

ANOTHER Man Separated From His Wife! Who Is Responsible?

We refer to a man who lives here and keeps his family in Portland because he cannot find a house for them in Eugene. This is bad for him and bad for Eugene.

The real estate men tell us they cannot supply half the demand for houses.

We will furnish the **Lumber, Lath** and **Shingles** if some one will get busy and build a few more houses to rent.

QUICK WITTED MAIL CLERKS FOIL ROBBERS

Spokane, Aug. 15.—Tricked by the quick wit of the clerks, little plunder is believed to have been captured by two masked men who held up the Northern Pacific westbound passenger train just west of Spokane last night. Warned that the robbers were coming the clerks took advantage of the time after the train was cut in two to throw the registered packages into a newspaper sack, where they were unnoticed.

RACE RIOT STIRS CITY AND CAUSES BLOODSHED

(Continued From Page One.)
Fifth and Monroe streets, there are hundreds of slayers today and sentinels were placed around these places to keep the crowds back from the negroes who searched the blackened ruins for traces of former possessions. Scores of poor families lost their all, and their condition is such that the city has been compelled to issue a white notice. Negroes were called out to guard all who showed signs of possession from a mob of 700 men who were armed with clubs, knives, and stones. They were ordered to leave the city and to return to their homes. The mob was dispersed by the police, but the damage done was irreparable.

How Trouble Started
Springfield, Ill., August 14.—A mob bent on wreaking vengeance on the negro inhabitants of Springfield because of an assault committed by a negro on a white woman this afternoon, is raging through the streets tonight, beating negroes and discharging the soldiers of troop B of the First Cavalry, ordered out by Governor Dineen to preserve order. The governor tonight by telegraph ordered out additional troops and companies from Bloomington, Peoria and Pekin, and they are being rushed to Springfield by special train to cope with the mob.
Richardson was arrested for assaulting Mrs. Earl Hallam, wife of a street car conductor. Last night

stolen was a pouch of registered mail sent from Chicago to Spokane and one from Seattle made up along the road. Neither is known to have carried packages of great value.
The search for the robbers continues, and it is believed they hurried into the city as they left the engine and cars at the yards on the outskirts. One suspect was captured on top of the train after the robbery and gives his name as Frank Snyder. He may prove to be a plain hobo who was strolling a ride.

Mrs. Hallam was dragged from her bed at her home, forced into the garden and assaulted. She was badly bruised and was unconscious for some time. When Richardson was arrested she identified him as being the negro who had attacked her. Feeling grew so intense against the negro that Sheriff Warner secretly took Richardson and Joseph James (the latter in jail on a charge of the murder of C. H. Ballard, who had chased him from the house where James had gone secretly with the intention of assassinating Ballard's daughter) to Bloomington to keep them out of the city. Richardson was taken to the prison and James to the jail. Richardson is being held in a large stockade and James in a smaller one. It is therefore ordered that said Harry Weaver, Lester Weaver and Susan Weaver and their father and mother, Peter Weaver and Carrie Weaver and all persons interested in their estate appear in this court and show cause, if any they have, why an order should not be made by this court licensing the guardian of said minors to sell the interest of said minors in said land, and that Monday, August 17th, 1908, at the hour of 9 a. m. be the time for the appearance of the said parties and any other persons who may be interested in the said real estate and any other business that may be transacted in this court.
