CITY NEWS

The notarial commission of J. W. Vaughan, of Cottage Grove, was filed with the county clerk yesterday afternoon.

A. E. Wheeler has let the contract to erect his life residence at West Tenth and Jefferson streets to Louis McKown.

The wooden buildings on the lot to be occupied by Dr. Zuber's brick building south of the Christian block are being moved off.

Oak street, between East Seventh and East Eighth, will be the next to be paved. The crushed rock on that block was leveled by the steam roller today.

William Edward Boddy, a native of Canada, yesterday afternoon filed with the county clerk his declaration of intention to become a United States citizen.

The Lane County Fruit and Vegetable Growers' Association received good returns on their shipment of cherries to Los Angeles, receiving \$1.40 a box for them.

It is now definitely decided that the new depot will be ready for occupancy on Saturday of this week. It is probable, though, that business will not begin there until Sunday.

Frank Armerberger, who recently sold his farm near Irving to Mr. McCarty, a new arrival from Iowa, has moved to Eugene. He received \$43 an acre for his 190-acre farm.

Edward Johnson, F. T. Plank and A. E. Wheeler, appraisers of the property of the estate of B. B. Deyoe, deceased, today filed their inventory. They appraised the property at \$1,002.68.

C. J. Barthe, who left from Eugene to Seattle to attend the grand finale of the Eagles, writes that the city is full of the lodgemen and that they are having the best time of their lives. Seattle is doing itself proud in entertaining them, he says.

Mrs. Mary Wald has begun work on another new residence on her property on Charleton street between West Fifth and West Sixth. It will be a two-story structure and will cost in the neighborhood of \$2,000.

Hampton Bros., the merchants, have purchased the Uncle Bob Campbell place of five acres one-fourth of a mile this side of Foley Springs, for a summer home. The place has a good house and a small orchard. It will be improved and will make an ideal place at which to spend the summer.

C. L. Inman, of Wallowa, is today unloading a 50-horsepower boiler and a 40-horsepower engine from the cars at Springfield for his sawmill near Wallowa. It will double the capacity of the mill, which is now about 7500 feet of lumber per day. The boiler and engine were ordered through the Berger-Bean Hardware Company, of this city.

The council of Brownsville has put the ban on "near beer," so far as selling the same in Brownsville is concerned. Unfortunately for the manufacturers of this much advertised "temperance drink," the ordinances of this city provide that malt liquors can only be sold by registered pharmacists, and the council ordered strict enforcement of the law.

Miss Nettie Kress, one of Eugene's best known school teachers, has the distinction of killing a vicious wildcat while in the mountains near Blue River a few days ago. She and a number of others were going along a trail when a dog tamed the wildcat. She and Mrs. M. F. Griggs both fired at it, but their first shots missed. The second shot Miss Kress fired struck a vital spot and the big cat came tumbling to the ground.

The Brotherhood of American Yeomen is only eleven years old and has a membership of over ninety thousand and a reserve fund of over one million dollars. The state law of Iowa, wherein the organization is incorporated, requires that all reserve fund securities must be deposited with the state. The Yeomen pays accident, disability benefits, as well as death benefits. Look up the Yeomen proposition and compare same with other plans of fraternal insurance. A big local lodge will be organized in Eugene tonight at the A. O. U. W. hall.

Mr. Krebs does not know how serious the disaster is or whether it will affect the price of California hops or not. It is not probable, however, that the prices will be generally affected by the storm, which appears to have been local in its character.—Salem Statesman.
