

Work on the Fisher & Baker new laundry building will begin at once. The building will be 60x50 feet in dimensions and one story high.

The contract for E. M. Johnson's handsome new home, to be built on his lot at Oak and East Twelfth streets, was let today. Free Thomas is the architect.

Round trip excursion rates on all street cars tomorrow. Tickets for sale at Kooch-Inoor parlors and at Dempster's Fairmount store. See them and save money.

Eberle Kaykendall is home from Triangle Lake, where he has been camping with his folks. He starts for San Francisco in a few days to enter a medical school.

Round trip excursion rates on all street cars tomorrow. Tickets for sale at Kooch-Inoor parlors and at Dempster's Fairmount store. See them and save money.

Wm. Gilham, superintendent of Western Union and Southern Pacific telegraph lines for the upper valley, has just completed the work of transferring the batteries for the new telephone from Springfield to the new depot at Eugene, and now this city is in direct wire connection, via the Springfield cut-off, with all points on the east side branch.

Professor Guy Stockton, who was recently elected superintendent of Eugene's public schools, has wired the board from Steamboat Springs, Colo., that he will accept the place.

Round trip excursion rates on all street cars tomorrow. Tickets for sale at Kooch-Inoor parlors and at Dempster's Fairmount store. See them and save money.

There will be a lecture in the U. B. church this evening on the subject of "South America," by Mrs. C. Kurzmann Gladstone. All are welcome. A silver offering will be taken.

Albany Democrat: J. M. Deeds, of Eugene, is in the city renewing contracts for space on his opera house

Native (to clergyman, who has assisted him to push his cart uphill): "May every blessing rest on your head, sir! Sure one donkey never could have done it."

Early this afternoon the awning in front of Cook & Wetherbee's store caught fire, presumably from a cigar stump thrown from an upper window, and blazed up quite high before it was put out with a stream of water from a small hose.

Lee Hoselton, while at the coast, fell and injured the arm which was shot by a friend about five years ago when the friend thought Lee was a deer. He fell on the arm, which has been stiff since the shooting, and fractured the bone. He came home last night and will be unable to use the arm for several weeks.

Sid Smith, of this city, who played a number of games on the Vancouver team of the Tri-City League, is the choice of the Portland Journal for shortstop for an all-star team from the league. His batting average was .416 and fielding average .844. Pender, formerly of the Eugene high school, is selected as pitcher.

The reinforced centre Vudor hammock is the one to buy. They are wider, longer and stronger than the ordinary kind.
