

ACTIVE BURNS NOT GUILTY OF CONTEMPT

Superior court today dismissed the charges against William J. Burns, who was held in contempt for refusing to answer questions in a case involving the national convention of the Catholic Total Abstinence Union today. The resolutions declared that "not in drunkenness and riotous living can any man make effective profession of the Catholic faith." The resolution also declares "with all our souls we welcome the encyclical of our holy father, Pius X, on modernism."

AMERICAN ATHLETES SMASH MANY RECORDS

Queenstown, Aug. 13.—Prior to sailing for New York, several of the athletes who recently competed in the Olympic games at London gave an exhibition on the promenade grounds here tonight, and in each event established a new world's record. Ralph Rose, of San Francisco, put the 16-pound shot 51 feet 1 1/2 inches. Welch, of Canada, threw the 56-pound weight for height 16 feet 3 1/2 inches, and John Flanagan, Irish-American A. C., threw the 56-pound weight 39 feet 3 inches.

TWO KILLED IN EXPLOSION OF BALLOON CHOLERA THREATENS RUSSIAN CAPITAL

London, Aug. 14.—Two were killed and six injured by the explosion of the envelope of a balloon owned by Captain Lovelace, of the New York Aero Club, today. Preparations for an ascension were being made when the explosion occurred, the cause supposed to have been the throwing down of a lighted match. Miss Hill, aged 16, secretary to Mr. Lovelace, was burned to a crisp, and the other person killed was a man. Captain Lovelace's clothes were burned but otherwise he was not injured.

PINGHOT TALKS ON PRESERVATION OF THE FORESTS

CHIEF FORESTER ADDRESSES CONVENTION OF UNION PRINTERS—EXPLAINS POLICY OF ADMINISTRATION AND LAUDS WORK DONE UNDER DIRECTION OF PRESIDENT ROOSEVELT

Boston, Mass., Aug. 14.—Gifford Pinchot, chief forester of the United States, addressed the typographical convention on the preservation of the forests today. He spoke as follows: "The conservation of national resources is the use of hard sense business principles and practical knowledge in dealing with the land we live in. It means keeping this country a good place to live in for ourselves and for our children. Most of all, it means the avoidance of waste."

NEGRO COOK IS SLAIN AFTER KILLING OFFICER

New Orleans, Aug. 14.—Policeman John J. Carroll was cut to death today by a negro cook, who was afterward killed by the police on a Louisville & Nashville train in the station here. The negro was quarreling with another negro when Carroll entered the car. The cook disemboweled him and ran into the drawing room, where he was surrounded and killed. Carroll fired at the negro as he ran and badly wounded him. The negro murderer's name was Frank Barralsford. He had been drinking when he reported for duty in the dining car. During the excitement another negro, John Scott, was shot, perhaps fatally.

CORVALLIS ICE WORKS DESTROYED

Corvallis, Aug. 14.—This morning at 2 o'clock fire destroyed the Corvallis Ice Works, entailing a loss of \$6500, with but \$3500 insurance. The Hazelwood Cream Company's branch office, located in the building, came in for a loss of \$300, and the Occidental hotel lost 200 pounds of butter in cold storage there. The fire started in the boiler room and was under such headway when discovered that the entire two-story structure, 50x75, was consumed despite strenuous efforts of the fire department. Until two or three weeks ago John Engle was proprietor of the ice works, and at that time he turned the plant over to his son, Calvin Engle, leading him the property. The Engles are undecided as to rebuilding.

SPELL BINDERS FOR BRYAN ARE SENT TO FRONT

Chicago, Aug. 14.—With the organization of the speakers' bureau of the Democratic national committee practically completed, John H. Atwood, head of the bureau, today sent out nearly thirty speakers in response to requests from Democratic organizations in various parts of the country. This campaign will be followed by greater numbers sent to every part of the United States where their services are needed. Mr. Atwood says that twelve United States senators have volunteered their services on the stump.

play policy, and involves the question of whether or not the great public service corporations like the railroads shall be the servants or the masters of the people; second, the conservation or foresight idea, which involves the question whether or not we shall throw away the future of this nation by destroying the resources of its national welfare; third, the farm life idea or policy, to consider which he has just appointed a commission on country life. This policy involves the question of whether the men who produce our food in the country shall have as good a chance in social, intellectual and cooperative life as the men who consume the foods in the towns. For these three ideas President Roosevelt will be remembered and blessed long after all of us have gone to our reward.
