

# S.S.S. HEALS SORES AND ULCERS

Sores and Ulcers are indications of impure blood. They show that the circulation has become infected with germs and poisons, which are being constantly discharged into the open place to irritate the delicate nerves, tissues and surrounding flesh and keep the sore in a state of inflammation and disease. Whether these impurities in the blood are the result of some debilitating sickness, an old taint from a former disease, or whether it is hereditary bad blood, there is but one way to cure sores and ulcers, and that is to purify the blood. Washes, salves, lotions, etc., are often beneficial because of their cleansing, antiseptic effects, but nothing applied to the surface can reach the blood, where the real cause is, and therefore cannot cure. S. S. S. is the remedy for sores and ulcers of every kind. It gets down to the very bottom of the trouble and removes every trace of impurity or poison, and makes a lasting cure. S. S. S. changes the quality of the circulation, so that instead of feeding the diseased parts with impurities, it nourishes and heals the irritated, inflamed flesh and causes the ulcer to fill in with healthy tissue by supplying it with pure, rich blood. Book on Sores and Ulcers and any medical advice desired sent free to all who write.

## SURE CURE FOR THE BLUES

Barnum & Bailey Circus has Army of World's Best Clowns

Dull care takes to the brush at the approach of Barnum & Bailey's great army of clowns. The undertaker becomes jovial, the chronic dyspeptic releases the frown in his forehead and holds his sides, and the sedate judge laughs immoderately.

It is a show in which the comedy element cuts no small figure. The clowns have been gathered from all quarters of the globe and the result is a well diversified array of droll stunts absolutely new and funnier than ever. Public events are travestied, prominent men are impersonated in grotesque caricature, short plays and screaming pantomimes are enacted and from beginning to end, his great arena rings with laughter.

The Barnum & Bailey show has always enjoyed the reputation of having the world's best clowns on its list of performers and of being the originators of all great clown stunts. That is more than ever the case this year. There is a laugh a minute tucked away between exploits of daring and feats of skill, the great army of jesters filling every pause in the wonderful performance with shouts of laughter. It is the sort of nonsense that the best of men relish and are the better for having laughed at.

In Eugene Saturday, August 29.

FOR SALE, EXCHANGE OR LEASE

Having concluded to retire from the lumber business I offer for sale, lease or will exchange for Eugene or Portland income property, my sawmill, sawmill site, booms, lumber sheds, office, planers, dry kilns and all tools connected with the business. Mill located at river bridge in the centre of Eugene city, east and west, and only three blocks from the S. P. R. R.

This is a fine opportunity for some one to go into the lumber business, as there is always a big local demand for all slabwood, sawdust, shavings, cull lumber, as well as the better grades of lumber. Logs are cheap, labor cheap, lumber high.

A good millman can make this property pay for itself in two years, and if he will operate day and night in one year. Greatest opportunity in this part of Oregon for a mill man; best located mill in the state. Capacity, 25,000 feet in ten hours.

When you have this mill you are at the market. Planer and dry kiln—everything needed to make lots of lumber and lots of money. Give this your early attention if interested in a lumber proposition. I am sure you cannot beat it in the state. The quicker you act the surer you are of making your fortune, for this is a chance in a lifetime.
