INTERSTATE PROSPERITY CONGRESS IN SESSION

New York, Aug. 14.—"Smile, and Keep Smiling," was the slogan of the several hundred "Hustlers" who gathered in the assembly room of the Metropolitan Life Insurance Building this afternoon and took part in the formal opening of the Commercial Travelers' Interstate Prosperity Congress. The congress will remain in session over tomorrow. The restoration of prosperity is the dominant idea of the gathering, but other things will not be neglected. The commercial travelers of the country were responsible for the inception of the congress, but the associations of business men throughout the country and the public generally has taken up the idea with enthusiasm. The promoters of the movement believe that if the "knockers" and the "croakers" can be silenced there will be a speedy return of good times. Plans to this end are to be thoroughly discussed by the congress and steps taken for concerted action on country to restore public confidense.

Those in attendance at the opening of the congress included the national officers and many leading members of the United Commercial Travelers and the Travelers' Protective associations, the two great organizations of traveling men in this country. Controller Herman A. Metz, as president of the congress, called the gathering to order, and introduced Henry Clews as the principal speaker of the afternoon. Mr. Clews, who is recognized as one of the foremost authorities on the subject of the financial and industrial condition of the country, spoke interestingly of the conditions as they exist at present and the outlook for the future. Another prominent speaker at the initial session was F. C. Simmons of St. Louis. Several of the national officers of the traveling men's associations also were heard. Following the formal addresses there was an open discussion of ways and means for "booming prosperity."

Tomorrow Controller Metz will take the officers and guests of the congress for a sail around Manhattan and to Coney Island, while the delegates will take sight-seeing autos to Manhattan Beach. The congress will wind up tomorrow evening with a banquet at the Victoria Hotel, at which Mayor Rose of Milwaukee, Lewis Nixon and other men of prominence are scheduled to speak.

AMUSEMENTS

Lee Willard, who plays an engagement at the Eugene theatre next Wednesday evening in Sol Smith Russell's great play, "A Poor Relation," belongs to the new school of actors. The new school is really the oldest school of all, but it is the fashion to say the actor makes a departure whose methods are natural, whose eyes are always trained on truth, and whose greatest triumph is the picturing of humanity as it is. Such an actor is Lee Willard. He has learned the technique of his art in the best academy the actor can command, the theatre.

CARNIVAL IN MEDFORD

The American Amusement Company Carnival, as per previous announcement, arrived in Medford Sunday morning and proceeded to pitch their tents on the S. P. grounds. Their shows, five in number, are placed in five different tents, and consist of the Electric theatre, Dixie Land, The Australian Wild Girl, Crazy House and the Glass Blowers. Each show has received very good patronage the past two nights, and those who took them in declare they got value received for the money invested.

Kid Mangel's high dive is a leading feature of the show. He dove last night from the top of a ladder 75 feet high into a tank containing three feet of water. The water was first covered with gasoline and set afire so as to make it appear like a furnace. The stunt is a good one and well worth seeing.—Medford Mail.

The carnival will appear in Eugene all next week, commencing Monday night, August 17, and the carnival grounds will be situated on the lot near the S. P. depot. Shows open nightly at 7:30 p. m., and the price of admission is 10c to the children and 15 cents to the adults to the different attractions.

AT THE GRAND.

The program at the Grand will be found in another column and is one of the best of the season. Plenty of comedy with just enough drama to make it interesting. Two performances each evening.

Portsmouth, N. H., Aug. 14.—In the presence of a gathering of distinguished naval officers, state officials and other invited guests, a bronze tablet was unveiled today in memory of Admiral Farragut. The tablet was placed on the commandant's house at the Portsmouth navy yard, where Admiral Farragut died. The unveiling ceremony was performed by Admiral George Dewey, who was an officer under Admiral Farragut. DIVORCED BARONET WEDS MISS PORTER

London, Aug. 14.—Sir Merrik Burrell, whose first wife was the daughter of Walter Winans, formerly of Baltimore, has ventured into matrimony again. Today he was married to Miss Porter-Porter, a beautiful girl belonging to a Sussex family of note.

It was only last October that the matrimonial troubles of Sir Merrick and his beautiful and well-dowered wife attracted notice on both sides of the Atlantic. After a sensational trial, in which the baronet charged his wife with having run away with Captain Henry King of the Royal Horse Guards, a divorce was granted to the injured husband. The wife, according to evidence, left not only her husband but her three children behind in her flight.

Sir Merrick is a very good-looking young fellow and universally popular, and his many friends trust that his second marriage will prove happier than his first. He is one of the few Englishmen of title who married American heiresses who cannot be charged with having wedded for money. Though the father of his American bride, Mr. Winans, is immensely wealthy, still it is to be doubted if his fortune is equal to that possessed by the young baronet. The mother of the latter was a daughter of Sir Robert Loder, who left a fortune of some $30,000,000, of which she received the larger share, and which decended to her son.

MRS. CRUZAN SET FREE, ARRESTED AGAIN

Mrs. Alice Cruzan was freed on a charge against her character in the municipal court this morning, as Judge Van Zante handed down his opinion after the hearing yesterday.

As she left the courtroom, however, she was arrested by Constable Wagner on a warrant charging her with contributing to the delinquency of a minor, which had been sworn out in the justice court. Her bonds were fixed at $1000 and she is now in the county jail.

The Cruzan family lives at Kern Park. Guy Cruzan, the 22-year-old son, was arrested at Vancouver, Wash., for a statutory offense alleged to have been committed in this county. With him was Marie Mayfield, a girl who believes she is 16 years old. It is alleged that the mother, the woman now in the county jail, had become acquainted with the friendless girl and was starting her upon the downward path. The Cruzan family was formerly well-known in Eugene.—Journal.
