

SHOOTING CONTINUES IN TURBULENT SPRINGFIELD

Aug. 18.—That the shooting which has been going on in Springfield, Mo., since the afternoon of the 15th, has not abated today. The shooting was evidenced by the fact that several of the thousands of shells were scattered about in many sections of the town. The shooting was at times very serious, however, and at times it was at times very quiet. The shooting was at times very serious, however, and at times it was at times very quiet. The shooting was at times very serious, however, and at times it was at times very quiet.

ANNIS CONFESSED HIS GUILT WITH DYING BREATH

New York, Aug. 18.—New light will be thrown on the Bayside Yacht Club tragedy at the inquest to be held on Wednesday evening on the death of Annis, killed Saturday by Captain Hains. Dr. Henry Houghton, the physician who was with Annis when he lost consciousness, is quoting today as intimating that Annis in his last moments acknowledged he was paying with his life for a wrong he had committed.

SHERMAN NOTIFIED OF NOMINATION FOR SECOND PLACE

Chicago, Aug. 18.—Everything is in readiness for the big prohibition rally in Music hall this evening, at which Eugene W. Chaffin, of this city, will be officially notified of his nomination for the presidency by the recent Columbus convention. Men who will be prominent in the notification ceremonies arrived in the city last night and this morning, and their presence will be made the occasion for a national conference to lay plans for the prohibition campaign. The notification will be attended by all of the members of the national executive committee and by numerous other party leaders from various parts of the country. The notification address will be delivered by Professor Charles Scanlon, who was permanent chairman of the prohibition national convention.

STATE BOARD OF HEALTH REPORTS ON CITY WATER

JAMES S. SHERMAN OF NEW YORK.

ONE SAMPLE FROM CITY SYSTEM PURE—TWO ARE SUSPICIOUS —REPORT OF DR. MATSON IS RETURNED TO DR. J. W. HARRIS, COUNTY HEALTH OFFICER

Dr. J. W. Harris, county health officer, recently sent four samples of water to the state board of health, which were examined by Ralph C. Matson, bacteriologist for the state board of health, with the result that two of the samples were declared to be suspicious with a possibility of disease germs, a third fit for drinking water, and a fourth, taken from a local well not connected with the city supply in any way, as contaminated. The two suspicious samples were taken from Kuykendall's and Linn's drug stores, the one which was declared pure from Dr. Harris' house. The doctor explains the difference from the fact that he uses hundreds of gallons a day, and the drug stores very little, permitting their water to become almost stagnant in the pipes. The report reads as follows: "No. 1 contains gas producing bacteria, not colon bacteria. (Linn's drug store.) No. 2 contains gas producing bacteria, not colon bacteria. (Kuykendall's drug store.) No. 3 contains no gas producing bacteria. (Dr. Harris' home.) No. 4 contains gas producing bacteria of the colon bacilli type. (E. Whattam's well.) Nos. 1 and 2 should be regarded as suspicious. No. 3 shows no evidence of contamination and should be regarded as safe for drinking and domestic purposes. No. 4 contains typical colon bacilli and should be condemned as unfit for drinking or domestic purposes."

PIONEER OF 1852 DIED AT HALSEY

Halsey, Ore., Aug. 17.—Margaret J. Allingham died Friday. She was a pioneer of '52, crossing the plains with her parents, who settled on a farm near Beuna Vista, Polk county. She was born in Monmouth, Ill., in December, 1835. One year after her arrival in Oregon she was married to David Warren Allingham, and most of the 55 years of their wedded life had been spent on their farm near Halsey. Besides the aged husband eight children survive: W. M. Allingham, C. T. Allingham and Miss Dolly Allingham, of Halsey; Mrs. Arabel Bailey, of Salem; L. E. Allingham, O. D. Allingham and A. G. Allingham, of Prineville; and Mrs. Laura Moore, of Brownsville. Mrs. Allingham had been a member of the Christian church since she was 16 years old.

Eugene's Busiest Store The Mail Order House of Lane County

Make-Room Sale Of All Summer Goods

WE are not afraid to almost give goods away. We are determined to clear the store of every yard of goods and every piece of summer material if we have to make the price so low as to almost give them away. This we are doing and the goods are being sold and carried away very fast.

If you want to see a busy store, even in August, look in here any day. We are doing the business of Eugene in the dry goods line. Our goods are the best and prices always everlastingly the lowest. It will pay you to keep posted on the contents of this advertisement.

Hot Springs, Aug. 18.—Judge Taft has written his regrets at not being able to participate today in the Sherman notification ceremonies.

Utica, N. Y., Aug. 18.—Hon. James S. Sherman was notified today that he is the Republican candidate for the vice presidency. The ceremony was made the occasion for a big demonstration in which the Republican organizations of Utica, Rochester, Troy, Syracuse and other cities took part. In addition to the other visitors the early morning trains brought the members of the notification committee, representing nearly all the states and territories. The event of the day was preceded by a parade which marched through the decorated streets of the downtown section. The actual notification ceremonies were simple in character. After Congressman Sherman had been introduced Senator Burrows, chairman of the notification committee, notified the candidate in a short speech, and the latter replied briefly. Short speeches were also delivered by Mayor Wheeler and President Stryker, of Hamilton College. Subsequently a luncheon was served.

SECRETARY OF STATE MAY BE ON DEATH BED DOCTOR BRINGS DEAD MAN BACK TO LIFE AGAIN

Portland, Aug. 17.—Secretary of State Frank Benson, now in San Francisco, is to have an operation performed for cancer of the stomach as a last resort to save his life. His condition is so serious that grave fears are entertained as to his recovery, despite the proposed surgical operation. A close personal friend of Benson was in Portland Saturday, and announced that a telegram was received from the Bay City Friday containing the announcement that preparations were being made for an operation, and that the chances for recovery were doubtful.

Since his election as secretary of state two years ago Mr. Benson has been ill the greater part of the time. Shortly after he was sworn in he was unable to attend to his duties and for many weeks the office was conducted by his brother, Judge Benson. At various times since it has been necessary for the secretary of state to leave Salem for treatment, and shortly after the true election he traveled to San Francisco, where he has remained.

Should the operation fail of its purpose the political situation in Oregon which is now decidedly complicated, will be even more involved. The death of Secretary Benson before the end of the coming legislative session in January would bring about a number of political changes in the state. Next to the governor, the secretary of state is the most important official in Oregon.

According to the statutes of Oregon the early morning trains brought the members of the notification committee, representing nearly all the states and territories. The event of the day was preceded by a parade which marched through the decorated streets of the downtown section. The actual notification ceremonies were simple in character. After Congressman Sherman had been introduced Senator Burrows, chairman of the notification committee, notified the candidate in a short speech, and the latter replied briefly. Short speeches were also delivered by Mayor Wheeler and President Stryker, of Hamilton College. Subsequently a luncheon was served.

MANILA INVITES STRENUOUS TEDDY

Manila, Aug. 18.—The Merchants' Association has started a movement to induce President Roosevelt to visit the Philippines, either before or after his African hunting trip.

SEVERE QUAKE CAUSES DAMAGE AT EUREKA

Eureka, Cal., Aug. 18.—Three sharp earthquake shocks were felt this morning, the first at 2:30 o'clock and the last at 2:59. The first was the heaviest, some damage being done to the walls of old buildings, but no one was injured. Cracks in many houses were broken, and the walls of the courthouse were slightly cracked. Later it developed that one hundred chimneys were shattered and 49 pane glass windows in the business district broken. The damage is estimated at between \$2000 and \$3000. The shock was almost as severe as the one felt here April 18, 1904. The second shock occurred at 2:58, the third at 2:59 o'clock, but the first shock caused practically all the damage.

The walls of the Carnegie library were slightly cracked, the damage amounting to \$400. Reports from Seazy ranch, near Freshwater, six miles north of here, tell of considerable damage to chimneys and cracks, and of a crack in the earth half a mile long. Shocks were also felt at Hoag Lakes, 25 miles from Eureka.

Only Eureka Affected San Francisco, Aug. 18.—The weather bureau has no report of earthquakes anywhere except at Eureka.
